BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. NEW LAW A new section of law to be codified
in the Oklahoma Statutes as Section 44 of Title 4, unless there is
created a duplication in numbering, reads as follows:

As used in this act:

1. "Potentially dangerous dog" means any dog that when
unprovoked inflicts bites on a human either on public or private
property;
2. "Dangerous dog" means any dog that:
 - a. has inflicted severe injury on a human being without
provocation on public or private property, or
 - b. has been previously found to be potentially dangerous,
the owner having received notice of such by the animal
control authority in writing and the dog thereafter
aggressively bites, attacks, or endangers the safety
of humans;
3. "Severe injury" means any physical injury that results in
broken bones or lacerations requiring multiple sutures or cosmetic
surgery;
4. "Proper enclosure of a dangerous dog" means, while on the
owner's property, a dangerous dog shall be securely confined indoors
or in a securely enclosed and locked pen or structure with at least
one hundred fifty (150) square feet of space for each dog kept
therein which is over six (6) months of age, and which is suitable
to prevent the entry of children and designed to prevent the animal
from escaping. Such pen or structure shall have secure sides and a
secure top, and shall also provide protection from the elements for
the dog;
5. "Animal control authority" means an entity acting alone or
in concert with other local governmental units for enforcement of
the animal control laws of the city, county and state and the
shelter and welfare of animals;

6. "Animal control officer" means any individual employed, contracted with, or appointed by the animal control authority for the purpose of aiding the enforcement of this act or any other law or ordinance relating to the licensure of animals, control of animals, or seizure and impoundment of animals, and includes any state or local law enforcement officer or other employee whose duties in whole or in part include assignments that involve the seizure and impoundment of any animal; and

7. "Owner" means any person, firm, corporation, organization, or department possessing, harboring, keeping, having an interest in, or having control or custody of an animal.

SECTION 2. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 45 of Title 4, unless there is created a duplication in numbering, reads as follows:

A. It is unlawful for an owner to have a dangerous dog in the state without certificate of registration issued under this section. This section shall not apply to dogs used by law enforcement officials for police work.

B. The animal control authority of the city or county in which an owner has a dangerous dog shall issue a certificate of registration to the owner of such animal if the owner presents to the animal control unit sufficient evidence of:

1. A proper enclosure to confine a dangerous dog and the posting of the premises with a clearly visible warning sign that there is a dangerous dog on the property. In addition, the owner shall conspicuously display a sign with a warning symbol that informs children of the presence of a dangerous dog; and

2. A policy of liability insurance, such as homeowner's insurance, or surety bond, issued by an insurer qualified under Title 36 of the Oklahoma Statutes in the amount of not less than Fifty Thousand Dollars (\$50,000.00) insuring the owner for any personal injuries inflicted by the dangerous dog.

C. If an owner has the dangerous dog in an incorporated area that is serviced by both a city and county animal control authority, the owner shall obtain a certificate of registration from the city authority.

D. Cities and/or counties may charge an annual fee not to exceed Ten Dollars (\$10.00), in addition to regular dog licensing fees, if any are charged, not to exceed Ten Dollars (\$10.00), to register dangerous dogs. Fees shall be retained by the city or county issuing license.

SECTION 3. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 46 of Title 4, unless there is created a duplication in numbering, reads as follows:

A. It is unlawful for an owner of a dangerous dog to permit the dog to be outside the proper enclosure unless the dog is muzzled and restrained by a substantial chain or leash and under physical restraining of a responsible person over sixteen (16) years of age. The muzzle shall be made in a manner that will not cause injury to the dog or interfere with its vision or respiration but shall prevent it from biting any person or animal.

B. Potentially dangerous or dangerous dogs may be regulated through local, municipal and county authorities, provided the regulations are not breed specific. Nothing in this act shall prohibit such local governments from enforcing penalties for violation of such local laws.

C. Dogs shall not be declared dangerous if the threat, injury, or damage was sustained by a person who, at the time, was committing a willful trespass or other tort upon the premises occupied by the owner of the dog, or was tormenting, abusing, or assaulting the dog

or has, in the past, been observed or reported to have tormented, abused, or assaulted the dog or was committing or attempting to commit a crime.

SECTION 4. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 47 of Title 4, unless there is created a duplication in numbering, reads as follows:

Any dangerous dog shall be immediately confiscated by an animal control authority if:

1. The dog is not validly registered under Section 2 of this act;
2. The owner does not secure the liability insurance coverage or surety bond required under Section 2 of this act;
3. The dog is not maintained in the proper enclosure; and
4. The dog is outside of the dwelling of the owner, or outside the proper enclosure and not under physical restraint of the responsible person. In addition, the owner shall be guilty of a misdemeanor punishable by imprisonment in the county jail for not more than one (1) year or by the imposition of a fine not to exceed Five Thousand Dollars (\$5,000.00), or by both such fine and imprisonment. Any such fine, at the discretion of the court, may be offset by payments made by the dog owner to any victim of an attack by the dog. However, insurance payments may not be considered as an offset.

It is the purpose of this act to provide additional and cumulative remedies to control dangerous and potentially dangerous dogs in this state. Nothing in this act shall be construed to abridge or alter rights of action or remedies of victims under the common law or statutory law, criminal or civil.

SECTION 5. This act shall become effective February 1, 1992.
