- (C) within fifteen (15) days after the receipt of a written request for a hearing from said person or at such sooner time during regular business hours of the Department as mutually agreed upon by the Department and said person, a hearing on the matter shall commence. ~~If no hearing is requested and none is ordered by the Administrator, the order will remain in effect until it is modified or vacated by the Administrator. If a hearing is requested or ordered, the Administrator, after notice and opportunity for hearing, may modify or vacate the order or extend it until final determination~~ be commenced to determine whether the summary order should be modified, vacated or become a permanent order as provided in subsection (a) of this section.

(3) The summary order shall remain in effect until the conclusion of the hearing on the summary order unless the Administrator or his designated hearing officer extends the summary order pending a final determination. The summary order shall become a permanent order if the person to whom notice is addressed does not request a hearing within fifteen (15) days after the receipt of notice. If a request for hearing on the summary order is timely made and if said hearing is not commenced by the Administrator within the time limit set forth herein, the summary order shall dissolve and a permanent order shall not be issued pursuant to

subsection (a) of this section except upon reasonable notice and opportunity for a hearing.

(f) If the Administrator finds that any registrant or applicant for registration is no longer in existence or has ceased to do business as a broker-dealer, agent, investment adviser or investment adviser representative, or is subject to an adjudication of mental incompetence or to the control of a committee, conservator, or guardian, or cannot be located after reasonable search, the Administrator may by order cancel the registration or application.

(g) Withdrawal from registration as a broker-dealer, agent, investment adviser or investment adviser representative becomes effective thirty (30) days after receipt of an application to withdraw or within such shorter period of time as the Administrator may determine, unless a revocation or suspension proceeding is pending when the application is filed or a proceeding to revoke or suspend or to impose conditions upon the withdrawal is instituted within thirty (30) days after the application is filed. If a proceeding is pending or instituted, withdrawal becomes effective at such time and upon such conditions as the Administrator by order determines. If no proceeding is pending or instituted and withdrawal automatically becomes effective, the Administrator may nevertheless institute a revocation or suspension proceeding under Section 204(a) (2) (B) within one (1) year after withdrawal became effective and enter a revocation or suspension order as of the last date on which registration was effective.

(h) No order may be entered under any part of this section ~~except the first sentence~~ under paragraph 1 of subsection (e) of this section without:

(1) appropriate prior notice to the applicant or registrant (as well as the employer or prospective employer if the applicant or registrant is an agent or investment adviser representative);

(2) any security (other than a certificate of interest or participation in an oil, gas or mining title or lease or in payments out of production under such a title or lease) registered for nonissuer distribution if:

(c) If no stop order is in effect and no proceeding is pending under Section 306 of this title, a registration statement under this section automatically becomes effective at two o'clock Central Standard Time in the afternoon of the second full business day after the filing of the registration statement or the last amendment, or at such earlier time as the Administrator determines.

SECTION 12. AMENDATORY 71 O.S. 1991, Section 303, is amended to read as follows:

Section 303. (a) Any security for which a registration statement has been filed under the Securities Act of 1933 in connection with the same offering may be registered by coordination.

(b) A registration statement under this section shall contain the following information and be accompanied by the following documents in addition to the information specified in Section 305(b)

of this title and the consent to service of process required by Section 413(g) of this title:

(1) one copy of the registration statement filed with the United States Securities and Exchange Commission and all amendments thereto and two copies of the latest form of prospectus filed under the Securities Act of 1933 as of the date of filing hereunder;

(2) if the Administrator by rule or otherwise requires, a copy of the articles of incorporation and bylaws (or their substantial equivalents) currently in effect, a copy of any agreements with or among underwriters, a copy of any indenture or other instrument governing the issuance of the security to be registered, and a specimen or copy of the security;

(3) if the Administrator requests, any other information, or copies of any other documents, filed under the Securities Act of 1933; and

(4) an undertaking to forward all future amendments to the federal prospectus, other than an amendment which merely delays the effective date of the registration statement, promptly and in any event not later than the first business day after the day they are forwarded to or filed with the Securities and Exchange Commission, whichever first occurs.

(c) A registration statement under this section automatically becomes effective at the moment the federal registration statement becomes effective if all the following conditions are satisfied:

(1) no stop order is in effect and no proceeding is pending under Section 306 of this ~~section~~ title;

(2) the registration statement has been on file with the Administrator for at least ten (10) days; and

(3) a statement of the maximum and minimum proposed offering prices and the maximum underwriting discounts and commissions has been on file for two (2) full business days or such shorter period

"Price amendment" means the final federal amendment which includes a statement of the offering price, underwriting and selling discounts or commissions, amount of proceeds, conversion rates, call prices, and other matters dependent upon the offering price. Upon failure to receive the required notification and post-effective amendment with respect to the price amendment, the Administrator may enter a stop order, without notice or hearing, retroactively denying effectiveness to the registration statement or suspending its effectiveness until compliance with this subsection, if he promptly notifies the registrant ~~by telephone or telegram~~ (and promptly confirms by letter ~~or,~~ telegram or facsimile transmission when he notifies by telephone) of the issuance of the order. If the registrant proves compliance with the requirements of this subsection as to notice and post-effective amendment, the stop order is void as of the time of its entry. The Administrator may by rule or otherwise waive either or both of the conditions specified in paragraphs (2) and (3) of ~~this~~ subsection (c) of this section. If the federal registration statement becomes effective before all the conditions in this subsection and subsection (c) of this section are satisfied and they are not waived, the registration statement automatically becomes effective as soon as all the conditions are satisfied. If the registrant advises the Administrator of the date when the federal registration statement is expected to become effective, the Administrator shall promptly advise the registrant ~~by~~

~~telegram~~, at the registrant's expense, whether all the conditions are satisfied and whether he then contemplates the institution of a proceeding under Section 306 of this title; but this advice by the Administrator does not preclude the institution of such a proceeding at any time.

SECTION 13. AMENDATORY 71 O.S. 1991, Section 304.1, is amended to read as follows:

(2) Upon the entry of the summary order, the Administrator shall promptly notify each person specified in subsection (c) of this section that it:
