

STATE OF OKLAHOMA

2nd Session of the 45th Legislature (1996)

HOUSE BILL NO. 2331

By: Boyd (Betty)

AS INTRODUCED

An Act relating to schools; creating the Oklahoma Physical Education Act; stating purpose of the act; stating legislative intent; stating minimum requirements for the curriculum; defining terms; requiring physical education to be provided in all schools for students; requiring physical education for children grades kindergarten through the sixth grade; requiring instruction by certified personnel; providing minimum time requirements for physical education instruction; stating instructor certification requirements; prohibiting substitutions for physical education instruction; providing for codification; providing an effective date; and declaring an emergency.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 11-111 of Title 70, unless there is created a duplication in numbering, reads as follows:

This act shall be known and may be cited as the "Oklahoma Physical Education Act".

SECTION 2. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 11-112 of Title 70, unless there is created a duplication in numbering, reads as follows:

The Legislature finds that for the purpose of promoting positive physical wellness for the children of Oklahoma it is essential that all Oklahoma school districts implement a curriculum of physical education that extends from kindergarten to the twelfth grade. It is the intent of the Oklahoma Legislature that such curriculum include for all students in this state developmentally appropriate physical education skills. Such curriculum shall include but not be limited to the following:

1. Movement skills;
2. Fitness components;
3. Sports pedagogy;
4. Appropriate personal management skills; and
5. Wellness components.

SECTION 3. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 11-113 of Title 70, unless there is created a duplication in numbering, reads as follows:

As used in the Oklahoma Physical Education Act:

1. "Movement skills" means gymnastic activities, rhythmical activities, fundamental movement skills and open kinetic chain movements;

2. "Fitness components" means cognitive knowledge and psychomotor skills which effect muscular strength and endurance, flexibility, body composition and aerobic endurance activities;

3. "Sport pedagogy" means participation and involvement in physical activities suitable for lifelong participation;

4. "Appropriate personal management skills" means development of skills related to interest in and enjoyment of physical activities. These skills promote self-discipline which in turn

encourages goal setting and increases interest in learning such as, sportsmanship, cooperation and following rules; and

5. "Wellness components" include knowledge and understandings related to nutrition, stress management, safety and accident prevention, weight control, injury prevention, consumer education, and assessment and monitoring of personal fitness programs.

SECTION 4. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 11-114 of Title 70, unless there is created a duplication in numbering, reads as follows:

A. Beginning with the 1996-97 school year, each public school in the state shall provide for the teaching of physical education for all students in accordance with rules adopted by the State Board of Education.

B. Physical education shall be taught during the entire school year as follows:

1. For grades kindergarten through sixth grade, a minimum of fifty (50) minutes a week shall be mandatory for all students;

2. For grades seven through nine, a unit of physical education shall be offered, providing the opportunity for all students to participate; and

3. For grades ten through twelve, a unit of physical education shall be offered, providing the opportunity for all students to participate.

C. The Physical Education section of the Priority Academic Student Skills shall serve as the state curriculum guideline for the subject of physical education.

D. The certification required to teach physical education shall be a standard certificate in physical education or a physical education endorsement. In kindergarten through sixth grade, a certified elementary education teacher with methods of teaching physical education may teach physical education.

E. No courses shall be substituted for the physical education class.

F. Athletics at the grade levels of ten through twelve may qualify for providing a physical education credit to participants.

SECTION 5. This act shall become effective July 1, 1996.

SECTION 6. It being immediately necessary for the preservation of the public peace, health and safety, an emergency is hereby declared to exist, by reason whereof this act shall take effect and be in full force from and after its passage and approval.
