B. The Council on Law Enforcement Education and Training (CLEET) shall establish criteria for approving firearms instructors for purposes of training and qualifying individuals for a concealed handgun license pursuant to the provisions of the Oklahoma Self-Defense Act. All firearms instructors shall be required to meet the eligibility requirements for a concealed handgun license as provided in Sections 9, 10, and 11 of this act and, in addition, each instructor shall have a national and state criminal history records search and be fingerprinted by the Oklahoma State Bureau of Investigation. A firearms instructor shall be required to pay a one-hundred-dollar fee to CLEET each year when applying for an approval pursuant to the provisions of the Oklahoma Self-Defense Act. The fee shall be retained by CLEET and shall be deposited into the Firearms Instructors Revolving Fund. CLEET shall promulgate the rules, forms and procedures necessary to implement the approval of firearms instructors as authorized by the provisions of this subsection. CLEET shall periodically review each approved instructor during a training and qualification course to assure compliance with the rules and course contents. Any violation of the rules may result in the approval being revoked or suspended.

C. All firearms instructors approved by CLEET to train and qualify individuals for a concealed handgun license shall be required to register annually with the Oklahoma State Bureau of Investigation and shall display their approval and registration credentials during each training and qualification course. Each approved firearms instructor shall complete a registration form provided by the Bureau and shall pay a one-hundred-dollar registration fee to the Bureau at the time of each registration. The Bureau shall maintain a current listing of all registered and approved firearms instructors in this state and the list shall be made available to each applicant in the application packet provided by the Bureau.

D. The required firearms safety and training course and the actual demonstration of competency and qualification required of the applicant shall be designed and conducted in such a manner to be completed by the applicant within an eight-hour period. CLEET shall establish the course content and promulgate rules, procedures and forms necessary to implement the provisions of this subsection. For the training and qualification course, an applicant may be charged a fee not to exceed Sixty Dollars (\$60.00). The instructor to student ratio should be not more than ten students to any one instructor. CLEET may establish criteria for assistant instructors, maximum class size and any other requirements deemed necessary to conduct a safe and effective training and qualification course. The course content shall include a safety inspection of the firearm to be used by the applicant in the training course; instruction on pistol handling, safety and storage; dynamics of ammunition and firing; methods or positions for firing a pistol; information about the criminal provisions of the Oklahoma law relating to firearms; the requirements of the Oklahoma Self-Defense Act as it relates to the applicant; self-defense and the use of appropriate force; a practice shooting session; and a familiarization course. The firearms instructor shall refuse to train or qualify any person when the pistol to be used or carried by the person is either deemed unsafe or unfit for firing or is a weapon not authorized by the Oklahoma Self-Defense Act. The course shall provide an opportunity for the applicant to qualify on either a derringer, a revolver, a semiautomatic pistol or any combination of a derringer, a revolver and a semiautomatic pistol, provided the pistol is capable of firing no larger than .45 caliber ammunition. Any applicant who successfully trains and qualifies with a semiautomatic pistol may be

approved by the firearms instructor on the training certificate for a semiautomatic pistol, a revolver and a derringer upon request but any person who qualifies on a derringer or revolver shall not be eligible for a semiautomatic rating until the person has demonstrated competence and qualifications on a semiautomatic pistol. Upon successful completion of the training and qualification course, a certificate shall be issued to each applicant who successfully completes the course. The certificate of training shall comply with the form established by CLEET and shall be submitted with an application for a concealed handgun license pursuant to the provisions of paragraph 2 of Section 12 of this act.

E. There is hereby created a revolving fund for the Council on Law Enforcement Education and Training (CLEET), to be designated the "Firearms Instructors Revolving Fund". The fund shall be a continuing fund, not subject to fiscal year limitations, and shall consist of all funds received for approval of firearms instructors for purposes of the Oklahoma Self-Defense Act, Sections 1 through 25 of this act. All funds received shall be deposited to the fund. All monies accruing to the credit of said fund are hereby appropriated and may be budgeted and expended by the Council on Law Enforcement Education and Training, for implementation of the training and qualification course contents, approval of firearms instructors and any other CLEET requirement pursuant to the provisions of the Oklahoma Self-Defense Act or as may otherwise be deemed appropriate by CLEET. Expenditures from said fund shall be made upon warrants issued by the State Treasurer against claims filed as prescribed by law with the Director of State Finance for approval and payment.

6. Any person who is otherwise deemed qualified as a firearms instructor by CLEET.

Provided, however, persons applying for an exemption pursuant to paragraph 4 or 5 of this subsection shall be required to successfully complete the classroom portion of the training course. The classroom portion of the training course shall not exceed a thirty-dollar fee. In all other cases, the person applying for an exemption shall not be required to complete the training and qualification course upon proper proof of an exemption.

B. The Council on Law Enforcement Education and Training (CLEET) shall establish criteria for providing proof of an exemption. Before any person shall be considered exempt from all or

part of the required training and qualification pursuant to the provisions of the Oklahoma Self-Defense Act, Sections 1 through 25 of this act, each person shall present the required proof of exemption to a registered and approved firearms instructor. Each person determined to be exempt from training or qualification as provided in this subsection shall receive an exemption certificate from the registered and approved firearms instructor. The rules promulgated by CLEET to implement the provisions of this section and Section 14 of this act may require that a fee not to exceed Two Dollars (\$2.00) be charged for processing an exemption certificate. The exemption certificate must be submitted with an application for a handgun license as provided in paragraph 2 of Section 12 of this act. No person who is determined to be exempt from training or qualification may carry a concealed firearm pursuant to the authority of the Oklahoma Self-Defense Act until issued a valid handgun license.

C. A law enforcement officer who is retired from length of service and who is receiving retirement benefits upon proper proof of such facts shall be exempt from the training and qualification requirements required by Section 14 of this act and shall be exempt from the application processing fee, fingerprint fee, fingerprinting and criminal history records search, but shall be required to complete the other provisions of the application process and submit the required photographs. The Oklahoma State Bureau of Investigation shall issue the concealed handgun license upon receipt of the completed application and photographs within the ninety-day requirement. The provisions of this subsection shall not apply to any other law enforcement officer.

D. Nothing contained in any provision of the Oklahoma Self-Defense Act shall be construed to prohibit any police or peace officer certified by the Council on Law Enforcement Education and Training, any federal law enforcement officer, any correctional officer or any other person authorized by law to carry a pistol during the course of their employment or upon retirement from such employment from carrying any pistol in any manner otherwise authorized by law.

After a concealed handgun license has been issued, the discovery of or the occurrence of any condition which directly affects a person's eligibility for a handgun license as provided by the provisions of Section 9 or 10 of this act shall require a revocation of the license by the Bureau. The discovery of or the occurrence of any condition pursuant to Section 11 of this act, after a license has

been issued, shall cause a suspension of the handgun license for three (3) years or until the condition is removed. Any provision of law that requires a revocation of a concealed handgun license upon a conviction shall cause the Bureau to suspend the concealed handgun license upon the discovery of the arrest of the person for such offense until a determination of the criminal case at which time the Bureau shall proceed with the appropriate administrative action.

B. Any concealed handgun license which is subsequently suspended or revoked shall be immediately returned to the Oklahoma State Bureau of Investigation upon notification. Any person refusing or failing to return a license after notification of its suspension or revocation shall, upon conviction, be guilty of a misdemeanor punishable by a fine of not exceeding Five Hundred Dollars (\$500.00), by imprisonment in the county jail for not exceeding six (6) months, or by both such fine and imprisonment. LEGISLATIVE INTENT

The Legislature finds as a matter of public policy and fact that it is necessary to provide statewide uniform standards for issuing licenses to carry concealed handguns for lawful self-defense and self-protection, and further finds it necessary to occupy the field of regulation of the bearing of concealed handguns to ensure that no honest, law-abiding citizen who qualifies pursuant to the provisions of the Oklahoma Self-Defense Act, Sections 1 through 25 of this act, is subjectively or arbitrarily denied their rights. The Legislature does not delegate to the Oklahoma State Bureau of Investigation any authority to regulate or restrict the issuing of licenses except as provided by the provisions of this act. Subjective or arbitrary actions or rules which encumber the issuing process by placing burdens on the applicant beyond those requirements detailed in the provisions of the Oklahoma Self-Defense Act or which create restrictions beyond those specified in this act are deemed to be in conflict with the intent of this act and are hereby prohibited. The Oklahoma Self-Defense Act shall be liberally construed to carry out the constitutional right to bear arms for self-defense and self-protection. The provisions of the Oklahoma Self-Defense Act are cumulative to existing rights to bear arms and nothing in Sections 1 through 25 of this act shall impair or diminish those rights.

In addition, any person violating the provisions of this section shall be liable for civil damages for any injury or death to any person and for any damage to property resulting from any discharge of a firearm or use of any other weapon. Any person convicted of violating the provisions of this section after having been issued a concealed handgun license pursuant to the provisions of the Oklahoma Self-Defense Act, Sections 1 through 25 of this act, may be liable for an administrative violation as provided in Section 1276 of this title.
