Supp. 1994, Sections 3101.4, 3101.9, 3101.10, 3101.12 and 3101.15), which relate to advance directives; adding designation for donation of body, organs or body parts in an advance directive; requiring provision of requested treatment pending transfer to a willing provider; providing for prior executed directives; and providing an effective date.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

B. An advance directive shall be in substantially the following form:

Advance Directive for Health Care

I, \_\_\_\_\_, being of sound mind and eighteen (18) years of age or older, willfully and voluntarily make known my desire, by my instructions to others through my living will, or by my appointment of a health care proxy, or both, that my life shall not be artificially prolonged under the circumstances set forth below. I thus do hereby declare:

I. Living Will

a. If my attending physician and another physician determine that I am no longer able to make decisions regarding my medical treatment, I direct my attending physician and other health care providers, pursuant to the Oklahoma Rights of the Terminally Ill or Persistently Unconscious Act, to withhold or withdraw treatment from me under the circumstances I have indicated below by my signature. I understand that I will be given treatment that is necessary for my comfort or to alleviate my pain.

b. If I have a terminal condition:

(1) I direct that life-sustaining treatment shall be withheld or withdrawn if such treatment would only prolong my process of dying, and if my attending physician and another physician determine that I have an

incurable and irreversible condition that even with the administration of life-sustaining treatment will cause my death within six (6) months. \_\_\_\_\_ (signature)

(2) I understand that the subject of the artificial administration of nutrition and hydration (food and water) that will only prolong the process of dying from an incurable and irreversible condition is of particular importance. I understand that if I do not sign this paragraph, artificially administered nutrition and hydration will be administered to me. If my health care proxy is unable or unwilling to serve, I appoint \_\_\_\_\_ as my alternate health care proxy with the same authority. My health care proxy is authorized to make whatever medical treatment decisions I could make if I were able, except that decisions regarding life-sustaining treatment can be made by my health care proxy or alternate health care proxy only as I indicate in the following sections.

b. If I have a terminal condition:

(1) I authorize my health care proxy to direct that life-sustaining treatment be withheld or withdrawn if

Such designation shall be specified and included as part of the advanced directive executed pursuant to the provisions of this section.

SECTION 2. AMENDATORY Section 9, Chapter 114, O.S.L. 1992 (63 O.S. Supp. 1994, Section 3101.9), is amended to read as follows:

Section 3101.9 An attending physician or other health care provider who is unwilling to comply with the Oklahoma Rights of the Terminally Ill or Persistently Unconscious Act shall as promptly as practicable take all reasonable steps to arrange care of the declarant by another physician or health care provider when the declarant becomes a qualified patient. If the patient's attending physician or other health care provider has administered treatment under the provisions of this act, but subsequently chooses to no longer treat the patient, such physician or health care provider must comply with the patient's advance directive pending the transfer of the patient to another physician or health care provider willing to comply with such directive. Nothing in this section may be construed to alter any legal obligation or lack of legal obligation of a physician or other health care provider to provide medical treatment, nutrition, or hydration to a patient who refuses or is unable to pay for them.

SECTION 3. AMENDATORY Section 10, Chapter 114, O.S.L. 1992 (63 O.S. Supp. 1994, Section 3101.10), is amended to read as follows:

Section 3101.10 A. In the absence of knowledge of the revocation of an advance directive, a person is not subject to civil or criminal liability or discipline for unprofessional conduct for carrying out the advance directive pursuant to the requirements of the Oklahoma Rights of the Terminally Ill or Persistently Unconscious Act.

B. A physician or other health care provider, whose actions under the Oklahoma Rights of the Terminally Ill or Persistently Unconscious Act are in accord with reasonable medical standards, is not subject to criminal or civil liability or discipline for unprofessional conduct with respect to those actions; provided, that this subsection may not be construed to authorize a violation of Section 3101.9 of this title.

C. An individual designated as a health care proxy, pursuant to Section 4 3101.4 of this ~~act~~ title, to make health care decisions for a declarant and whose decisions regarding the declarant are made in good faith pursuant to the Oklahoma Rights of the Terminally Ill or Persistently Unconscious Act, is not subject to criminal or civil liability, or discipline for unprofessional conduct with respect to those decisions.

SECTION 4. AMENDATORY Section 12, Chapter 114, O.S.L. 1992 (63 O.S. Supp. 1994, Section 3101.12), is amended to read as follows:

nor shall it affect, impair, or modify the terms of an existing policy of life insurance or annuity. A policy of life insurance or annuity shall not be legally impaired or invalidated in any manner by the withholding or withdrawal of life-sustaining treatment from an insured qualified patient, regardless of any term of the policy or annuity to the contrary.

C. A person shall not prohibit or require the execution of an advance directive as a condition for being insured for, or receiving, health care services.

D. The Oklahoma Rights of the Terminally Ill or Persistently Unconscious Act creates no presumption concerning the intention of an individual who has revoked or has not executed an advance directive with respect to the use, withholding, or withdrawal of life-sustaining treatment in the event the individual becomes persistently unconscious or in a terminal condition.

E. The Oklahoma Rights of the Terminally Ill or Persistently Unconscious Act shall not affect the right of a patient to make decisions regarding use of life-sustaining treatment, so long as the patient is able to do so, or impair or supersede any right or responsibility that a person has to effect the withholding or withdrawal of medical care.

F. The Oklahoma Rights of the Terminally Ill or Persistently Unconscious Act shall not require any physician or other health care provider to take any action contrary to reasonable medical standards; provided, that this subsection may not be construed to authorize a violation of Section 3101.9 of this title.

G. The Oklahoma Rights of the Terminally Ill or Persistently Unconscious Act shall not be construed to condone, authorize, or approve mercy killing, assisted suicide, or euthanasia.

H. Failure to designate a health care proxy in accordance with Section 4 3101.4 of this ~~act~~ title shall not be interpreted to invalidate the authority of a health care proxy to make life-sustaining treatment decisions if otherwise authorized by law.

SECTION 5. AMENDATORY Section 15, Chapter 114, O.S.L. 1992 (63 O.S. Supp. 1994, Section 3101.15), is amended to read as follows:
