BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. AMENDATORY Section 9B of Article X of the  
Oklahoma Constitution, as last amended by Section 148, Chapter 263,  
O.S.L. 1990, is amended to read as follows:

Section 9B. A. Area school districts for vocational and  
technical schools may be established and a levy of not to exceed  
five (5) mills on the dollar valuation of the taxable property in  
any area school district so established may be made annually, for  
the district, when the levy is approved by a majority of the  
electors of the area school district, voting on the question at an

election called for that purpose. The levy shall be in addition to all other levies authorized by this Constitution, and when approved, shall be made each fiscal year thereafter until repealed by a majority of the electors of the area school district, voting on the question at an election called for that purpose. ~~One levy may be made pursuant to this section for each area school district that includes any given geographical area. Except as otherwise provided by law, one levy may be made pursuant to this section for each college area vocational-technical school district which is entirely included within an area vocational-technical school district.~~ Any area school district so established shall be considered as a school district for the purposes of Sections 10 and 26 of this Article. The administrative control and direction of the area school district shall be vested in a school board which shall be constituted and empowered as provided for by law for school boards of independent school districts. Provisions of other subsections of this section notwithstanding, in any case where a college area vocational-technical school district recognized pursuant to Section 4423 of Title 70 of the Oklahoma Statutes overlaps and includes territory which is included within the district of an area vocational-technical school established as prescribed by the State Board of Vocational and Technical Education pursuant to Section 14-108 of Title 70 of the Oklahoma Statutes, said overlap territory shall only be subject to one incentive levy made pursuant to subsection B of this section and one building levy made pursuant to Section 10 of this Article for vocational-technical school purposes, and the revenues from the overlap area collected pursuant to said levies shall be shared equally by the districts whose territories overlap. In any case where a college area vocational-technical school district recognized pursuant to Section 4420.1 of Title 70 of the Oklahoma Statutes overlaps and includes territory which is included within the district of an area vocational-technical school

established as prescribed by the State Board of Vocational and Technical Education pursuant to Section 14-108 of Title 70 of the Oklahoma Statutes, said overlap territory shall be subject to all levies of both kinds of districts that are approved by a majority of the electors.

B. In addition to any other levies authorized by this section, an area school district may make a local incentive levy for the benefit of the area school district in an amount not to exceed five (5) mills on the dollar valuation of the taxable property in the area school district when approved by a majority of those registered voters of the area school district voting on the question at an election called for that purpose. Any funds generated pursuant to the provisions of this subsection shall not be charged against state appropriated funds.

C. Upon the establishment of area school districts, such districts are authorized to become indebted separate and apart from the indebtedness of any school district included in the area school district up to five percent (5%) of the net valuation of taxable property within the area school district for capital improvements, including purchasing sites and constructing, purchasing, improving, and equipping real property and buildings when the indebtedness is approved by a majority of the electors of the area school district voting on the question in an election called for that purpose.

D. Until otherwise provided for by law, area school districts and the government thereof shall be established in accordance with criteria and procedures prescribed by the State Board of Vocational and Technical Education.

E. The Legislature may alter, amend, delete, or add to the provisions of this section by law.

SECTION 2. It being immediately necessary for the preservation of the public peace, health and safety, an emergency is hereby

declared to exist, by reason whereof this act shall take effect and be in full force from and after its passage and approval.
