COMMITTEE SUBSTITUTE

( Solid waste and hazardous waste - amending 63 O.S.,  
Section 1-2005.3A - fees - amending 68 O.S., Sections  
53002 and 53003 - codification -  
emergency )

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. AMENDATORY 63 O.S. 1991, Section 1-2005.3A,  
as last amended by Section 15 , Chapter 403, O.S.L. 1992 (63 O.S.  
Supp. 1992, Section 1-2005.3A), is amended to read as follows:

Section 1-2005.3A A. Every hazardous waste treatment  
facility, storage facility, underground injection facility, ~~or~~ or  
other disposal facility, or off-site facility that recycles  
hazardous waste subject to the provisions of the Oklahoma  
Hazardous Waste ~~Disposal~~ Management Act shall pay an annual fee on  
the amount of hazardous waste managed by such facility to the  
~~State~~ Department of ~~Health~~ Environmental Quality for deposit in  
the ~~Public Health Special~~ Department of Environmental Quality  
Revolving Fund.

1. Such fees shall be, subject to the qualifications provided  
in ~~paragraph~~ paragraphs 2 through 6 of this subsection:

- a. For hazardous waste generated within the State of  
Oklahoma, Nine Dollars (\$9.00) per ton for on-site  
or off-site storage, treatment or land disposal.
- b. For hazardous waste generated within the State of  
Oklahoma, or elsewhere in the case of regeneration,  
Four Dollars (\$4.00) per ton for off-site recycling.

- c. For hazardous waste generated within the State of Oklahoma, three cents (\$0.03) per gallon for on-site or off-site underground injection.
- d. (1) Effective ~~May~~ July 1, 1993, the fee applicable to waste generated outside the State of Oklahoma except as provided in subparagraph b of this paragraph shall be based on the primary purpose for which the waste is imported into the State of Oklahoma, and shall be a reciprocal fee at the rate of and in accordance with the method of imposition of the tax or fee imposed on the storage, treatment, disposal or recycling of such waste in the state, country or territory where the waste was generated, as determined by the ~~State~~ Department of ~~Health~~ Environmental Quality. In no case, however, shall the fee levied on hazardous waste generated outside the State of Oklahoma be less than the rate charged at the time of its storage, treatment, disposal or recycling for hazardous waste generated and stored, treated, disposed or recycled in the State of Oklahoma.
- (2) Any person storing, treating, disposing, or recycling such hazardous waste in the State of Oklahoma shall file with the ~~State~~ Department of ~~Health~~ Environmental Quality an affidavit showing the applicable tax or fee for any hazardous waste received from another state, country or territory had it been stored, treated, or disposed of in a like manner in that state, country or territory. In preparing the required affidavit, the recipient of the waste is legally entitled to rely upon all information contained in the manifest document accompanying the shipment of waste.

2. There shall be a minimum fee per facility as follows:

- a. Except as provided in subparagraph d of this paragraph, any person owning or operating an off-site hazardous waste treatment facility, storage facility, or disposal facility shall pay a total fee of not less than Fifty Thousand Dollars (\$50,000.00) each state fiscal year.
- b. Any person owning or operating an on-site hazardous waste treatment facility, storage facility, or disposal facility shall pay a total fee of not less than Twenty Thousand Dollars (\$20,000.00) each state fiscal year; provided, the annual fee for the on-site disposal of hazardous waste by underground injection shall not exceed Fifty Thousand Dollars (\$50,000.00).
- c. Any person owning or operating an off-site facility for the recycling of hazardous waste shall pay a total fee of not less than Fifty Thousand Dollars (\$50,000.00) each state fiscal year.
- d. Any person owning or operating an off-site facility which accepts hazardous waste exclusively for the purpose of conducting research and design tests shall pay a total fee of not less than Ten Thousand Dollars (\$10,000.00) each state fiscal year.

3. Off-site facilities may charge persons contracting for the services of the facility their proportional share of the fees required by the provisions of this section.

4. The facility shall become liable for payment of the fee on each ton or gallon of hazardous waste at the time it is received. The fee shall be payable by the facility to the Department of ~~Health~~ Environmental Quality only as provided for in subsection C of this section.

5. The fee imposed by the provisions of this section shall be payable by the facility only once without regard to any subsequent handling of the hazardous waste. The fee shall be based on the purpose for which the waste was generated by or brought to the facility. In no event shall a facility be required to pay a fee

on each step or process involved in the storage, treatment, recycling or disposal of the waste at the facility or a related facility under common control.

6. In computing the amount of the fee specified in subparagraph b of paragraph 1 of this subsection ~~A of this section~~ for the off-site recycling or regeneration of hazardous waste, the assessment for regeneration shall be made on a dry weight basis.

B. The following facilities shall not be required to pay the fee required by the provisions of this section:

1. Facilities engaged only in the on-site recycling of hazardous waste; and

2. Facilities which have not generated or received new hazardous waste within the preceding state fiscal year.

C. Payment of the fees required by this section shall be due quarterly for hazardous waste received by the facility during the prior quarter. Such quarterly payments shall be due on the first day ~~of the month of the~~ following the quarter ~~during the state fiscal year~~ in which the hazardous waste is received. ~~All payments~~ Each payment shall be made within thirty (30) days from the date it becomes due.

D. ~~The~~ For facilities required to pay fees pursuant to this section, the fees required by this section shall be paid in lieu of the monitoring fees imposed in paragraph 2 of subsection A of Section 1-2005.2 of this title. All facilities subject to the provisions of this section shall not be required to pay or collect any additional fees for waste disposal unless specifically required by the Oklahoma Hazardous Waste ~~Disposal~~ Management Act.

E. All fees and other monies received by the Department pursuant to the provisions of this section shall be expended solely for the purposes specified in this section.

1. Ten percent (10%) of the fees collected from an off-site hazardous waste facility pursuant to the provisions of this section shall be deposited to the credit of the Special Economic Development Trust Funds established pursuant to Section 1-2005.3C of this title. The funds for the Trusts accruing pursuant to the provisions of this section shall be distributed to each Trust

established in proportion to the fees generated by the off-site hazardous waste facilities within the Trust area.

2. Not less than ten percent (10%) of the fees collected pursuant to the provisions of this section shall be expended for one or more of the following purposes:

- a. contributions required from the state pursuant to the federal Comprehensive Environmental Response, Compensation and Liability Act for remediation or related action upon a site within the state,
- b. response, including but not limited to containment and removal, to emergency situations involving spillage, leakage, emissions or other discharge of hazardous waste or hazardous waste constituents to the environment where a responsible party cannot be timely identified or found or compelled to take appropriate emergency action to adequately protect human health and the environment,
- c. state-funded remediation of sites contaminated by hazardous waste or hazardous waste constituents so as to present a threat to human health or the environment, to the extent that a responsible party cannot be timely identified or found or compelled to take such action, or is unable to take such action,  
or
- d. costs incurred in pursuing an enforcement action to compel a responsible party to undertake appropriate response or remedial actions, or to recover from a responsible party monies expended by the state, as described in subparagraphs a through c of this paragraph.

3. The ~~State Commissioner of Health~~ Executive Director shall expend remaining monies received pursuant to the provisions of this section for one or more of the following purposes:

- a. the administration of the provisions of the Oklahoma Hazardous Waste ~~Disposal~~ Management Act,

- b. the development of an inventory of hazardous wastes currently produced in Oklahoma and management needs for the identified wastes,
- c. the implementation of information exchange, technical assistance, public information, and educational programs,
- d. the development and encouragement of waste reduction plans for Oklahoma waste generators, or
- e. increased inspection of hazardous waste facilities which may include full time inspectors at off-site hazardous waste facilities.

F. To the extent that fees received pursuant to this section shall exceed the purposes specified in subsection E of this section, ~~the Commissioner shall only~~ Executive Director may expend such funds for ~~one or more of the following purposes:~~

~~1. Contributions required from the state pursuant to the federal Comprehensive Environmental Response, Compensation and Liability Act for remediation or related action upon a site within the state;~~

~~2. Response, including but not limited to containment and removal, to emergency situations involving spillage, leakage, emissions or other discharge of hazardous waste or hazardous waste constituents to the environment where a responsible party cannot be timely identified or found or compelled to take appropriate emergency action to adequately protect human health and the environment;~~

~~3. State-funded remediation of sites contaminated by hazardous waste or hazardous waste constituents so as to present a threat to human health or the environment, to the extent that a responsible party cannot be timely identified or found or compelled to take such action, or is unable to take such action;~~

~~4. Costs incurred in pursuing an enforcement action to compel a responsible party to undertake appropriate response or remedial actions, or to recover from a responsible party monies expended by the state, as described in paragraphs 1 through 3 of this subsection; or~~

5.—~~Financial~~ financial assistance to municipalities or counties for the purposes and under the conditions specified in Section 1-2019 of this title.

SECTION 2. It being immediately necessary for the preservation of the public peace, health and safety, an emergency is hereby declared to exist, by reason whereof this act shall take effect and be in full force from and after its passage and approval.
