3. Salary Incentive Aid shall be determined as follows:

- a. Multiply the Incentive Aid guarantee by the district's weighted average daily membership as determined by the provisions of subsection A of Section 18-201 of this

title and paragraphs 1, 2, 3 and 4 of subsection B of Section 18-201 of this title. For the ~~1992-93~~ 1993-94 school year, the Incentive Aid guarantee shall be ~~Fifty-three Dollars and fourteen cents (\$53.14)~~ Fifty-five Dollars and twelve cents (\$55.12).

- b. Divide the district's adjusted assessed valuation by one thousand (1,000) and subtract the quotient from the product of subparagraph a of this paragraph. The remainder shall not be less than zero (0).
- c. Multiply the number of mills levied for general fund purposes above the fifteen (15) mills required to support Foundation Aid, not including the county four-mill levy, by the remainder of subparagraph b of this paragraph. The product shall be the Salary Incentive Aid of the district.

C. For the 1990-91 school year, and for each school year thereafter, any school district with a membership that is at least one and one-half percent (1 1/2%) greater than the higher membership of the preceding two (2) years of the school district shall receive a midterm supplement in State Aid to be determined as follows:

1. For the 1990-91 school year, and for each school year thereafter, for each additional pupil in membership which equals or exceeds the one and one-half percent (1 1/2%) increase over the higher number of pupils in membership of the preceding two years, the district shall receive funding to be determined as follows:

- a. Multiply each additional pupil in membership as provided in this paragraph by the Base Foundation Support Level for the current school year, and
- b. Multiply each additional pupil in membership as provided in this paragraph by the Incentive Aid guarantee for the current school year times twenty (20), and
- c. Sum the products of subparagraphs a and b of this paragraph.

Data used for the calculation for the midterm supplement shall be that which is reported on the Accrediting Report of the school district on September 15th and received by the State Department of Education by October 1st of the school year for which the midterm supplement is to be paid as compared to the Accrediting Report data for the higher of the two (2) preceding years.

The data contained in the Accrediting Report for all qualifying school districts shall be audited by the State Department of Education. If a district does not qualify for a midterm supplement using the Accrediting Report data they may request an audit of the data by the State Department of Education. If, based on the post-audit data, the district is entitled to receive a midterm supplement, or if any school district's post-audit midterm supplement calculation differs from the amount of the supplement paid, the State Department of Education shall adjust the district's State Aid payments during the remainder of the school year for which the midterm supplement was paid in order to reconcile the supplement with the post-audit calculation.

2. Pupils shall not be included in the membership calculation if such pupils are enrolled for the current year in a grade level which was not taught in that school district during the preceding school year.

3. School districts which have been involved in any annexation or consolidation with other school districts during the school year for which the midterm supplement is to be calculated, or in the preceding school year, shall qualify for midterm growth as if

annexed or consolidated membership had been enrolled in the current district for the preceding two (2) years.

4. For any district qualifying for the midterm supplement, if the funds received pursuant to the provisions of Section 18-112.2 of ~~Title 70 of the Oklahoma Statutes~~ this title are in excess of the funds to be received pursuant to the provisions of this subsection, the district shall receive no midterm supplement. If the funds received pursuant to the provisions of Section 18-112.2 of ~~Title 70 of the Oklahoma Statutes~~ this title are less than the funds to be received pursuant to the provisions of this subsection, the midterm supplement shall be the difference between these two amounts.

5. Beginning with the 1992-93 school year, and for each year thereafter, any district which qualifies for a midterm supplement shall have deducted from the supplement an amount equal to the amount of carryover in the district's general fund as of June 30 of the preceding fiscal year that is in excess of the standards set out in subsection E of this section.

Upon request of the local board of education, it shall be the duty of the county assessor to certify to the Director of Finance of the State Department of Education the net assessed valuation of the property upon which taxes were determined uncollectible.

2. In the event that the amount of funds a school district receives for reimbursement from the Ad Valorem Reimbursement Fund is less than the amount of funds claimed for reimbursement by the school district due to insufficiency of funds as provided in Section 193 of Title 62 of the Oklahoma Statutes, then the school district's assessed valuation for the school year that such ad valorem reimbursement is calculated in the State Aid ~~purposes~~ Formula shall be adjusted accordingly.
