

ENROLLED HOUSE  
BILL NO. 1279

By: Adair and Hilliard of  
the House

and

Stipe of the Senate

An Act relating to roads, bridges and ferries; amending 69 O.S. 1991, Section 701, which relates to preparation and adoption of standard design plans; modifying procedures and requirements for adoption of design standards for certain highways and bridges; including certain roads and bridges in adoption of certain design standards; amending 69 O.S. 1991, Section 4026, which relates to the Oklahoma Traveler Information Logo Signing Act of 1988; providing for certain contract requirement; and providing an effective date.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. AMENDATORY 69 O.S. 1991, Section 701, is amended to read as follows:

Section 701. The Department shall cause to be prepared, ~~and shall adopt~~ state design standards, standard plans and standard specifications for the establishment, design, construction, and maintenance of the state highways and bridges which are not on the interstate or national highway system within this state. ~~Such plans~~ Plans and specifications shall be uniform, and may be amended, from time to time, as the Department deems advisable; ~~and shall conform, as closely as practicable, to those adopted by the American Association of State Highway Officials.~~ Design standards, when adopted by the Transportation Commission and accepted by the Federal Highway Administration, shall constitute the current recognized design standard for such highways in this state.

SECTION 2. AMENDATORY 69 O.S. 1991, Section 4026, is amended to read as follows:

Section 4026. All contracts made by the Department of Transportation with the contractor shall provide the following:

1. A requirement that the contractor obtain liability insurance in an amount determined by the Department which shall jointly insure the State of Oklahoma and the contractor against all liability for claims for damages occurring wholly or in part because of the contract; ~~and~~

2. Standards for the size, design, erection and maintenance of service information signs and the advertising logos thereon, which shall be in accordance with the National Manual on Uniform Traffic Control Devices; and

3. A requirement that the Department of Transportation shall receive ten percent (10%) of the contract price between the contractor and the advertiser.

SECTION 3. This act shall become effective September 1, 1993.

Passed the House of Representatives the 17th day of May, 1993.

Speaker of the House of  
Representatives

Passed the Senate the 19th day of May, 1993.

President of the Senate
