a. to provide restitution to the victim according to a schedule of payments established by the sentencing

court, together with interest upon any pecuniary sum at the rate of twelve percent (12%) per annum, if the defendant agrees to pay such restitution or, in the opinion of the court, if he is able to pay such restitution without imposing manifest hardship on the defendant or his immediate family and if the extent of the damage to the victim is determinable with reasonable certainty,

- b. to reimburse any state agency for amounts paid by the state agency for hospital and medical expenses incurred by the victim or victims, as a result of the criminal act for which such person was convicted, which reimbursement shall be made directly to the state agency, with interest accruing thereon at the rate of twelve percent (12%) per annum,
