SECTION 5, WHICH RELATES TO THE GOOD SAMARITAN ACT;

EXEMPTING CERTAIN HOSPITALS FROM LIABILITY UNDER

CERTAIN CIRCUMSTANCES; AND DECLARING AN EMERGENCY.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. AMENDATORY 76 O.S. 1991, Section 5, is amended to read as follows:

Section 5. ~~(a)~~ A. Everyone is responsible, not only for the result of his willful acts, but also for an injury occasioned to another by his want of ordinary care or skill in the management of his property or person, except so far as the latter has, willfully or by want of ordinary care, brought the injury upon himself, and except as hereinafter provided.

~~(1)~~ 1. Where no prior contractual relationship exists, any person licensed to practice any method of treatment of human ailments, disease, pain, injury, deformity, mental or physical condition, or licensed to render services ancillary thereto, including licensed registered and practical nurses, who, under emergency circumstances that suggest the giving of aid is the only alternative to probable death or serious bodily injury, in good faith, voluntarily and without compensation, renders or attempts to

render emergency care to an injured person or any person who is in need of immediate medical aid, wherever required, shall not be liable for damages as a result of any acts or omissions except for committing gross negligence or willful or wanton wrongs in rendering the emergency care.

~~(2)~~ 2. Where no prior contractual relationship exists, any person who in good faith renders or attempts to render emergency care consisting of artificial respiration, restoration of breathing, or preventing or retarding the loss of blood, or aiding or restoring heart action or circulation of blood to the victim or victims of an accident or emergency, wherever required, shall not be liable for any civil damages as a result of any acts or omissions by such person in rendering the emergency care.

~~(3)~~ 3. Where no prior contractual relationship exists, any person licensed to perform surgery or dentistry in this state who in good faith renders emergency care requiring the performance of an operation or other form of surgery upon any individual who was the victim of an accidental act shall not be liable for any civil damages or subject to criminal prosecution as the result of nonconsent whereby such person renders or attempts to render the emergency surgery or operation voluntarily and without compensation, wherever required, except for gross negligence or willful or wanton wrongs committed in rendering the care; provided, however, that the exemption granted by this subsection shall not attach if the victim is an adult who is conscious and capable of giving or refusing his consent; or if the victim's spouse, or parent, or guardian in the case of a minor or incompetent person, can be reached in a reasonable time considering the condition of the victim and consistent with good medical practice, and unless concurrence is obtained for such emergency surgery or operation from one other person licensed to perform surgery in this state.

~~(4)~~ 4. Where no contractual relationship exists, any person, or any member of his immediate family or household, who has been approved by the local P.T.A. or other local sponsoring agency or organization, who has registered with the local municipal police chief or the county sheriff, and who has been granted appropriate authorization by either the police chief or the county sheriff to indicate by sign in the window of his home or in any other tangible or identifiable manner that he will extend aid and refuge to persons on the streets in apparent danger, or in need of aid, by inviting those persons into the person's home, or onto premises thereof, and in good faith provides such refuge or aid without objection of the endangered or needy person, whether child or adult, neither the person extending the aid and refuge nor the homeowner or head of household shall be liable for civil damages as a result of actions or omissions in rendering emergency physical care to the body of the aided person; nor shall they be liable for civil damages for any other injury in the home, or on premises thereof, to the person aided, nor for any failure to provide or arrange for his police protection or other protection or medical treatment, when the actions or omissions were those of an ordinarily reasonably prudent person under the circumstances without want of ordinary care or skill.

5. Any public or private hospital in this state which has established an emergency response network wherein the hospital trains volunteers in emergency medical care and notifies the volunteers of emergencies requiring such care in order for the volunteers to provide such care, shall not be liable for injuries or damages as a result of any acts or omissions by such volunteers in the rendering of the emergency medical care, except where the hospital was grossly negligent in the training of such volunteers in providing emergency medical care.

~~(b)~~ B. This act shall be known and may be cited as the "Good Samaritan Act."

SECTION 2. It being immediately necessary for the preservation of the public peace, health and safety, an emergency is hereby declared to exist, by reason whereof this act shall take effect and be in full force from and after its passage and approval.
