Section 3-415. A. 1. The Alcohol and Drug Abuse Prevention, Training, Treatment and Rehabilitation Authority shall promulgate regulations and standards for certification for private facilities and organizations which provide treatment, counseling, rehabilitation, and other related services directed toward alcohol- and drug-dependent persons. These facilities and organizations shall be known as "Certified Services for the Alcohol and Drug Dependent". Only certified facilities may receive and assist alcohol- and drug-dependent persons by providing treatment,

rehabilitation, and other related services to alcohol- and drug-dependent persons.

2. Any person violating the requirement that only certified facilities may receive and assist alcohol- and drug-dependent persons by providing treatment, rehabilitation, and other related services to alcohol- and drug-dependent persons, upon conviction, shall be guilty of a misdemeanor.

3. Applications for certification as a certified service for the alcohol- and drug-dependent person pursuant to the provisions of this section shall be made to the Alcohol and Drug Abuse Prevention, Training, Treatment and Rehabilitation Authority on prescribed forms. The Authority may certify the facility for a period of twelve (12) months subject to renewal as provided.

B. For good cause shown, including but not limited to failure to comply with regulations and standards promulgated by the Authority, pending state or federal investigations, verified complaints concerning matters affecting the proper operation or ownership of the facility the Authority may postpone, deny, or withdraw the certification of the facility.

C. ~~Excepted from certification regulations are licensed~~ Licensed physicians, licensed psychologists, licensed social workers, individual members of the clergy, and certified alcohol or drug abuse counselors are exempted from the certification regulations, provided that these exemptions apply only to individual professional persons in their private practice and not to any treatment facility operated by such person. Properly licensed hospitals, programs operated by the State Department of Health or Department of Human Services, programs conducted and facilities operated by Alcoholics Anonymous, the Department of Mental Health and Substance Abuse Services, or the Salvation Army are also exempt from the provisions of the Oklahoma Alcohol and Drug Abuse Services Act.

D. Certified services for the alcohol- or drug-dependent person shall comply with standards adopted by the Alcohol and Drug Abuse Prevention, Training, Treatment and Rehabilitation Authority. Such standards shall require that treatment and therapeutic methods shall be in compliance with:

1. The Joint Commission on Accreditation of Healthcare Organizations;

2. The Commission on Accreditation of Rehabilitation Facilities; or

3. Approved medical and professional standards as determined by the Mental Health and Substance Abuse Services Board.

The Board may require a precertification review of any new applications that appear to use nontraditional methods of treatment. The Board may select an independent, recognized authority in Oklahoma to review such programs to make recommendations to the Board as to the validity of the proposed program. The organization certified to provide certified services shall cooperate with inspection personnel of the state and shall promptly file all reports required by the Alcohol and Drug Abuse Prevention, Training, Treatment and Rehabilitation Authority. Failure to comply with regulations and standards promulgated by the Authority shall be grounds for revocation of certification and licensing, after proper notice and hearing.

E. All claims by and accomplishments publicized by any applicant for certification or any certified alcohol- or drug-dependent organization, including but not limited to patient count and success rates, must be documented and verifiable by the Board.

F. The Alcohol and Drug Abuse Prevention, Training, Treatment and Rehabilitation Authority is hereby authorized to collect from each applicant the sum of One Hundred Dollars (\$100.00) annually to help defray the costs incurred in the certification procedure.

SECTION 2. It being immediately necessary for the preservation of the public peace, health and safety, an emergency is hereby declared to exist, by reason whereof this act shall take effect and be in full force from and after its passage and approval.
