- d. that the contractor has the ability to comply with applicable court orders and rules and regulations of the Department of ~~Human Services~~ Juvenile Justice.

constituted juvenile bureaus. Said plan may be amended or modified by the ~~Commission~~ State Board of Juvenile Justice as necessary and appropriate.

1. The ~~Oklahoma Commission for Human Services~~ State Board of Juvenile Justice shall establish procedures for the letting of contracts or grants, including grants to existing juvenile detention programs operated by statutorily constituted juvenile bureaus, and the conditions and requirements for the receipt of said grants or contracts for juvenile detention services and facilities as provided in this section and Section 200.6 of Title 56 of the Oklahoma Statutes. A copy of such procedures shall be made available to any member of the general public upon request. include but not be limited to: Separation of juveniles from adults; supervision of juveniles; and health and safety measures for juveniles. The Department of Health is authorized to inspect any jail, adult lockup, or adult detention facility for the purpose of determining compliance with such standards. After July 1, 1985, no jail, adult lockup, or other adult detention facility shall be used to detain juveniles unless such jail, adult lockup, or other adult detention facility complies with the standards established by the Department of Health and is designated as a place for the detention of juveniles by the judge having juvenile docket responsibility in the county from a list of eligible facilities supplied by the Department of Health.

1. The State Department of Health shall forward copies of proposed standards developed pursuant to the provisions of this paragraph to county commissioners, district attorneys, members of the Oklahoma Judiciary and members of the Oklahoma Legislature for their review and comment.

2. After consideration of all comments received and not later than January 1, 1985, the State Board of Health shall approve standards pursuant to the provisions of this paragraph. In all other respects, the development and approval of the standards provided for in this paragraph shall comply with the provisions of the Administrative Procedures Act.

E. The State Board of Health shall adopt rules providing for the routine recording and reporting of the use of any adult jail, lockup or other adult facility for the detention of any person under the age of eighteen (18).

1. For the purpose of ensuring the uniformity and compatibility of information related to the detention of persons under age eighteen (18), said rules shall be reviewed and approved by the Oklahoma Commission on Children and Youth prior to their adoption by the Board; and

2. SECTION 17. AMENDATORY 10 O.S. 1991, Section 1111, is amended to read as follows:

Section 1111. A. All cases of children shall be heard separately from the trial of cases against adults. The adjudicative hearings shall be conducted according to the rules of evidence, and may be adjourned from time to time.

1. Except as provided by paragraph 2 of this subsection, the hearings shall be private unless specifically ordered by the judge to be conducted in public, but persons having a direct interest in the case shall be admitted. Stenographic notes or other transcript of the hearings shall be kept as in other cases, but they shall not be open to inspection except by order of the court or as otherwise provided by law.

2. Hearings related to ~~the second or subsequent~~ any delinquency adjudication of a child shall be public proceedings. ~~The adjudications relied upon to determine whether a hearing is a public proceeding pursuant to this paragraph shall not have arisen out of the same transaction or occurrence or series of events closely related in time and location.~~ Upon its own motion or the motion of any of the parties to the hearing and for good cause shown, the court may order specific testimony or evidence to be heard in private. For the purposes of this paragraph, "good cause" shall mean a showing that it would be substantially harmful to the mental or physical well-being of the child if such testimony or evidence were presented at a public hearing.

B. The child may remain silent as a matter of right in delinquency hearings, in need of supervision hearings and in need of treatment hearings, and before he is interrogated, he shall be so advised. A child who is determined to be competent to testify shall not refuse to be a witness in a hearing to determine whether or not said child is deprived, unless the privilege against self-incrimination is invoked. The testimony of said child may be given as provided by Section 1147 or 1148 of this title or as otherwise authorized by law for the protection of child witnesses.

C. A decision determining a child to come within the purview of this chapter must be based on sworn testimony and the child must have the opportunity for cross-examination unless the facts are stipulated. Where a child is alleged to be delinquent and the facts are stipulated, the judge must ascertain from the child if he agrees with the stipulation and if he understands the consequences of stipulating the facts.

SECTION 18. AMENDATORY 10 O.S. 1991, Section 1115.1, is amended to read as follows:

Section 1115.1 A. An individual treatment and service plan shall be filed with the court within the thirty (30) days after any child has been adjudicated to be deprived, delinquent, in need of supervision or in need of treatment. Said plan shall be filed by the person, department or agency responsible for the supervision of the case or by the legal custodian if the child has been removed from the custody of its lawful parent or parents. The treatment and service plan shall include but not be limited to:

1. A history of the child and family, including identification of the problems leading to the adjudication. In the case of a deprived child, the statement of the conditions leading to the adjudication shall include a statement of the methods to be used to correct those conditions or to achieve permanent placement of the child;

2. Based upon a comprehensive assessment and evaluation of the child and family which shall include, in the case of a delinquent child, a risk-assessment of the child:

- a. Identification of the specific services to be provided to the child to remediate or alleviate the conditions that led to the adjudication, including but not limited to educational, vocational educational, medical, drug or alcohol abuse treatment, or counseling or other treatment services, and
- b. Identification of the services to be provided to the parent, legal guardian, legal custodian, stepparent, other adult person living in the home or other family members, including services needed to assist the family to provide proper care and supervision of the child or, in the case of a deprived child, to prevent further harm to the child. If the child is placed outside the home, the service plan shall include the services to be provided during and after any such placement;

3. If the child is to be placed outside his home, the service plan shall state:

- a. The reasons for such placement and a statement as to the unavailability or inappropriateness of local placement, or other good cause, for any placement more than forty (40) miles from the home of the child,
- b. The services to be provided to the child while in such placement and the projected date of discharge,
- c. The services necessary to assist the child to reintegrate with his family or other community-based placement and, in the case of a deprived child, a description of acts and conduct that would be expected of the parent or parents, legal guardian, legal

custodian, or stepparent or other adult person living in the home before the child should be returned home,

- d. If the child is age sixteen (16) or older, the services necessary to make the transition from foster care or other community placement to independent living;

4. Performance criteria that will measure the progress of the child and family toward completion of the treatment and service plan;

5. A projected date for the completion of the treatment and service plan; and

6. The name and business address of the attorney representing the child, if any.

B. In addition to the information required pursuant to subsection A of this section, when a child born in a condition of dependence on a controlled dangerous substance has been removed from the home, the Department of Human Services, subject to court approval:

1. may require, as part of the placement plan, that the mother of such child complete a treatment program approved by the Alcohol and Drug Abuse Prevention, Training, Treatment and Rehabilitation Authority prior to the return of the child to the home;

2. may require, as part of the placement plan, that the father of the child, legal guardian, legal custodian, stepparent or other adult person living in the home who is a drug-dependent person, as such term is defined by Section 3-403 of Title 43A of the Oklahoma Statutes, and whose conduct has contributed to the dependency of such child or mother on the controlled dangerous substance, or to the conditions which caused the child to be adjudicated deprived, complete a treatment program approved by the Alcohol and Drug Abuse Prevention, Training, Treatment and Rehabilitation Authority prior to the return of the child to the home; and

3. may require testing for substance abuse of the mother, father, legal guardian, legal custodian, stepparent or other adult person living in the home, on a monthly basis for a twelve-month period following completion of the substance abuse program and after return of the child to the home. A positive test of any such person shall be presented to the Department of Human Services and the district attorney.

C. Testing ordered by the court pursuant to subsection B of this section shall be admissible only for the purposes of juvenile and custody proceedings.

SECTION 19. AMENDATORY 10 O.S. 1991, Section 1116, is amended to read as follows:

Section 1116. A. The following kinds of orders of disposition may be made in respect to wards of the court:

1. The court may place the child on probation or under supervision in his own home, or in the custody of a suitable person elsewhere, upon such conditions as the court shall determine. The court may require the parent or other person to give security by bond, with surety or sureties approved by the court, for compliance with such order.

If it is consistent with the welfare of the child, the child shall be placed with his parent or legal guardian, but if it appears to the court that the conduct of such parent, guardian, legal guardian, stepparent or other adult person living in the home has contributed to such delinquency, or need of supervision or treatment, or deprivation, the court may issue a written order specifying conduct to be followed by such parent, guardian, legal custodian, stepparent or other adult person living in the home with respect to such child. The conduct specified shall be such as would reasonably prevent the child from becoming delinquent, in need of supervision or treatment, or deprived, as defined by Section 1101 of this title. Such order shall remain in effect for a period of not

more than one (1) year to be specified by the court, and the order may be extended or renewed by the court.

- a. If it is consistent with the welfare of the child, in cases where the child has been adjudicated to be deprived or in need of supervision due to repeated absence from school, the court may order counseling and treatment for the child and the parents of the child to be provided by the local school district, the county, the Department of Human Services in the case of a deprived child, the Department of Juvenile Justice in the case of a child in need of supervision, or a private individual or entity. Prior to final disposition, the court shall require that it be shown by the appropriate school district that a child found to be truant has been evaluated for learning disabilities, mental retardation, and hearing and visual impairments and other impediments which could constitute an educational handicap. The results of such tests shall be made available to the court for use by the court in determining the disposition of the case.
- b. In issuing orders to a parent, guardian, legal guardian, stepparent or other adult person living in the home of a child adjudicated to be a delinquent child or in making other disposition of said delinquent child, the court may consider the testimony of said parent, guardian, legal guardian, stepparent or other adult person concerning the behavior of the juvenile and his ability to exercise parental control over the behavior of the juvenile.
- c. In any dispositional order involving a child age sixteen (16) or older, the court shall make a

determination, where appropriate, of the services needed to assist the child to make the transition from foster care to independent living.

No child who has been adjudicated in need of supervision or deprived upon the basis of truancy or noncompliance with the mandatory school attendance law alone may be placed in a public or private institutional facility or be removed from the custody of the lawful parent, guardian or custodian of the child. A deprived adjudication based upon repeated absence from school shall not constitute a ground for termination of parental rights.

2. The court may commit the child to the custody of a private institution or agency, including any institution established and operated by the county, authorized to care for children or to place them in family homes. In committing a child to a private institution or agency, the court shall select one that is licensed by the Department or any other state department supervising or licensing private institutions and agencies; or, if such institution or agency is in another state, by the analogous department of that state. Whenever the court shall commit a child to any institution or agency, it shall transmit with the order of commitment a summary of its information concerning the child, and such institution or agency shall give to the court such information concerning the child as the court may at any time require.

3. The court may order the child to receive counseling or other community-based services as necessary.

4. The court may commit the child to the custody of the Department unless the child has been adjudicated to be delinquent or in need of supervision.

5. The court may commit the child to the custody of the Department of Juvenile Justice, if the child has been adjudicated to be delinquent or in need of supervision; provided, any order adjudicating a child to be delinquent and committing the child to

the Department of Juvenile Justice shall be for an indeterminate period of time.

~~5.~~ 6. Whenever, after a hearing on a petition alleging a child to be a child in need of treatment, the court determines by clear and convincing evidence that the child is a child in need of treatment, the court shall order the child to receive the least restrictive mental health care and treatment appropriate for the treatment needs of the child until such time as such care and treatment is no longer necessary.

a.—The court shall not find a child adjudicated to be a child in need of treatment to be eligible for inpatient mental health services unless the court finds by clear and convincing evidence, after a thorough consideration of less restrictive alternatives to inpatient treatment:

(1)—that reasonable efforts have been made to provide for the mental health treatment needs of the child through the provision of less restrictive alternatives to inpatient treatment and that such alternatives have failed to meet the treatment needs of the child, or

(2)—that the condition of the child is such that less restrictive alternatives are unlikely to meet the mental health treatment needs of the child;

b.—Whenever the court finds that a child adjudicated to be a child in need of treatment is eligible for inpatient mental health treatment:

(1)—when the child is in the custody of his parent, legal guardian or legal custodian other than the Department of Human Services, the court may authorize such parent, legal guardian or legal custodian to make arrangements for the admission

of the child to a public or private mental health facility appropriate for the inpatient care and treatment of children and which is willing to admit the child for treatment and may order the Department of Human Services to assist the parent or legal guardian in making said arrangements; or (2)—when the child is in the custody of the Department of Human Services or the Department of Juvenile Justice, the court may authorize the applicable Department to place the child in a mental health facility appropriate for the inpatient treatment needs of the child.

~~6.~~ 7. If the child has been placed outside the home, and it appears to the court that the parent, guardian, legal custodian, or stepparent, or other adult person living in the home has contributed to the delinquency, need of supervision or treatment, or deprivation of the child, the court may order that the parent, guardian, legal custodian, stepparent, or other adult living in the home be made subject to any treatment or placement plan prescribed by the Department of Human Services or the Department of Juvenile Justice or other person or agency receiving custody of the child.

~~7.~~ 8. With respect to a child adjudicated a delinquent child, the court may:

- a. for acts involving criminally injurious conduct as defined in Section 142.3 of Title 21 of the Oklahoma Statutes, order the child to pay a victim compensation assessment in an amount not to exceed that amount specified in Section 142.18 of Title 21 of the Oklahoma Statutes. The court shall forward a copy of the adjudication order to the Crime Victims Compensation Board for purposes of Section 142.11 of Title 21 of the Oklahoma Statutes. Except as

otherwise provided by law, such adjudication order shall be kept confidential by the Board,

- b. order the child to engage in a term of community service without compensation. The state or any political subdivision shall not be liable if a loss or claim results from any acts or omission of a child ordered to engage in a term of community service pursuant to the provisions of this paragraph,
- c. if it is consistent with the welfare of the child, require community service or restitution or both community service and restitution for acts of delinquency. The immunities provided by Sections 227 and 228 of Title 57 of the Oklahoma Statutes shall apply to community services directed pursuant to this section,
- d. order the cancellation or denial of driving privileges as provided by Sections 6-107.1 and 6-107.2 of Title 47 of the Oklahoma Statutes,
- e. in accordance with the guidelines approved and adopted by the Oklahoma Supreme Court for the implementation of the Serious and Habitual Juvenile Offender Program, make the following orders: sanction detention in the residence of the child or facility designated by the Department of ~~Human Services~~ Juvenile Justice or the juvenile bureau for such purpose for up to five (5) days; weekend detention in a place other than a juvenile detention facility or shelter; tracking; or house arrest with electronic monitoring. On and after the adoption of guidelines by the Oklahoma Supreme Court for the Implementation of the Serious and Habitual Juvenile Offender Program, the provisions of

subparagraphs a through d of this paragraph shall be subject to said guidelines,

f. in accordance with the guidelines approved and adopted by the Oklahoma Supreme Court for the implementation of the Serious and Habitual Juvenile Offender Program, impose sanctions for the violation of pre-adjudicatory or postadjudicatory violations of probation.

~~8.~~ 9. The court may dismiss the petition or otherwise terminate its jurisdiction at any time for good cause shown.

~~9.~~ 10. In any dispositional order removing a child from the home of the child, the court shall make a determination that, in accordance with the best interests of the child, reasonable efforts have been made to provide for the return of the child to the child's own home, or that efforts to reunite the family are not feasible, and reasonable efforts are being made to secure an alternate permanent placement for the child.

B. Whenever the court finds a child adjudicated to be a child in need of treatment eligible for inpatient mental health treatment pursuant to the provisions of this section and the child is subsequently placed in a hospital or mental health facility for said inpatient treatment, the court shall review the case at least every sixty (60) days or more frequently as directed by the court until the child is discharged from inpatient treatment.

C. The court shall not terminate the rights of a parent who has not been notified that the parental rights might be terminated. If the court terminates the rights of a parent and commits the child to an individual or agency, the court may invest in such individual or agency authority to consent to the adoption of the child. Provided, that where the court commits the child to the Department, it shall vest the Department with authority to place the child and, upon notice to the court that an adoption petition has been filed concerning said child, invest the Department with authority to

consent to the adoption of the child, and the jurisdiction of the committing court shall terminate.

D. No child who has been adjudicated in need of supervision or deprived may be placed in a state training school.

E. No child charged in a state or municipal court with a violation of state or municipal traffic laws or ordinances, or convicted therefor, may be incarcerated in jail for any said violation unless the charge for which the arrest was made would constitute a felony if the child were an adult; provided, that nothing contained in the above section prohibits the detention of a juvenile for traffic-related offenses prior to the filing of a petition in the district court alleging delinquency as a result of said acts.

F. The court may require any child found to be a juvenile delinquent or child in need of supervision, the parents of any child found to be a juvenile delinquent, a child in need of supervision, a deprived child or a child in need of treatment, or both the child and the parents, to reimburse the court fund, in whole or in part, for any disbursements made from the court fund in conjunction with the case, including, but not limited to, court-appointed attorney's fees, expert witness fees, sheriff's fees, witness fees, transcripts and postage.
