Taxes paid under the provisions of this subsection by railroads and public service

corporations shall be paid to the Oklahoma Tax Commission. Taxes paid under the provisions of this subsection by property owners other than railroads and public service corporations shall be paid to the appropriate county treasurer.

B. When such taxes are paid, the persons paying the same shall give notice to the Oklahoma Tax Commission, if the taxes are paid by railroads or public service corporations, or to the county treasurer, if the taxes are paid by other property owners, that an appeal involving such taxes has been taken and is pending, and that a specified portion of the tax amount is being paid under protest. The notice shall be on a form prescribed by the Oklahoma Tax Commission. If taxes are paid in two equal installments and the amount paid under protest does not exceed fifty percent (50%) of the full amount of assessed taxes, all protested taxes shall be specified in the second installment payment. If such amount does exceed fifty percent (50%) of the full amount of assessed taxes, then the portion of protested taxes that exceeds fifty percent (50%) of the full amount of assessed taxes shall be specified in the first installment payment and the entire second installment shall be specified to be paid under protest. The taxpayer shall attach to such notice a copy of the petition filed in the court or other appellate body in which the appeal was taken. Any portion of such taxes not paid under protest shall be apportioned as provided by law. The treasurer shall invest such protested taxes in the same manner as the treasurer invests surplus tax funds not paid under protest, but shall select an investment medium which will permit prompt refund or apportionment of such protested taxes upon final determination of the appeal. If upon the final determination of any such appeal, the court shall find that the property was assessed at too great an amount, the board of equalization from whose order the appeal was taken shall certify the corrected valuation of the property of such taxpayers to the Oklahoma Tax Commission, if the taxpayer is a railroad or public service corporation, or to the county assessor, if the taxpayer is not a railroad or public service corporation, in accordance with the decision of the court, and shall send a copy of such certificate to the county treasurer, if the taxpayer is not a railroad or public service corporation. Upon receipt of the corrected certificate of valuation, the county assessor shall compute and certify to the county treasurer the correct amount of taxes payable by such taxpayer. The difference between the amount paid and the correct amount payable with accrued interest shall be refunded by the treasurer or the Oklahoma Tax Commission to the taxpayer upon the taxpayer filing a proper verified claim therefor, and the remainder paid under protest with accrued interest shall be apportioned as provided by law.

C. If an appeal is upon a question of valuation of the property, then the amount paid under protest by reason of the question of valuation being appealed shall be limited to the amount

of taxes assessed against the property for the year in question less the amount of taxes which would be payable by the taxpayer for that year if the valuation of the property asserted by the taxpayer in the appeal were determined by the court to be correct.

D. If an appeal is upon a question of assessment of the property, then the amount paid under protest by reason of the question of assessment being appealed shall be limited to the amount of taxes assessed against the property for the year in question less the amount of taxes which would be payable by the taxpayer for that year if the assessment of the property asserted by the taxpayer in the appeal ~~was~~ were determined by the court to be correct.

Any person wishing to be heard at the public hearing shall register with the secretary of the State Textbook Committee at least two (2) weeks prior to the date set for the public hearing. The registration shall be accompanied by a typed summary detailing the nature of the testimony which will be presented at the public hearing. All testimony shall pertain to a specific textbook or textbooks for which the State Textbook Committee has received bids.

The time and number of people testifying for any one organization may be limited by the State Textbook Committee. The Committee, in its discretion, may conduct additional public hearings. The date of the public hearing shall be set by the Committee when the advertisement for bids for books is issued.

SECTION 20. AMENDATORY 70 O.S. 1991, Section 16-103, as amended by Section 5, Chapter 229, O.S.L. 1993 (70 O.S. Supp. 1995, Section 16-103), is amended to read as follows:

Section 16-103. The State Textbook Committee shall advertise for books in all basic subjects in such manner and for such time as it may deem best. Each year the Committee shall advertise for sealed bids from publishers of textbooks for furnishing textbooks for the public schools of this state. Each bid shall state specifically and clearly the price at which each book will be furnished FOB the bidder's depository or delivered to any ordering school district in this state, and the price the books may be sold for through local retail book dealers, and shall be accompanied by a sample copy of each book offered in such bid, together with any teacher edition or teacher aids used with such book. A copy of each textbook for which a bid has been accepted by the Committee shall be displayed in at least one library or institution of higher education within each Congressional District in this state. The facility shall have free public access. The textbooks shall be displayed from the time they are accepted by the Committee until their final selection or rejection. A record of all the books delivered direct to any school district shall be immediately furnished by the shipper and the school district to the State Board of Education. Each bid shall be accompanied by a sworn statement specifically:

1. Stating whether the publisher is the owner of any interest or share in any other textbook publishing houses and, if so, giving the names and addresses thereof;

2. Showing whether any member of the Committee is in any manner interested, directly or indirectly, in such person, firm, or corporation submitting such bid; and

3. Showing the name and address of every committee, public official, or individual in this state who has been furnished, within the preceding twelve (12) months, any copy of the textbook or textbooks or any edition thereof included in the bid, together with the numbers and titles thereof furnished to each recipient.

If the fact shall be disclosed that any member of the Committee, State Textbook Director, or any employee of that office is interested in the bidder, it shall work a disqualification of such member, and the member shall not be permitted to serve on the Committee, and the bidder shall be disqualified. If it shall be disclosed that such sworn statement does not accurately and completely give the information required, the State Textbook Committee shall disregard the bid. Oklahoma authors of school textbooks shall be permitted to receive the customary royalty, regardless of employment. ~~Only materials approved by the State Textbook Committee shall be purchased from State Textbook Funds.~~

SECTION 21. AMENDATORY 70 O.S. 1991, Section 16-104, as amended by Section 6, Chapter 229, O.S.L. 1993 (70 O.S. Supp. 1995, Section 16-104), is amended to read as follows:

Section 16-104. All bids shall be sealed and delivered to the secretary of the State Textbook Committee, to be delivered by the secretary to the Committee for the purpose of considering the bids. The Committee shall meet prior to August 15 of each year at the time and place mentioned in the advertisement, to open and examine the

sealed bids received, and make a full and complete investigation of all books and the bids accompanying the same. The Committee may use regular classroom teachers as consultants. The books shall be selected after careful consideration of all the books presented, and the books selected for ~~adoption~~ recommendation shall be those which, in the opinion of the Committee, are best suited for the public schools in this state. The Committee shall give consideration to any legislative resolution concerning textbook content and the testimony received at public hearings when making the selections. The Committee shall proceed without delay to ~~select~~ recommend, for use of the public schools of this state, textbooks as specified in this article and shall notify publishers to whom contracts are awarded. If the State Textbook Committee determines that significant inaccuracies exist in the contents of a textbook which has been bid or that information contained in the textbook is not current, the Committee may ~~adopt~~ recommend the book on a provisional basis. Final ~~adoption~~ recommendation of the textbook ~~and use of textbook money~~ shall be contingent upon the publisher providing a modified or revised textbook which is acceptable by the State Textbook Committee.

SECTION 22. AMENDATORY 70 O.S. 1991, Section 16-106, as last amended by Section 1, Chapter 74, O.S.L. 1994 (70 O.S. Supp. 1995, Section 16-106), is amended to read as follows:

Section 16-106. A. All contracts with publishers shall be signed by the chairperson and secretary of the State Textbook Committee on behalf of the state. Each contract shall stipulate the price at which each textbook will be sold to the State of Oklahoma, and that all copies supplied to the State of Oklahoma will be equal to or better than the official copy filed with the secretary of the Committee. The State Textbook Committee may approve the

substitution of a later edition in lieu of the textbook originally ~~selected~~ recommended. The publisher shall stipulate in the contract that:

1. The price for which the textbook is to be furnished will be the lowest at which the same textbook will be sold or offered for sale for the purpose of securing a state or local selection or adoption elsewhere in the United States during the six (6) months prior to the date of the execution of the contract;

2. It will reduce the contract price of the textbook, if the price of the same textbook is reduced below such contract price elsewhere in the United States, and that it will file with the secretary of the Committee a sworn statement of such reduction made elsewhere;

3. If it prepares any supplementary or abridged or special editions of any of the textbooks, and shall sell such editions elsewhere at a lower price than that stipulated in the contract, it will file copies of any and all such editions, together with the prices thereof, with the secretary of the Committee;

4. It has not entered into any understanding, agreement or combination to control the prices or restrict competition in the sale of textbooks;

5. It will furnish the textbooks to the State of Oklahoma during the term of the contract in such amounts as may be required; and

6. It will furnish for a like period in lieu of the corresponding textbooks under contract any other books listed in any annual statement subsequently filed by it during the term of the contract to any school district at the lowest new prices contained in such statement, and that it will maintain said prices uniformly through the state.

B. Textbooks ~~selected~~ recommended by the State Textbook Committee may be purchased by school districts at the prices for which contracts have been awarded, pending the effective dates of the contracts.

C. The chairperson and secretary of the State Textbook Committee, on the advice and consent of the attorney for the State Department of Education, may, with the consent of the holders of state textbook contracts, change any contract to conform with the provisions of Section 16-102 of this title.

D. As requested by a school district, all publishers who enter into contracts with the State Textbook Committee shall be required to furnish the Committee with computer diskettes for literary subjects in the American Standard Code for Information Interchange (ASCII) from which Braille versions of the textbook can be produced. The publisher shall furnish the Committee with computer diskettes in ASCII for nonliterary subjects when Braille specialty code translation software is available.

SECTION 23. AMENDATORY 70 O.S. 1991, Section 16-107, as amended by Section 8, Chapter 229, O.S.L. 1993 (70 O.S. Supp. 1995, Section 16-107), is amended to read as follows:

Section 16-107. A. In the event that a publisher whose bid has been accepted shall publish at any time before the expiration of the adoption period a new or revised edition of the adopted textbook, the State Textbook Committee may require such publisher to substitute such new or revised edition for the ~~adopted~~ recommended edition at a price to be mutually agreed upon by the publisher and the State Textbook Committee, but not in excess of the lowest price at which the same textbook will be sold or offered for sale for the purpose of securing a state or local selection or adoption elsewhere in the United States during the twelve (12) months preceding the

date of submitting such new or revised edition. A contract shall be made for such new or revised edition as for any other selection. Each bidder shall expressly agree to this provision as a part of the bid and the contract awarded if successful.

B. In the event that a publisher shall publish a textbook for a subject during the period for which ~~adoptions~~ recommendations for that subject have not expired, such publisher may submit a bid for such textbook at the time and in the manner other bids are submitted. The State Textbook Committee may ~~adopt~~ recommend such book for the balance of the ~~adoption~~ recommendation period and thereafter local textbook committees may adopt such book.

SECTION 24. AMENDATORY 70 O.S. 1991, Section 16-110, as last amended by Section 9, Chapter 360, O.S.L. 1993 (70 O.S. Supp. 1995, Section 16-110), is amended to read as follows:

Section 16-110. As soon as any contract is entered into for the furnishing of textbooks for use in the public schools of the state, the secretary of the State Textbook Committee shall send a list of the textbooks ~~selected~~ recommended by the State Textbook Committee to every superintendent of schools and local textbook committee in the state, which list shall show the respective prices of such textbooks and contain such other information as the secretary shall deem advisable. The secretary shall annually publish and distribute a list of all textbooks that have been ~~selected~~ recommended and that are then in force.

SECTION 25. AMENDATORY 70 O.S. 1991, Section 16-111, as last amended by Section 10, Chapter 360, O.S.L. 1993 (70 O.S. Supp. 1995, Section 16-111), is amended to read as follows:

Section 16-111. A. The superintendent of schools of each school district in the state shall appoint a local textbook committee consisting of not fewer than three nor more than nine

members. Each committee shall have one lay member, with the remainder of the members being teachers employed in the public schools of the district, a majority of whom shall be classroom teachers. The superintendent of schools or a designee who shall be a principal or a curriculum specialist shall serve as chairperson of such local textbook committee.

B. Upon the written request of any duly appointed local textbook coordinator, the publisher of a textbook ~~selected~~ recommended by the State Textbook Committee shall furnish at least one examination copy of the textbook and the teacher edition of the textbook, if one is published, and a copy of software for purposes of complete demonstration and review, if available, to the school district so that the local textbook committee may examine any or all new ~~adoptions~~ recommendations in the subjects taught or to be taught in schools in the district.

~~C. On or before a date to be fixed by the State Board of Education, each local textbook committee shall adopt textbooks from the multiple list selected by the State Textbook Committee in such manner as shall be prescribed by the State Board of Education.~~ Each local textbook committee shall serve without compensation and shall cease to exist when local adoptions have been completed and shall be replaced by another local textbook committee appointed in the same manner as herein provided.

D. On or before a date to be fixed by the State Board of Education, the superintendent of each school district shall submit to the State Board of Education a requisition for all of the textbooks adopted by the local textbook committee that will be needed for the ensuing year in the school or schools for which such adoptions were made, and immediately upon receipt of such requisitions it shall be the duty of the State Board of Education to

make requisitions on the proper depository or depositories for such textbooks. Any superintendent of a school district may requisition any textbooks placed on the official multiple textbook list, if such requisition does not exceed the allocation for each school district as provided in Section 16-114 of this title.

SECTION 26. AMENDATORY 70 O.S. 1991, Section 16-122, as last amended by Section 12, Chapter 360, O.S.L. 1993 (70 O.S. Supp. 1995, Section 16-122), is amended to read as follows:

Any person who directly or indirectly promises or offers to give, or causes to be promised, offered or given, any money, books, bribe, present or reward or any valuable thing whatsoever to any member of the State Board of Education, the State Textbook Committee, or a local textbook committee, or any member of a board of education, teacher or other person with the intent to influence a decision on any question, matter, cause or proceeding in the ~~selection~~ recommendation, or adoption of any textbooks, or series of textbooks, upon conviction, shall be guilty of a felony and punishable as such. Any teacher in the public schools of Oklahoma, any superintendent of a school district or any employee of a school district who shall in any way be interested in the profits, proceeds or sale of any school textbook used in the public schools under such person's charge, or with which such person is connected in any official capacity, upon conviction, shall be guilty of a misdemeanor, and shall be punished by a fine of not less than Fifty Dollars (\$50.00) and not more than Two Hundred Dollars (\$200.00), and shall in addition thereto forfeit the office or position.

SECTION 27. AMENDATORY 70 O.S. 1991, Section 16-123, as last amended by Section 13, Chapter 360, O.S.L. 1993 (70 O.S. Supp. 1995, Section 16-123), is amended to read as follows:

Any superintendent of schools, any member of a board of education, and any member of a local textbook committee who directly or indirectly solicits, receives or agrees to receive any money, goods, bribe, present, reward or any valuable thing whatsoever with the intent and which will have the effect to influence a decision on any question, matter, cause or proceeding in the ~~selection or adoption~~ recommendation of any textbook or series of textbooks, upon conviction, shall be guilty of a misdemeanor, and shall be punished by a fine of not to exceed Five Hundred Dollars (\$500.00), or by imprisonment in the county jail for a term of not to exceed six (6) months, or both such fine and imprisonment.

When determining the Minimum Salary Schedule, "fringe benefits" shall mean all or part of hospital or medical benefits, and sickness, accident, health or life insurance, and retirement benefits, excluding the contributions made pursuant to subsection A of Section 17-108.1 of this title. Any of the degrees referred to in this section shall be from a college recognized by the State Board of Education. The State Board of Education shall accept teaching experience from out-of-state school districts that are accredited by the State Board of Education or appropriate state accrediting agency for said districts. For the purpose of state salary increments and retirement, no teacher shall be granted credit for more than five (5) years' active duty in the military service,

or out-of-state teaching experience as a certified teacher or its equivalent. Nothing in this section shall prohibit boards of education from crediting more years of experience on local salary schedules than those allowed for state purposes. The State Board of Education shall recognize, for purposes of certification and salary increments, the years of experience of a certified teacher who teaches in the Department of Corrections' educational program beginning with fiscal year 1981. The State Board of Education shall recognize for purposes of certification and salary increments the years of experience of a Vocational Rehabilitation Counselor under the Department of Human Services if such counselor was employed as a certified teacher by the State Department of Education when the Division of Vocational Rehabilitation was transferred from the State Board for Vocational Education or the State Board of Education to the Oklahoma Public Welfare Commission on July 1, 1968.

The State Board of Education shall recognize for purposes of certification and salary increments all of the years of experience that a certified school psychologist or psychometrist completed while employed as a doctoral intern, psychological assistant, or psychologist with any agency of the State of Oklahoma if such experience primarily involved work with persons of school or pre-school age and if such person was, at the time the experience was acquired, certified as, or eligible for certification as, a school psychologist or psychometrist.

SECTION 29. AMENDATORY 70 O.S. 1991, Section 18-201, as last amended by Section 1, Chapter 359, O.S.L. 1994 (70 O.S. Supp. 1995, Section 18-201), is amended to read as follows:

Section 18-201. A. The weighted average daily membership of a school district for calculation of Foundation Aid purposes pursuant to Section 18-200 of this title shall be the sum of the weighted pupil grade level calculation, the weighted pupil category calculation and the weighted district calculation. The weighted average daily membership of a school district for calculation of Salary Incentive Aid purposes pursuant to Section 18-200 of this title shall be the sum of the weighted pupil grade level calculation, the weighted pupil category calculation, the weighted district calculation, and the weighted teacher experience and degree calculation.

B. The weighted calculations provided for in subsection A of this section shall be determined as follows:

1. The weighted pupil grade level calculation shall be determined by taking the highest average daily membership of the preceding two (2) years of a school district and assigning weights to the pupils according to grade attended as follows:

	GRADE LEVEL	WEIGHT
a.	Early childhood programs	.5
		<u>1.3</u>
b.	Kindergarten	1.3
c.	First and second grade	1.351
d.	Third grade	1.051
e.	Fourth through sixth grade	1.0
f.	Seventh through twelfth grade	1.2

Multiply the membership of each grade by the weight assigned to such grade and add the totals together to determine the weighted pupil

grade level calculation for a school district. Determination of the pupils eligible for the early childhood program weight shall be pursuant to the provisions of Section 1-114 of this title. No child for whom tuition is paid pursuant to the provisions of Section 1-114 of this title may be included in the average daily membership of the district providing the early childhood program.

2. The weighted pupil category calculation shall be determined by assigning a weight to the pupil category as follows:

CATEGORY	WEIGHT
a. Vision Impaired	3.8
b. Learning Disabilities	.4
c. Hearing Impaired	2.9
d. Deaf and Blind	3.8
e. Educable Mentally Handicapped	1.3
f. Emotionally Disturbed	2.5
g. Gifted	.34
h. Multiple Handicapped	2.4
i. Physically Handicapped	1.2
j. Speech Impaired	.05
k. Trainable Mentally Handicapped	1.3
l. Bilingual	.25
m. Special Education Summer Program	1.2
n. Economically Disadvantaged	.25
o. Optional Extended School Year Program	As determined by the State Board of

Education

Except as otherwise provided, multiply the number of pupils approved in the preceding school year in each category by the weight assigned to such category and add the totals together to determine the

weighted pupil category calculation for a school district. For the 1995-96 school year the number to be multiplied by the weight assigned to the gifted category in subparagraph g of this paragraph shall be the lesser of (1) the sum of the number of students who scored in the top three percent (3%) on any national standardized test of intellectual ability plus the number of students identified as gifted pursuant to subparagraphs a through d of paragraph 1 of Section 1210.301 of this title or (2) the sum of the number of students who scored in the top three percent (3%) on any national standardized test of intellectual ability plus twelve percent (12%) of the total average daily membership of the school district for the preceding school year. For the 1996-97 school year and subsequent school years the number to be multiplied by the weight assigned to the gifted category in subparagraph g of this paragraph shall be the lesser of (1) the sum of the number of students who scored in the top three percent (3%) on any national standardized test of intellectual ability plus the number of students identified as gifted pursuant to subparagraphs a through d of paragraph 1 of Section 1210.301 of this title or (2) the sum of the number of students who scored in the top three percent (3%) on any national standardized test of intellectual ability plus eight percent (8%) of the total average daily membership of the school district for the preceding school year.

3. The weighted district calculation shall be determined by determining the calculations for each school district for both the small school district formula and the district sparsity -isolation formula, applying whichever is the greater of the calculations of the two formulas and then applying the restrictions pursuant to subparagraph c of this paragraph.

a. Small school district formula: 529 minus total

average daily membership divided by 529 times .2 times total average daily membership.

The small school district formula calculation shall apply only to school districts whose highest average daily membership of the preceding two (2) years is less than 529 pupils. School districts which are consolidated or annexed after August 19, 1991, pursuant to the Oklahoma School Consolidation and Annexation Act shall have the weighted district size calculation for the two (2) school years following the fiscal year in which such consolidation occurred calculated to be the sum of the individual consolidated districts computed as if the consolidation had not taken place. Thereafter, any such district which is consolidated pursuant to the Oklahoma School Consolidation and Annexation Act shall not qualify for the weighted district calculation unless the district can satisfy the specifications herein. Subject to the provisions of subparagraph c of this paragraph, the resulting number shall be counted as additional students for the purpose of calculating State Aid.

b. District sparsity - isolation formula:

The district sparsity - isolation formula calculation shall apply only to school districts:

- (1) whose total area in square miles is greater than the average number of square miles for all school districts in this state; and
- (2) whose areal density is less than one-fourth (1/4) of the state average areal density. Areal density shall be determined by dividing the

school district's average daily membership by the school district's total area in square miles.

The district sparsity - isolation formula calculation shall be calculated as follows:

The school district student cost factor multiplied by the school district area factor. The resulting product shall be multiplied by the school district's average daily membership. Subject to the provisions of subparagraph c of this paragraph, the resulting number shall be counted as additional students for the purpose of calculating State Aid.

The school district student cost factor shall be calculated as follows:

The school district's average daily membership shall be categorized into the following grade level groups and applied to the appropriate formulas as computed below:

Grade Level Group

Grades K-5 Divide 74 by the sum of the Grade Level ADM plus 23, add .85 to the quotient, then multiply the sum by the Grade Level ADM.

Grades 6-8 Divide 122 by the sum of the Grade Level ADM plus 133, add .85 to the quotient, then multiply the sum by the Grade Level ADM.

Grades 9-12 Divide 292 by the sum of the Grade Level ADM plus 128, add .78 to the quotient, then multiply the sum by the Grade Level ADM.

The sum of the grade level group's average daily membership shall be divided by the school district's average daily membership. The number one (1.0) shall be subtracted from the resulting quotient.

The school district area cost factor shall be calculated as follows:

Subtract the state average district area from the district area, then divide the remainder by the state average district area;

however, the district area cost factor shall not exceed one (1.0).

The State Board of Education shall define geographical barriers whose location in a school district would inhibit the district from consolidation or annexation. The Board shall make available an application process, review applications, and for districts the Board deems necessary allow additional square miles to be used for the purposes of calculations used for the weighted district sparsity-isolation formula. Provided that the additional square miles allowed for geographical barriers shall not exceed thirty percent (30%) of the district's actual size.

c. State Aid funds which a district is calculated to receive as a result of the weighted district calculation shall be restricted as follows:

(1) If after the weighted district calculation is applied, the district's projected per pupil revenue exceeds one hundred fifty percent (150%) of the projected state average per pupil revenue then the district's State Aid shall be reduced by an amount that will restrict the district's projected per pupil revenue to one hundred fifty

percent (150%) of the projected state average per pupil revenue. Provided, in applying the restriction provided in this division, the district's State Aid shall not be reduced by an amount greater than by the amount of State Aid which was generated by the weighted district calculation.

Projected per pupil revenue shall be determined by dividing the highest of the district's preceding two years average daily membership (ADM) as weighted by the pupil grade level, the pupil category, the district and the teacher experience degree index calculations for projected State Aid into the district's projected total revenues including projected funds for the current State Aid Formula, net assessed valuation for the preceding calendar year times thirty-nine (39) mills, county revenues of the second preceding year, other state appropriations for the preceding year and the collections for the second preceding year of state apportionment, motor vehicle revenue, gross production tax and R.E.A. tax. The district's projected total revenues shall exclude the following collections for the second preceding year: federal revenue, insurance loss payments, reimbursements, recovery of overpayments and refunds, unused reserves, prior expenditures recovered, prior year surpluses, and other local miscellaneous revenues.

4. The weighted teacher experience and degree calculation shall be determined in accordance with the teacher experience and degree

index. The State Department of Education shall determine an index for each state teacher by using data supplied in the school district's teacher personnel reports of the preceding year and utilizing the index as follows:

TEACHER EXPERIENCE - DEGREE INDEX

EXPERIENCE	BACHELOR'S DEGREE	MASTER'S DEGREE	DOCTOR'S DEGREE
0 - 2	7	9	1.1
3 - 5	8	1.0	1.2
6 - 8	9	1.1	1.3
9 - 11	1.0	1.2	1.4
12 - 15	1.1	1.3	1.5
Over 15	1.2	1.4	1.6

The school district teacher index for each school district shall be determined by subtracting the weighted average state teacher from the weighted average district teacher. Multiply the school district teacher index if greater than zero by .7 and then multiply that product by the sum of the district's weighted pupil grade level calculation provided in paragraph 1 of this subsection and the weighted pupil category calculation provided in subparagraph n of paragraph 2 of this subsection to determine the weighted teacher experience and degree calculation.

SECTION 30. AMENDATORY 70 O.S. 1991, Section 24-101, as last amended by Section 1, Chapter 227, O.S.L. 1995 (70 O.S. Supp. 1995, Section 24-101), is amended to read as follows:

Section 24-101. A. Any pupil who is guilty of immorality or violation of the regulations of a public school may be suspended by the principal of such school, which suspension shall not extend beyond the current school semester and the succeeding semester. Such suspensions may include, but not be limited to, placing the

pupil into: another appropriate classroom, in-school suspension, an alternative school setting, or home-based instruction. The terms of the suspension also may prohibit the pupil from attending or participating in a school-sponsored or school-related activity.

B. A teacher may remove from class a pupil:

1. Who has been documented by the teacher to repeatedly interfere with the teacher's ability to communicate effectively with the pupils in the class or with the ability of the pupil's classmates to learn; or

2. Whose behavior the teacher determines is so unruly, disruptive, or abusive that it seriously interferes with the teacher's ability to communicate effectively with the pupils in the class or with the ability of the pupil's classmates to learn.

C. If a teacher removes a pupil from class under subsection B of this section, the principal may suspend the pupil pursuant to subsection A of this section. The principal may not return the pupil to that teacher's class without the teacher's consent unless a district appeals committee authorized by the district board of education or the district board of education itself determines that such placement is the most appropriate or only alternative available. The terms of the removal may prohibit the pupil from attending or participating in a school-sponsored or school-related activity.

D. A teacher shall remove from class a pupil who engages in conduct described in subsection H of this section. The principal may suspend the student pursuant to subsection A of this section. The student may not be returned to that teacher's class without the teacher's consent unless a district appeals committee authorized by the district board of education or the district board of education

itself determines that such placement is the most appropriate or only alternative available.

E. Unless the district board of education has adopted a policy authorizing appeal to a committee under circumstances as provided in this section and the suspension falls within the category of suspensions to which appeal to a committee is authorized, the suspended pupil shall have the right to appeal from the decision of such principal to the board of education of the district, which shall, upon a full investigation of the matter, determine the guilt or innocence of the pupil and the reasonableness of the term of the suspension, and its decision shall be final. 5. The certified staff members at each school site receiving reward funds shall by majority rule collectively decide on the ways the reward funds shall be spent; and

6. The Department of Education shall send the school's reward to the local district office for transmittal to the school.

B. The State Board of Education shall adopt by administrative rule the formula to be used to determine successful schools. The formula shall include, but not be limited to the following factors:

A school that does not reach its original threshold level but maintains the previous proportion of successful students after the second biennial review shall be required to meet the provisions of subsection D of this section.

D. A school in which the proportion of successful students declines by less than five percent (5%) shall be required to rewrite and resubmit a four-year improvement plan as required by Section 5-117.4 of Title 70 of the Oklahoma Statutes and shall be declared a low achieving school subject to the provisions of subsection A of Section 1210.541 of Title 70 of the Oklahoma Statutes.

significant new circumstances occurring during the biennial assessment period which are beyond the control of the school.
