

STATE OF OKLAHOMA

2nd Session of the 43rd Legislature (1992)

HOUSE BILL NO. 2055

BY: ROACH

AS INTRODUCED

AN ACT RELATING TO SCHOOLS; AMENDING 70 O.S. 1991,  
SECTION 7-105, WHICH RELATES TO SCHOOL DISTRICT  
CONSOLIDATION; REQUIRING A VOCATIONAL-TECHNICAL  
AREA SCHOOL DISTRICT MEMBERSHIP ELECTION; PROVIDING  
PROCEDURE FOR ELECTION; PROVIDING AN EFFECTIVE  
DATE; AND DECLARING AN EMERGENCY.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. AMENDATORY 70 O.S. 1991, Section 7-105, is amended to read as follows:

Section 7-105. A. Two or more school districts may, whether adjacent or not adjacent, be consolidated into a single school district in accordance with standards, rules and procedures to be determined by the State Board of Education. When the consolidation of two or more school districts is proposed, the State Board of Education shall conduct such studies of the populations, wealth, terrain, trade areas and other factors as may be necessary to determine the location of boundaries and the size of a proposed district which will most nearly ensure an efficient and economical administrative unit. The State Board of Education shall furnish the boards of education of the school districts which might be involved

information and advice as to where the boundaries and what the size of the proposed new district should be. Nothing herein shall be construed to prevent the inclusion within a school district of territory lying within the boundaries of two or more counties.

Ten percent (10%) of the qualified school electors in any district may petition the board of education of such district to request such information, or a board of education of such district may on its own initiative ask for information and advice from the State Board of Education on the educational advantages and disadvantages of proposed consolidation to the children and residents of the area which might be affected. Upon the receipt of such a petition, the local board of education shall request the services of the State Board of Education and shall notify the boards of education in adjacent school districts that such a request has been made. The State Board of Education may on its own initiative make the study herein authorized of any area of the state and direct the board of education of such school districts as might be involved to set into operation in their districts the procedure for determining what, if any, consolidation should be carried on in the area under study.

Provided any rules or procedures which the State Board of Education may prescribe for consolidation of school districts shall include the opportunity for the qualified school electors in the school districts involved to express their wishes through a majority vote of the school electors in the entire territory involved.

Provided, an election for such purpose shall be held either upon:

1. a petition for consolidation, signed by forty percent (40%) of the school district electors of each school district included in the proposed consolidation, said percentage being applied to the highest number of voters voting in a regular school election in the district in the preceding five (5) years as determined by the

secretary of the county election board, which shall certify the adequacy of the number of signatures on the petition; or

2. the concurrence of the boards of education of the school districts included in the proposed consolidation, as shown by a resolution adopted by each board.

The election shall be called by the State Board of Education and conducted in accordance with the general election laws of this state. Any vote to consolidate two or more districts, shall require a majority vote of those voting in each school district involved. When such a majority vote is in favor of consolidation, the State Board of Education shall declare the participating school districts ~~dissolve~~ dissolved and the new school district established, and the newly formed district shall thereupon be governed by the provisions of the Oklahoma School Code. Provided, the State Superintendent of Public Instruction or his designee shall convene the members of the boards of the districts forming the new district, who shall be given the opportunity of selecting from among themselves the initial board of education for the new district, selecting the number of members and designating the initial terms of service of each as required to conform to law; provided, the members convened shall have the option of forming a seven-member board pursuant to the provisions of Section 5-107A of this title rather than a board of the size otherwise provided by law. Within ten (10) days following the declaration of establishment of the new district, the State Superintendent or his designee shall declare the agreement or shall declare that such agreement has not been reached, in which case persons serving as members of the board of education of the participating district having the largest number of enumerated children as shown by the last regular enumeration shall serve as members of the board of education of the newly formed district for the terms for which they were elected and until their successors have been duly elected or appointed and have qualified.

All liabilities, assets, powers and duties of the participating districts shall become the responsibility of the new school district, which district shall be the legal successor in every respect to the school districts participating in the consolidation in accordance with law.

B. When an election is called to vote on consolidation of two or more districts, the qualified school electors in the school districts involved shall also vote on vocational-technical area school district membership. If the school districts involved are in different area school districts the voters shall select membership in one of the area school districts. If at least one of the school districts has a majority of its territory located in an area school district and one or more of the other districts to be consolidated is not a part of an area school district, the voters shall determine whether membership of the new district shall continue in that area school district or in a different area school district.

SECTION 2. This act shall become effective July 1, 1992.

SECTION 3. It being immediately necessary for the preservation of the public peace, health and safety, an emergency is hereby declared to exist, by reason whereof this act shall take effect and be in full force from and after its passage and approval.
