hereby authorized for each designated scenic river area or
combination of areas for which operating areas for planning and
management have been delineated. Each Commission shall be an agency
of the state and shall be named to reflect the area or areas subject
to its jurisdiction. State funds for each Commission shall be

provided for by a separate line-item appropriation through the state agency specifically named or by direct appropriation. If funded through the named state agency, said state agency shall disburse the funds to the appropriate Scenic Rivers Commission in the amount and pursuant to the conditions prescribed by the Legislature.

There is hereby re-created, to continue until July 1, ~~1991~~ 1997, in accordance with the provisions of the Oklahoma Sunset Law, Section 3901 et seq. of Title 74 of the Oklahoma Statutes a Scenic Rivers Commission for the Illinois River and Flint Creek Scenic River Areas and those portions of Barren Fork Creek within Cherokee County.

B. The operating area for the Scenic Rivers Commission for the Illinois River and Flint Creek will be limited to areas within Adair, Cherokee and Delaware Counties, and to areas within Cherokee County for Barren Fork Creek.

C. Each Commission shall consist of not less than seven (7) nor more than fifteen (15) members:

The Speaker of the House of Representatives shall appoint one member for a term of four (4) years who shall be a resident of one of the counties containing the scenic river area.

2. The additional members of the Commission shall be elected in a nonpartisan election to represent the following:

a. The registered voters who reside or own property within six hundred and sixty (660) feet of the Illinois River, Flint Creek and Barren Fork Creek within Cherokee County, shall elect one member for a

term of two (2) years to represent the county in which they live or own property.

The standards shall be developed and executed in such manner as to protect and enhance the values which caused the area to be named a scenic river area without, insofar as is consistent with said protection and enhancement, limiting other uses that do not substantially interfere with the protection, public use, and enjoyment of these values. Primary emphasis in the standards shall be given to protecting the aesthetic, scenic, historic, archeologic, and scientific features of the scenic river area with due consideration being given to the orderly development of the lands adjacent and contiguous to the scenic river area. Standards set pursuant to the provisions of the Scenic Rivers Act shall not be less rigid or exacting than those established by any other federal or state agency having jurisdiction in respect to the subject covered by the particular standard. Each Commission may engage in or supervise the conduct of studies, make a plan or plans, receive, disburse, and allocate monies granted or appropriated to it, and do all things, whether expressly enumerated in the Scenic Rivers Act or not, which may be lawful and necessary and proper for the accomplishment of the purposes of the Scenic Rivers Act. Appoint and fix the salary of an administrator experienced in land resource planning and management who shall serve at the pleasure of the Commission and in accordance with its policies, budgets, powers, and responsibilities. 2. Act in cooperation with all federal, state, and local governments and agencies thereof to implement the purposes of the Scenic Rivers Act;

3. Elect from the Commission membership a chairman and such other officers as the Commission deems necessary to conduct the affairs of the Commission. The officers shall be permitted to succeed themselves once for a total of two (2) consecutive years of service in any office. The Commission shall hold meetings not less than once each quarter, at such times as may be fixed by call of its chairman or as determined by majority vote in advance of the meeting. It is the responsibility of the Commissioners to encourage general public participation in the formation and adoption of plans, standards, procedures, and regulations. The meetings of the Commission shall be open to the public. Minutes of each meeting shall be kept and filed in the office of the Commission and shall be available for public inspection during reasonable office hours;

4. Adopt and publish rules and orders necessary to the exercise of the powers of the Commission and to achieve the purposes of the Scenic Rivers Act;

5. Provide rules and regulations governing the procedures necessary to implement the provisions of the Scenic Rivers Act;

varying degrees of protection and development based on the special attributes of the area;

9. Enter into contracts on behalf of the Commission to implement the purposes of the Scenic Rivers Act and may accept gifts and grants, whether the grants be of federal or other funds;

10. Identify public and private nuisances which are adverse to the purposes of the Scenic Rivers Act and take such action as permitted by law to remove the public nuisances;

11. Own and control public access points to the scenic river area, issue use permits, and purchase easements and fee title to land within the Commission's operating area. Legal title to property shall be held in the name of the individual Scenic Rivers Commission as an agency of the State of Oklahoma;

12. Review any action taken by any local, municipal, or county authority within the operating area of the Commission in an administrative adjudicatory proceeding brought upon the petition of any officer or agency of this state, including the administrator, or of any person acting in behalf of the public interest, to determine whether such action conforms to the standards promulgated by the Commission or has an adverse effect upon the proper achievement of the purposes of the Scenic Rivers Act and, upon finding that such action does not so conform or does have such adverse effect, order

that the action be nullified, superseded, or amended to the extent necessary to produce such conformity or eliminate such adverse effect, and may issue such orders as may be necessary and proper to effectuate its primary order;

13. Hire an attorney or request legal assistance from the district attorney or the State Attorney General when appropriate and if there is no conflict in the legal interest of the parties;

14. Bring an action in the district court of any county of the state where service can be obtained on one or more of the defendants, to enjoin the acts or practices which appear to constitute a violation of any provision of the Scenic Rivers Act or any rule or order promulgated to implement the provisions of the Scenic Rivers Act, and to enforce compliance with the provisions of the Scenic Rivers Act or any rule or order. Upon a proper showing, a restraining order, permanent or temporary injunction, writ of mandamus, or other appropriate remedies including damages shall be granted. The court may not require the administrator or Commission to post a bond; and

15. Suspend the effectiveness of any action taken by a municipality or county within the designated operating area of such Commission when, in the exercise of alleged local functions, it appears the action has or may have an adverse effect upon the proper achievement of the purposes of the Scenic Rivers Act, whereupon all proceedings thereunder shall be held in abeyance upon receipt of written notice from the administrator pending a final determination of the Commission in regard to such action. If it is determined that such adverse effects exist, the Commission may nullify, supersede, or amend said action only to the extent necessary to achieve the purposes of the Scenic Rivers Act.

G. A Commission member to whom some private benefit, direct or indirect, financial or otherwise, may come as the result of some public action should not be a participant in that action. The

possibility, not the actuality, of a conflict of interest should govern. A Commission member experiencing a conflict of interest should declare his interest publicly, abstain from voting on the matter should he have a vote, and refrain from deliberation on the matter. In addition, the Commission member should not discuss the matter with any fellow member for the purpose of influencing a decision thereon.

H. The rules and regulations or orders of the Commission shall be adopted and issued in compliance with all applicable provisions of Sections 301 through 326 of Title 75 of the Oklahoma Statutes.

SECTION 2. AMENDATORY 82 O.S. 1981, Section 1452, as last amended by Section 9, Chapter 203, O.S.L. 1988 (82 O.S. Supp. 1990, Section 1452), is amended to read as follows:
