COMMITTEE SUBSTITUTE

FOR HOUSE BILL NO. 2006

By: Adair of the House

and

Stipe of the Senate

COMMITTEE SUBSTITUTE

An Act relating to roads, bridges and ferries; amending 69 O.S. 1991, Section 901, which relates to construction and maintenance of streets; allowing Department of Transportation to perform certain construction, improvements or maintenance of certain streets; requiring municipalities to follow certain standards when repairing certain highways; providing for municipalities to pay for certain repairs; providing for Department of Transportation to make repairs; authorizing Department of Transportation to charge municipality for repair expenses; and providing an effective date.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. AMENDATORY 69 O.S. 1991, Section 901, is amended to read as follows:

Section 901. The Commission shall pay the cost of or perform the act of constructing, improving or maintaining municipal streets where such streets are a continuation of the state or federal highway system and the cost of installation, repair and maintenance of signs and lane marking for municipal streets where such streets are a continuation of the state or federal highway system. The Commission shall not pay the cost of mowing the right-of-way; drainage systems and facilities; or curbs, sidewalks or driveways of any such street. When a municipality performs construction or maintenance operations within the right-of-way which affects or involves the removal of the surface, grade or subgrade of the highway, the municipality shall, at the expense of the municipality, restore the surface, grade or subgrade of the highway in accordance with the standards and specifications set forth by the Department of Transportation. If the municipality

fails to restore the surface, grade or subgrade of the highway in accordance with the standards and specifications set forth by the Department of Transportation, the Department of Transportation shall restore the highway and charge the municipality for all expenses associated therewith. The Commission may participate in or pay the cost of lighting and electronic traffic control devices for municipal streets where such streets are a continuation of the state or federal highway system.

SECTION 2. This act shall become effective September 1, 1994.
