

SECTION . AMENDATORY Section 107, Chapter 2, O.S.L. Supp. 1989 (70 O.S. Supp. 1990, Section 18-200), as last amended by Section 2 of Enrolled Senate Bill No. 144 of the 1st Session of the 43rd Oklahoma Legislature, is amended to read as follows:

Section 18-200. A. It is the intent of the Legislature that the sole purpose of this section is to provide an equitable funding formula for all the school districts of this state. The Legislature, recognizing the responsibility to guarantee an adequate and equitable educational program for the school children of this state, declares that on and after July 1, 1990, the amount of State Aid each district shall receive shall be the sum of the Foundation Aid, the Salary Incentive Aid and the Transportation Supplement, as adjusted pursuant to the provisions of subsection E of this section and Section 18-112.2 of Title 70 of the Oklahoma Statutes; provided, no district having per pupil revenue in excess of three hundred percent (300%) of the average per pupil revenue of all districts shall receive any State Aid or Supplement in State Aid. Per pupil revenue shall be determined by dividing the district's second preceding year's total weighted average daily membership (ADM) into the district's second preceding year total revenues excluding federal revenue, insurance loss payments, reimbursements, recovery of overpayments and refunds, unused reserves, prior expenditures recovered, prior year surpluses, and less the amount of any transfer fees paid in that year.

B. Foundation Aid, the Transportation Supplement and Salary Incentive Aid shall be calculated as follows:

1. Foundation Aid shall be determined by subtracting the amount of the Foundation Program Income from the cost of the Foundation Program and adding to this difference the Transportation Supplement.

- a. The Foundation Program shall be a district's weighted average daily membership as determined by the provisions of subsection A of Section 18-201 of this title and paragraphs 1, 2 and 3 of subsection B of Section 18-201 of this title, multiplied by the Base Foundation Support Level. For the 1990-91 school year, the Base Foundation Support Level shall be One Thousand Dollars (\$1,000.00).
- b. The Foundation Program Income shall be the sum of the following, less dependent transfer fees to be paid for students served during the preceding school year:
  - (1) The adjusted assessed valuation of the school district during the next preceding year multiplied by fifteen (15) mills, and
  - (2) Seventy-five percent (75%) of the amount received by the school district from the proceeds of the county levy during the second preceding fiscal year, as levied pursuant to subsection (b) of Section 9 of Article X of the Oklahoma Constitution, and
  - (3) Motor Vehicle Collections, and
  - (4) Gross Production Tax, and
  - (5) State Apportionment, and
  - (6) R.E.A. Tax, and
  - (7) Dependent transfer fees to be received for students served during the preceding school year.

The items listed in divisions (3), (4), (5), and (6) shall consist of the amounts actually collected from such sources during the second preceding fiscal year calculated on a per capita basis on the unit provided for by law for the distribution of each such revenue.

2. The Transportation Supplement shall be equal to the average daily haul times the per capita allowance times the appropriate transportation factor.

- a. The average daily haul shall be the number of children in a district who are legally transported and who live one and one-half (1 1/2) miles or more from school;
- b. The per capita allowance shall be determined using the following chart:

.9067 - .9333	\$101.00	9.6668 or more	\$33.00

c. The formula transportation factor shall be 1.39.

3. Salary Incentive Aid shall be determined as follows:

- a. Multiply the Incentive Aid guarantee by the district's weighted average daily membership as determined by the provisions of subsection A of Section 18-201 of this title and paragraphs 1, 2, 3 and 4 of subsection B of Section 18-201 of this title. For the 1990-91 school

year, the Incentive Aid guarantee shall be Forty-seven Dollars and sixty-nine cents (\$47.69).

- b. Divide the district's adjusted assessed valuation by one thousand (1,000) and subtract the quotient from the product of subparagraph a. The remainder shall not be less than zero (0).
- c. Multiply the number of mills levied for general fund purposes above the fifteen (15) mills required to support Foundation Aid, not including the county four-mill levy, by the remainder of subparagraph b. The product shall be the Salary Incentive Aid of the district.

C. For the 1990-91 school year, and for each school year thereafter, any school district with a membership that is at least one and one-half percent (1 1/2%) greater than the higher membership of the preceding two (2) years of the school district shall receive a midterm supplement in State Aid to be determined as follows:

1. For the 1990-91 school year, and for each school year thereafter, for each additional pupil in membership which equals or exceeds the one and one-half percent (1 1/2%) increase over the higher number of pupils in membership of the preceding two years, the district shall receive funding to be determined as follows:

- a. Multiply each additional pupil in membership as provided in this paragraph by the Base Foundation Support Level for the current school year, and
- b. Multiply each additional pupil in membership as provided in this paragraph by the Incentive Aid guarantee for the current school year times twenty (20), and
- c. Sum the products of subparagraphs a and b of this paragraph.

Data used for the calculation for the midterm supplement shall be that which is reported on the Accrediting Report of the school district on September 15th and received by the State Department of Education by October 1st of the school year for which the midterm supplement is to be paid as compared to the Accrediting Report data for the higher of the two (2) preceding years.

The data contained in the Accrediting Report for all qualifying school districts shall be audited by the State Department of Education. If a district does not qualify for a midterm supplement using the Accrediting Report data they may request an audit of the data by the State Department of Education. If, based on the post-audit data, the district is entitled to receive a midterm supplement, or if any school district's post-audit midterm supplement calculation differs from the amount of the supplement paid, the State Department of Education shall adjust the district's State Aid payments during the remainder of the school year for which the midterm supplement was paid in order to reconcile the supplement with the post-audit calculation.

2. Pupils shall not be included in the membership calculation if such pupils are enrolled for the current year in a grade level which was not taught in that school district during the preceding school year.

3. School districts which have been involved in any annexation or consolidation with other school districts during the school year for which the midterm supplement is to be calculated, or in the preceding school year, shall qualify for midterm growth as if annexed or consolidated membership had been enrolled in the current district for the preceding two (2) years.

4. For any district qualifying for the midterm supplement, if the funds received pursuant to the provisions of Section 18-112.2 of Title 70 of the Oklahoma Statutes are in excess of the funds to be received pursuant to the provisions of this subsection, the district

shall receive no midterm supplement. If the funds received pursuant to the provisions of Section 18-112.2 of Title 70 of the Oklahoma Statutes are less than the funds to be received pursuant to the provisions of this subsection, the midterm supplement shall be the difference between these two amounts.

5. Beginning with the 1992-93 school year, and for each year thereafter, any district which qualifies for a midterm supplement shall have deducted from the supplement an amount equal to the amount of carryover in the district's general fund as of June 30 for the most recent fiscal year data is available that is in excess of the standards set out in subsection E of this section.

6. If funds appropriated to the State Board of Education for the purpose of paying the midterm supplement in State Aid are not sufficient to fully fund the amount determined by this subsection, each school district which qualifies for such funding shall receive a proportionate reduction in funding.

D. In the event that ad valorem taxes of a school district are determined to be uncollectible because of bankruptcy, clerical error, or a successful tax protest, and the amount of such taxes deemed uncollectible exceeds Fifty Thousand Dollars (\$50,000.00) or an amount greater than twenty-five percent (25%) of ad valorem taxes per tax year, the school district's State Aid shall be determined by subtracting the net assessed valuation of the property upon which taxes were deemed uncollectible from the assessed valuation of the school district and the state. Upon request of the local board of education, it shall be the duty of the county assessor to certify to the Director of Finance of the State Department of Education the net assessed valuation of the property upon which taxes were determined uncollectible.

E. Beginning with the 1992-93 school year, and for each year thereafter, notwithstanding the provisions of Section 18-112.2 of this title, a school district shall have its State Aid reduced by an

amount equal to the amount of carryover in the district's general fund as of June 30 for the most recent fiscal year data is available, that is in excess of the following standards:

Total Amount of <u>General Fund</u>	Amount of General Fund Balance <u>Allowable</u>
Less than \$1,000,000	40%
\$1,000,000 to \$4,999,999	20%
\$5,000,000 to \$10,000,000	12%
More than \$10,000,000	8%

F. For the purposes of paying State Aid for the 1990-91 school year, no child shall be included in the average daily membership of a school district for the 1988-89 or 1989-90 school year if the child is being served during the 1990-91 school year through the provisions of the Oklahoma Early Intervention Act. Funds generated by the State Aid Formula on behalf of students who are served through the provisions of the Oklahoma Early Intervention Act shall be transferred from Financial Support of Public Schools to the Oklahoma Early Intervention Revolving Fund created pursuant to Section 13-124.1 of this title.

G. State Aid shall be reallocated after the first nine (9) weeks of the 1990-91 school year based upon child counts for early childhood education programs pursuant to Section 61 of this act.
