BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

A. Any policy, contract or agreement issued or renewed by an insurer, as defined in Section 6054 of Title 36 of the Oklahoma Statutes, or any contract or agreement issued or renewed for any preferred provider or other provider arrangement or managed care plan, which requires the insured or enrollee to make a copayment when benefits are provided, shall disclose to the insured or enrollee the calculation for the copayment. In no case shall the copayment be based on a higher figure than either the amount billed or the amount paid, whichever is less. This subsection shall apply to any health insurance plan offered through the State and Education Employees Group Insurance Act.

B. Any insurer, hospital or licensed health care provider determined to be in violation of subsection A of this section by the Insurance Commissioner, the State Board of Health or the appropriate health care professional licensing entity, after notice, shall be subject to an administrative fine of not less than One Thousand Dollars (\$1,000.00) or more than Five Thousand Dollars (\$5,000.00) for each violation. Notice under this section shall include a statement of violations on which the fine is based and notice of the opportunity for a hearing.

C. The Insurance Commissioner, the State Board of Health or the appropriate health care professional licensing entity shall promulgate rules providing for enforcement of the provisions of this act. In addition, each entity may promulgate rules providing for suspension or revocation of a license for substantial failure to comply with the provisions of this act.
