A. The procedure for applying for or renewing a concealed handgun license and processing the application shall be as follows:

1. An eligible person may request an application packet for a concealed handgun license from the Oklahoma State Bureau of Investigation either in person or by mail on and after January 1, 1996. The Bureau shall provide the following information in the application packet:

The original certificate of training shall be submitted with the application for a handgun license. No duplicate, copy, facsimile or other reproduction of the certificate of training or exemption from training shall be acceptable as proof of training as required by the provisions of the Oklahoma Self-Defense Act. A person exempt from the training requirements as provided in Section 1290.15 of this title must show the required proof of such exemption to the firearms instructor to receive an exemption certificate. The original exemption certificate must be submitted with the application for a handgun license when the person claims an exemption from training and qualification;

3. The application form shall be completed and delivered by the applicant, in person, to the sheriff of the county wherein the applicant resides;

4. The person shall deliver to the sheriff at the time of delivery of the completed application form a fee of One Hundred Dollars (\$100.00) for processing the application through the Oklahoma State Bureau of Investigation and processing the required fingerprints through the Federal Bureau of Investigation. The processing fee shall be in the form of a money order or a cashier's check made payable to the Oklahoma State Bureau of Investigation. The processing fee shall not be refundable in the event of a denial of a handgun license or any suspension or revocation subsequent to the issuance of a license. Persons making application for a firearms instructor shall not be required to pay the application fee as provided in this section, but shall be required to pay the costs provided in paragraphs 6 and 8 of this subsection;

5. The completed application form shall be signed by the applicant in person before the sheriff. The signature shall be given voluntarily upon a sworn oath that the person knows the contents of the application and that the information contained in

the application is true and correct. Any person making any false or misleading statement on an application for a handgun license shall, upon conviction, be guilty of perjury as defined by Section 491 of this title. Any conviction shall be punished as provided in Section 500 of this title. In addition to a criminal conviction, the person shall be denied the right to have a concealed handgun license pursuant to the provisions of Section 1290.10 of this title and the Oklahoma State Bureau of Investigation shall revoke the handgun license, if issued;

6. Two passport size photographs of the applicant shall be submitted with the completed application. The cost of the photographs shall be the responsibility of the applicant. The sheriff is authorized to take the applicant's photograph for purposes of the Oklahoma Self-Defense Act and, if such photographs are taken by the sheriff the cost of the photographs shall not exceed Ten Dollars (\$10.00) for the two photos. All money received by the sheriff from photographing applicants pursuant to the provisions of this paragraph shall be retained by the sheriff and deposited into the Sheriff's Service Fee Account;

7. The sheriff shall witness the signature of the applicant and review or take the photographs of the applicant and shall verify that the person making application for a handgun license is the same person in the photographs submitted and the same person who signed the application form. Proof of a valid Oklahoma driver license with a photograph of the applicant or an Oklahoma State photo identification for the applicant shall be required to be presented by the applicant to the sheriff for verification of the person's identity;

8. Upon verification of the identity of the applicant, the sheriff shall take two complete sets of fingerprints of the applicant. Both sets of fingerprints shall be submitted by the sheriff with the completed application, certificate of training or an exemption certificate, photographs and processing fee to the Oklahoma State Bureau of Investigation within fourteen (14) days of taking the fingerprints. The cost of the fingerprints shall be paid by the applicant and shall not exceed Twenty-five Dollars (\$25.00) for the two sets. All fees collected by the sheriff from taking fingerprints pursuant to the provisions of this paragraph shall be retained by the sheriff and deposited into the Sheriff's Service Fee Account;

9. The sheriff shall submit to the Oklahoma State Bureau of Investigation within the fourteen-day period, together with the completed application, certificate of training or exemption certificate, photographs, processing fee and fingerprints, a report of information deemed pertinent to an investigation of the applicant for a handgun license. The sheriff shall make a preliminary investigation of pertinent information about the applicant and the court clerk shall assist the sheriff in locating pertinent information in court records for this purpose. If no pertinent information is found to exist either for or against the applicant, the sheriff shall so indicate in the report;

10. The Oklahoma State Bureau of Investigation, upon receipt of the application and required information from the sheriff, shall forward one full set of fingerprints of the applicant to the Federal Bureau of Investigation for a national criminal history records search. The cost of processing the fingerprints nationally shall be paid from the processing fee collected by the Oklahoma State Bureau of Investigation;

11. The Oklahoma State Bureau of Investigation shall make a reasonable effort to investigate the information submitted by the applicant and the sheriff, to ascertain whether or not the issuance of a handgun license would be in violation of the provisions of the Oklahoma Self-Defense Act. The Bureau's investigation of an

applicant shall include, but shall not be limited to: a statewide criminal history records search, a national criminal history records search, a Federal Bureau of Investigation fingerprint search, and if applicable, an investigation of medical records or other records or information deemed by the Bureau to be relevant to the application;

12. The Oklahoma State Bureau of Investigation shall either issue a concealed handgun license or deny the application within ninety (90) days of the date of receipt of the required information from the sheriff. The Bureau shall approve an applicant who appears to be in full compliance with the provisions of the Oklahoma Self-Defense Act, if completion of the federal fingerprint search is the only reason for delay of the issuance of the handgun license to that applicant. Upon receipt of the federal fingerprint search information, if the Bureau receives information which precludes the person from having a concealed handgun license, the Bureau shall revoke the concealed handgun license previously issued to the applicant. The Bureau shall deny a license when the applicant fails to properly complete the application form or application process or is determined not to be eligible as specified by the provisions of Section 1290.9, 1290.10 or 1290.11 of this title. The Bureau shall approve an application in all other cases. If an application is denied, the Bureau shall notify the applicant in writing of its decision. The notification shall state the grounds for the denial and inform the applicant of the right to an appeal as may be provided by the provisions of the Oklahoma Administrative Procedures Act. When an application is approved, the Bureau shall issue the license and mail it to the sheriff of the county wherein the applicant resides. The applicant may pick up the concealed handgun license from the sheriff's office.

B. Nothing contained in any provision of the Oklahoma Self-Defense Act shall be construed to require or authorize the registration, documentation or providing of serial numbers with regard to any firearm. For purposes of the Oklahoma Self-Defense Act, the sheriff may designate a person to receive, fingerprint, photograph or otherwise process applications for concealed handgun licenses.

SECTION 15. AMENDATORY Section 13, Chapter 272, O.S.L. 1995 (21 O.S. Supp. 1995, Section 1290.13), is amended to read as follows:

Section 1290.13

AUTOMATIC LISTING OF LICENSES

The Oklahoma State Bureau of Investigation shall maintain an automated listing of all persons issued a concealed handgun license in this state pursuant to the provisions of the Oklahoma Self-Defense Act, Section 1290.1 et seq. of this title, and all subsequent suspended or revoked licenses. Information from the automated listing shall only be available to a law enforcement officer or law enforcement agency upon request for law enforcement purposes. The Bureau shall also maintain for each applicant the original application or a copy of the original application form and any subsequent renewal application forms together with the photographs, fingerprints and other pertinent information on the applicant which shall be confidential, except to law enforcement officers or law enforcement agencies in the performance of their duties.

SECTION 16. AMENDATORY Section 14, Chapter 272, O.S.L. 1995 (21 O.S. Supp. 1995, Section 1290.14), as amended by Section 1 of Enrolled House Bill No. 3024 of the 2nd Session of the 45th Oklahoma Legislature, is amended to read as follows:

Section 1290.14

SAFETY AND TRAINING COURSE

A. Each applicant for a license to carry a concealed handgun pursuant to the Oklahoma Self-Defense Act, Section 1290.1 et seq. of

this title, must successfully complete a firearms safety and training course in this state conducted by a registered and approved firearms instructor as provided by the provisions of this section. The applicant must further demonstrate competence and qualification with an authorized pistol of the type or types that the applicant desires to carry as a concealed handgun pursuant to the provisions of the Oklahoma Self-Defense Act, Section 1290.1 et seq. of this title, except certain persons may be exempt from such training requirement as provided by the provisions of Section 1290.15 of this title.

B. The Council on Law Enforcement Education and Training (CLEET) shall establish criteria for approving firearms instructors for purposes of training and qualifying individuals for a concealed handgun license pursuant to the provisions of the Oklahoma Self-Defense Act. All firearms instructors shall be required to meet the eligibility requirements for a concealed handgun license as provided in Sections 1290.9, 1290.10, and 1290.11 of this title, and each instructor shall have their application processed as provided for applicants in Section 1290.12 of this title, including the state and national criminal history records search and fingerprint search. A firearms instructor shall be required to pay a fee of One Hundred Dollars (\$100.00) to the Council on Law Enforcement Education and Training (CLEET) each time the person makes application for CLEET approval as a firearms instructor pursuant to the provisions of the Oklahoma Self-Defense Act. The fee shall be retained by CLEET and shall be deposited into the Firearms Instructors Revolving Fund. CLEET shall promulgate the rules, forms and procedures necessary to implement the approval of firearms instructors as authorized by the provisions of this subsection. CLEET shall periodically review each approved instructor during a training and qualification course to assure compliance with the rules and course contents. Any violation of the rules may result in the revocation or suspension of the CLEET and OSBI approval. Unless the approval has been revoked or suspended, a firearm instructor's CLEET approval shall be for a term which exactly coincides with the registration issued by the Oklahoma State Bureau of Investigation.

C. All firearms instructors approved by CLEET to train and qualify individuals for a concealed handgun license shall be required to apply for registration with the Oklahoma State Bureau of Investigation within thirty (30) days after receiving CLEET approval. All firearms instructors teaching the approved course for a concealed handgun license must display their registration certificate during each training and qualification course. Each approved firearms instructor shall complete a registration form provided by the Bureau and shall pay a registration fee of One Hundred Dollars (\$100.00) to the Bureau at the time of each application for registration. Registration certificates issued by the Bureau shall be valid for one (1) year from the date of issuance. The Bureau shall issue a four-year handgun license to an approved firearms instructor at the time of issuance of a registration certificate and no additional fee shall be required or charged. The Bureau shall maintain a current listing of all registered firearms instructors in this state. .

D. The Oklahoma State Bureau of Investigation shall approve registration for a firearms instructor applicant who is in full compliance with CLEET rules regarding firearms instructors and the provisions of subsection B of this section, if completion of the federal fingerprint search is the only reason for delay of registration of that firearms instructor applicant. Upon receipt of the federal fingerprint search information, if the Bureau receives information which precludes the person from having a concealed handgun license, the Bureau shall revoke both the registration and the concealed handgun license previously issued to the firearms

instructor. On the effective date of this act, any firearms instructor who has been issued a one-year concealed handgun license shall not be eligible for the four-year license until the expiration of the license previously issued.

E. The required firearms safety and training course and the actual demonstration of competency and qualification required of the applicant shall be designed and conducted in such a manner that the course can be reasonably completed by the applicant within an eight-hour period. CLEET shall establish the course content and promulgate rules, procedures and forms necessary to implement the provisions of this subsection. For the training and qualification course, an applicant may be charged a fee not to exceed Sixty Dollars (\$60.00). The instructor to student ratio shall not exceed ten students to any one instructor. CLEET may establish criteria for assistant instructors, maximum class size and any other requirements deemed necessary to conduct a safe and effective training and qualification course. The course content shall include a safety inspection of the firearm to be used by the applicant in the training course; instruction on pistol handling, safety and storage; dynamics of ammunition and firing; methods or positions for firing a pistol; information about the criminal provisions of the Oklahoma law relating to firearms; the requirements of the Oklahoma Self-Defense Act as it relates to the applicant; self-defense and the use of appropriate force; a practice shooting session; and a familiarization course. The firearms instructor shall refuse to train or qualify any person when the pistol to be used or carried by the person is either deemed unsafe or unfit for firing or is a weapon not authorized by the Oklahoma Self-Defense Act. The course shall provide an opportunity for the applicant to qualify himself or herself on either a derringer, a revolver, a semiautomatic pistol or any combination of a derringer, a revolver and a semiautomatic pistol, provided no pistol shall be capable of firing larger than .45 caliber ammunition. Any applicant who successfully trains and qualifies himself or herself with a semiautomatic pistol may be approved by the firearms instructor on the training certificate for a semiautomatic pistol, a revolver and a derringer upon request of the applicant. Any person who qualifies on a derringer or revolver shall not be eligible for a semiautomatic rating until the person has demonstrated competence and qualifications on a semiautomatic pistol. Upon successful completion of the training and qualification course, a certificate shall be issued to each applicant who successfully completes the course. The certificate of training shall comply with the form established by CLEET and shall be submitted with an application for a concealed handgun license pursuant to the provisions of paragraph 2 of Section 1290.12 of this title.

F. There is hereby created a revolving fund for the Council on Law Enforcement Education and Training (CLEET), to be designated the "Firearms Instructors Revolving Fund". The fund shall be a continuing fund, not subject to fiscal year limitations, and shall consist of all funds received for approval of firearms instructors for purposes of the Oklahoma Self-Defense Act, Section 1290.1 et seq. of this title. All funds received shall be deposited to the fund. All monies accruing to the credit of said fund are hereby appropriated and may be budgeted and expended by the Council on Law Enforcement Education and Training, for implementation of the training and qualification course contents, approval of firearms instructors and any other CLEET requirement pursuant to the provisions of the Oklahoma Self-Defense Act or as may otherwise be deemed appropriate by CLEET. Expenditures from said fund shall be made upon warrants issued by the State Treasurer against claims filed as prescribed by law with the Director of State Finance for approval and payment.

SECTION 17. AMENDATORY Section 15, Chapter 272, O.S.L. 1995 (21 O.S. Supp. 1995, Section 1290.15), is amended to read as follows:

Section 1290.15

6. A person honorably discharged from active military duty, National Guard duty or military reserves within twenty (20) years preceding the date of the application for a concealed handgun license pursuant to the provisions of the Oklahoma Self-Defense Act, who is a legal resident of this state, and who has been trained and qualified in the use of handguns; and
7. Any person who is otherwise deemed qualified for a training exemption by CLEET.

Provided, however, persons applying for an exemption pursuant to paragraph 3, 4, 5, 6 or 7 of this subsection may be required to successfully complete the classroom portion of the training course. The classroom portion of the training course shall not exceed a fee of Thirty Dollars (\$30.00).

B. The Council on Law Enforcement Education and Training (CLEET) shall establish criteria for providing proof of an exemption. Before any person shall be considered exempt from all or part of the required training and qualification pursuant to the provisions of the Oklahoma Self-Defense Act, Section 1290.1 et seq. of this title, the person shall present the required proof of exemption to a registered firearms instructor. Each person determined to be exempt from training or qualification as provided in this subsection shall receive an exemption certificate from the registered firearms instructor. The rules promulgated by CLEET to implement the provisions of this section and Section 1290.14 of this title may require that a fee not to exceed Five Dollars (\$5.00) be charged for processing an exemption certificate. The original exemption certificate must be submitted with an application for a handgun license as provided in paragraph 2 of Section 1290.12 of this title. No person who is determined to be exempt from training or qualification may carry a concealed firearm pursuant to the authority of the Oklahoma Self-Defense Act until issued a valid handgun license.

C. Nothing contained in any provision of the Oklahoma Self-Defense Act shall be construed to alter, amend, or modify the authority of any active duty law enforcement officer, or any person certified by the Council on Law Enforcement Education and Training to carry a pistol during the course of their employment, from carrying any pistol in any manner authorized by law or authorized by the employing agency.

SECTION 18. AMENDATORY Section 17, Chapter 272, O.S.L. 1995 (21 O.S. Supp. 1995, Section 1290.17), is amended to read as follows:

Section 1290.17

SUSPENSION AND REVOCATION OF LICENSE

A. The Oklahoma State Bureau of Investigation shall have authority pursuant to the provisions of the Oklahoma Self-Defense Act, Section 1290.1 et seq. of this title, and any other provision of law to suspend or revoke any concealed handgun license issued pursuant to the provisions of the Oklahoma Self-Defense Act. After a concealed handgun license has been issued, the discovery of or the occurrence of any condition which directly affects a person's eligibility for a handgun license as provided by the provisions of Section 1290.9 or 1290.10 of this title shall require a revocation of the license by the Bureau. The discovery of or the occurrence of any condition pursuant to Section 1290.11 of this title, after a license has been issued, shall cause a suspension of the handgun license for a period of time as prescribed for the condition. Any provision of law that requires a revocation of a concealed handgun license upon a conviction shall cause the Bureau to suspend the concealed handgun license upon the discovery of the arrest of the person for such offense until a determination of the criminal case at which time the Bureau shall proceed with the appropriate administrative action.

B. Any concealed handgun license which is subsequently suspended or revoked shall be immediately returned to the Oklahoma State Bureau of Investigation upon notification. Any person refusing or failing to return a license after notification of its suspension or revocation shall, upon conviction, be guilty of a misdemeanor punishable by a fine of not exceeding Five Hundred Dollars (\$500.00), by imprisonment in the county jail for not exceeding six (6) months, or by both such fine and imprisonment. In addition, the person shall be subject to an administrative fine of Five Hundred Dollars (\$500.00), upon a hearing and determination by the Bureau that the person is in violation of the provisions of this subsection.

C. Any law enforcement officer of this state shall confiscate a concealed handgun license in the possession of any person and return it to the Oklahoma State Bureau of Investigation for appropriate administrative proceedings against the licensee when the license is no longer needed as evidence in any criminal proceeding, as follows:

1. Upon the arrest of the person for any felony offense;
2. Upon the arrest of the person for any misdemeanor offense enumerated as a preclusion to a handgun license;
3. For any violation of the provisions of the Oklahoma Self-Defense Act;
4. When the officer has been called to assist or is investigating any situation which would be a preclusion to having a handgun license; or
5. As provided in subsection D of Section 1290.8 of this title.

SECTION 19. AMENDATORY Section 22, Chapter 272, O.S.L. 1995 (21 O.S. Supp. 1995, Section 1290.22), is amended to read as follows:

Section 1290.22

BUSINESS OWNER'S RIGHTS

Nothing contained in any provision of the Oklahoma Self-Defense Act, Section 1290.1 et seq. of this title, shall be construed to limit, restrict or prohibit in any manner the existing rights of any person, property owner, tenant, employer, or business entity to control the possession of weapons on any property owned or controlled by the person or business entity.

SECTION 20. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1290.26 of Title 21, unless there is created a duplication in numbering, reads as follows:

RECIPROCAL AGREEMENT AUTHORITY

The State of Oklahoma hereby recognizes any valid concealed carry weapons permit or license issued by another state, provided the issuing state:

1. Requires a state and national criminal history records search to be conducted on each applicant;
2. Prohibits any person convicted of a felony offense from obtaining a concealed carry weapons permit or license;
3. Requires competence qualification, or training with the firearm to be carried by the person; and
4. Does not authorize any weapon to be carried which would be a violation of Oklahoma law.

Any person entering this state in possession of a firearm authorized for concealed carry upon the authority of a valid concealed carry weapons permit or license issued from his or her resident state is authorized to continue to carry a concealed firearm in this state; provided the firearm remains fully concealed from detection and view, and that upon coming in contact with any peace officer of this state, the person discloses the fact that he or she is in possession of a concealed firearm pursuant to a valid concealed carry weapons permit or license issued in another state.

SECTION 21. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 709 of Title 63, unless there is created a duplication in numbering, reads as follows:

SECTION 22. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 709.1 of Title 63, unless there is created a duplication in numbering, reads as follows:

A. Every indoor, outdoor, or mobile shooting range shall be required to conform to safety standards adopted by the Department of Wildlife Conservation pursuant to the provisions of this section before beginning its operation. The Department shall inspect each

shooting range established in this state, and, if the range is deemed in compliance with the safety standards adopted by the Department, the shooting range shall be issued a two-year permit to operate. Any owner or operator of a shooting range who fails to obtain an inspection and permit, or whose range fails to meet the safety standards adopted by the Department of Wildlife Conservation shall be deemed guilty of operating an unlawful shooting range. Any owner or operator who continues the operation of the shooting range after failing to meet the inspection standards and without a permit as provided in this section shall be guilty of a misdemeanor punishable, upon conviction, by a fine of One Hundred Dollars (\$100.00).

B. The Department of Wildlife Conservation is directed to promulgate rules and adopt safety standards for shooting ranges operating in this state within thirty (30) days of the effective date of this act. In determining safety standards, the Department may adopt those standards and practices recommended by a nationally recognized nonprofit membership organization that provides voluntary firearm safety programs, including training of individuals in safe handling and use of firearms, or the Department may adopt other recognized standards. The Department shall from time to time review and revise the safety standards for shooting ranges as deemed necessary by the Department to maintain public safety and the Department shall provide necessary forms to implement the provisions of this section.

C. Within two (2) years from the effective date of this act, the Department shall cause to be inspected all shooting ranges operating in this state on the effective date of this act. Following the inspection, the Department shall issue a written notification to the owner or operator of any range deemed deficient in safety standards, specifically enumerating the deficiencies to be corrected and the owner or operator shall be required to correct such deficiencies within the time provided in this subsection. Any owner or operator of a commercial range shall have sixty (60) days from the date of notification to be in compliance with the safety standards. Noncommercial ranges shall have one (1) year after the date of notification to be in compliance with the safety standards. Shooting ranges in existence on the effective date of this act may continue to operate until inspected, and thereafter as provided by the provisions of this section.

D. Any owner or operator of a shooting range may appeal any ruling of the Department of Wildlife Conservation as provided in the Administrative Procedures Act.

SECTION 23. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 709.2 of Title 63, unless there is created a duplication in numbering, reads as follows:

A. Notwithstanding any municipal ordinance or rule regulating noise to the contrary, a governmental official may not seek a civil or criminal penalty or injunction against a shooting range, or its owner or operators, on the basis of noise emanating from the range, provided the noise at the property line of the shooting range does not exceed one hundred fifty (150) decibels.

B. No person shall bring any suit in law or equity or any other claim for relief against a shooting range, or its owners or operators, based upon noise emanating from the shooting range, provided the noise at the property line of the range does not exceed one hundred fifty (150) decibels.

C. Notwithstanding any law to the contrary, any ordinance or rule relating to noise adopted by any local unit of government, whether before, on, or after the effective date of this act, shall not be deemed to be enforceable against a shooting range, provided the noise at the property line of the range does not exceed one hundred fifty (150) decibels. The ordinance or rule shall not serve

as the basis for any suit in law or equity, whether brought by a governmental official or person. In no event shall the provisions of this subsection affect the outcome of any suit brought prior to the effective date of this act in which a final order of judgment or relief has been entered.

SECTION 24. REPEALER 11 O.S. 1991, Section 50-125, is hereby repealed.
