- e. for those members who retired prior to July 1, 1993, the limit on allowed earnings from public schools of Oklahoma shall be the lesser of Ten Thousand Dollars (\$10,000.00) or one-half (1/2) of the member's final average salary used in computing retirement benefits until the Earnings Limitation for employees allowed by the Social Security Administration would be greater,
- f. for those members age seventy (70) years and over, the earnings in excess of the maximum limit allowed earnings from public schools of Oklahoma shall be one-half (1/2) the member's final average salary used in computing retirement benefits. B. For purposes of this section, post-retirement employment of less than one thousand (1,000) hours per year with the Governor, the State Senate, the House of Representatives or the Legislative Service Bureau shall not be considered as post-retirement employment with a public school of Oklahoma.
