determination by the Department that the recipient cannot reasonably be expected to be discharged and returned home.

C. Upon certification for medical assistance payments for nursing facility care, care in an intermediate care facility for the mentally retarded or care in another medical institution, the Department shall provide written notice to the recipient that:

1. A one-year period of compensated inpatient care at a nursing facility, an intermediate care facility for the mentally retarded or other medical institution shall constitute a determination by the Department that the recipient cannot reasonably be expected to be discharged and returned home;

2. A lien will be filed against the recipient's real property pursuant to the provisions of this section and that the amount of the lien shall be for the amount of medical assistance paid by the Department from the date the recipient became eligible for compensated inpatient care at a nursing facility, intermediate care facility for the mentally retarded or other medical institution until the time of the filing of the lien and for any amount paid thereafter for such medical assistance to the recipient; and

3. The recipient is entitled to notice and opportunity for a hearing with the Department of Human Services prior to the filing of the lien pursuant to this section.

The notice shall, also, contain an explanation of the lien and the effect the lien will have on the real property of the recipient.

D. The lien filed pursuant to subsection F of this section shall be for the amount of medical assistance paid beginning the date the recipient became eligible for compensated inpatient care from a nursing facility, intermediate care facility for the mentally retarded or other medical institution until the time of the filing of the lien and for any amount paid thereafter for such medical assistance to the recipient.

E. The Department shall not file a lien on the homestead of the recipient pursuant to subsection F of this section while the homestead is the lawful residence of:

1. The spouse of the recipient;
2. A child of the recipient, natural or adopted, who is twenty (20) years of age or less;
3. An adult child of the recipient, natural or adopted, who is blind or disabled as defined by the Department; or
4. A brother or sister of the recipient who has an equity interest in the home and who was residing in the home for at least one (1) year immediately preceding the date the recipient was admitted to the nursing facility, intermediate care facility for the mentally retarded or other medical institution and has resided there on a continuous basis since that time.

J. The payment of medical assistance on behalf of the recipient by the Department shall constitute a waiver of the homestead rights of the recipient for the purposes of this section and Article XII of the Oklahoma Constitution.

K. The debt to the Department may also be recovered from the estate of the recipient.

If a recipient was fifty-five (55) years of age or older when payments of medical assistance were made by the Department on behalf of the recipient, the Department shall seek recovery from the recipient's estate for nursing facility services, home and community-based services and related hospital and prescription drug services.
