Section 1505. The following procedures shall be used by counties for the requisition, purchase, lease-purchase, rental, and receipt of supplies, materials, and equipment for the maintenance, operation, and capital expenditures of county government unless otherwise provided for by law.

A. The procedure for requisitioning items for county offices shall be as follows:

2. The requesting department shall retain a copy of the requisition and forward the original requisition and a copy to the county purchasing agent; and

3. Upon receipt of the requisition, the county purchasing agent, within two (2) working days, shall begin the bidding and purchasing process as provided for in this section. Nothing in this section shall prohibit the transfer of supplies, materials, or

equipment between county departments upon a written agreement between county officers.

B. The bid procedure for selecting a vendor for the purchase, lease-purchase, or rental of supplies, materials, and equipment used by a county shall be as follows:

1. The county purchasing agent shall request written recommendations from all county officers pertaining to commonly used supplies, materials, and equipment. From such recommendations and available requisition, purchase, or inventory records, the county purchasing agent shall prepare a list of items commonly used by county officers. The county purchasing agent shall request from the Purchasing Division of the ~~Office of Public Affairs~~ Department of Central Services all contracts quoting the price the state is paying for said items. The county purchasing agent shall either request the Purchasing Division of the ~~Office of Public Affairs~~ Department of Central Services to make the purchase for the county or solicit bids for unit prices on said items for periods of not to exceed twelve (12) months in the manner described in paragraph 2 of this subsection. If the county purchasing agent receives a requisition for an item for which the county purchasing agent does not have a current bid, the county purchasing agent shall request from the Purchasing Division of the ~~Office of Public Affairs~~ Department of Central Services all contracts quoting the price the state is paying for the item. The county purchasing agent shall either request the Purchasing Division of the ~~Office of Public Affairs~~ Department of Central Services to make the purchase for the county or solicit bids in the manner described in paragraph 2 of this subsection. Nothing in this paragraph shall prohibit bids from being taken on an item currently on a twelve-month bid list, at any time deemed necessary by the county purchasing agent. Whenever the county purchasing agent deems it necessary to take a bid on an item currently on a twelve-month bid list, the reason for the bid shall be entered into the minutes of the board of county commissioners-;

2. Bids shall be solicited by mailing a notice to all persons or firms who have made a written request of the county purchasing agent that they be notified of such bid solicitation and to all other persons or firms who might reasonably be expected to submit bids. Notice of solicitation of bids shall also be published one time in a newspaper of general circulation in the county. Notices shall be mailed and published at least ten (10) days prior to the date on which the bids are opened. Proof of the mailing shall be made by the affidavit of the person mailing the request for bids and shall be made a part of the official records of the county purchasing agent. Whenever any prospective supplier or vendor dealing in or listing for sale any particular item or article required to be purchased or acquired by sealed bids fails to enter or offer a sealed bid for three successive bid solicitations, the name of the supplier or vendor may be dropped from the mailing lists of the board of county commissioners-;

3. The board of county commissioners shall keep a written record of the meeting as required by law, and any time the lowest bid was not considered to be the lowest and best bid, the reason for said conclusion shall be recorded. The quotes shall be recorded on a form prescribed by the State Auditor and Inspector and shall be attached to the purchase order and filed with the county clerk's copy of the purchase order. Any time the lowest quote was not considered to be the lowest and best quote, the reason for this conclusion shall be recorded by the county purchasing agent and transmitted to the county clerk, or
- c. if three quotes are not available, a memorandum to the county clerk from the county purchasing agent shall describe the basis upon which a purchase is authorized. The memorandum shall state the reasons why the price for such a purchase is the lowest and best under the circumstances. The county clerk shall then attach the memorandum to the county clerk's copy of the purchase order and file both in the office of the county clerk.
