BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. AMENDATORY 85 O.S. 1991, Section 3, as last amended by Section 1, Chapter 363, O.S.L. 1996 (85 O.S. Supp. 1996, Section 3), is amended to read as follows:

Section 3. As used in the Workers' Compensation Act:

2. "Court" means the Workers' Compensation Court;
3. "Employer", except when otherwise expressly stated, means a person, partnership, association, limited liability company, corporation, and the legal representatives of a deceased employer, or the receiver or trustee of a person, partnership, association, corporation, or limited liability company, departments, instrumentalities and institutions of this state and divisions thereof, counties and divisions thereof, public trusts, boards of

education and incorporated cities or towns and divisions thereof, employing a person included within the term "employee" as herein defined;

4. "Employee" means any person engaged in the employment of any person, firm, limited liability company or corporation covered by the terms of the Workers' Compensation Act, and shall include workers associating themselves together under an agreement for the performance of a particular piece of work, in which event such persons so associating themselves together shall be deemed employees of the person having the work executed; provided, that if such associated workers shall employ a worker in the execution of such contract, then as to such employed worker, both the associated employees and the principal employer shall at once become subject to the provisions of the Workers' Compensation Act relating to independent contractors. Sole proprietors, members of a partnership, members of a limited liability company who own at least ten percent (10%) of the capital of the limited liability company or any stockholder-employees of a corporation who own ten percent (10%) or more stock in the corporation are specifically excluded from the foregoing definition of "employee", and shall not be deemed to be employees as respects the benefits of the Workers' Compensation Act. Provided, a sole proprietor, member of a partnership, member of a limited liability company who owns at least ten percent (10%) of the capital of the limited liability company or any stockholder-employee of a corporation who owns ten percent (10%) or more stock in the corporation who does not so elect to be covered by a policy of insurance covering benefits under the Workers' Compensation Act, when acting as a subcontractor, shall not be eligible to be covered under the prime contractor's policy of workers' compensation insurance; however, nothing herein shall relieve the entities enumerated from providing workers' compensation insurance coverage for their employees. Sole proprietors, members of a partnership, members of a limited liability company who own at least ten percent (10%) of the capital of the limited liability company or any stockholder-employees of a corporation who own ten percent (10%) or more stock

Section 1128. A. Every person manufacturing or having a contract to sell new vehicles in this state shall file a verified application for a general distinctive number for all new vehicles owned or controlled by the manufacturer or dealer; provided, the Oklahoma Tax Commission shall issue a license to sell such new motor vehicles only for those types of new vehicles for which the applicant has a sales contract or franchise; provided, further, that no license shall be issued to any applicant that has not complied with the provisions of Sections 561 through 568 of this title and does not hold a current license issued by the Oklahoma Motor Vehicle Commission pursuant thereto. A separate manufacturer's or dealer's license shall be required for each separate county within which such manufacturer or dealer has an established place of business and upon payment of a license fee of Ten Dollars (\$10.00) there shall be assigned and issued to such manufacturer or dealer a Certificate of Registration and one license plate which shall be displayed upon each vehicle of such manufacturer or dealer when same is operated, driven, or displayed on any street, road, or highway, in the same manner as hereinbefore provided for vehicles owned by other persons. Such a manufacturer or dealer in new vehicles may obtain as many additional license plates as may be desired, upon the payment of the sum of Ten Dollars (\$10.00) for each additional plate; provided that no such license plate issued to any manufacturer or

dealer shall be used or displayed upon any secondhand or used vehicle, or upon any new vehicle which is used for a service car, or private use, or for hire. Any person, with consent of the dealer, may operate a motor vehicle, with the dealer's tag affixed, while contemplating purchase, so long as this intent is limited to a consecutive seventy-two-hour period, or a weekend. An individual holding a valid salesman's license issued by the Oklahoma Motor Vehicle Commission shall not be subject to this limitation. If such person also buys and sells used vehicles, he shall, after obtaining his new motor vehicle dealer's license from the Oklahoma Motor Vehicle Commission, also obtain a used motor vehicle dealer's license, from the Used Motor Vehicle and Parts Commission, the cost of which shall be as prescribed in Section 1101 et seq. of this title.

B. Each dealer and used motor vehicle dealer shall keep a record of the purchase and sale of each motor vehicle he buys or sells, which shall show the name of the seller or buyer as the case may be, and a complete description of the vehicle purchased or sold, and such other information as the Commission may prescribe.

C. Application for manufacturer's or dealer's license must show that such dealer or manufacturer has not violated any of the provisions of this section; and such license shall be nonassignable; and any such license may be suspended temporarily or revoked by the Commission for violation or failure to comply with this section, provided, the holder of such license shall be given ten (10) days' notice of hearing to suspend or cancel such license. If any such person subject to any of the licenses required in this section fails to obtain it when due, a penalty of twenty-five cents (\$0.25) per day on each such license shall be charged in the same manner as is now provided on delinquent motor vehicle registrations, and after a period of thirty (30) days such penalty shall be equal to the license fee. It shall be the duty of every person licensed to sell new or used motor vehicles to advise each purchaser in writing about his title requirements and payment of any taxes due. Each used motor vehicle must display a

proper Oklahoma license plate or a used dealer's license plate. Dealers failing to comply with provisions of this section shall be responsible for all taxes due on such sales or on such vehicles.

D. Every person engaged in the business of transporting and delivering new or used vehicles by driving, either singly or by towbar, saddle mount or full mount method, engaging in drive-away operations as defined in Section 3 of Title 85 of the Oklahoma Statutes, or any combination thereof, from the manufacturer or shipper to the dealer or consignee and using the public highways of this state shall file with the Commission a verified application for in-transit license plates to identify such vehicles. The application shall provide for a general distinctive number for all vehicles so transported. Upon payment of a license fee of Ten Dollars (\$10.00) there shall be assigned and issued to such person one in-transit plate. Such in-transit plate shall be used by such person only on vehicles when so transported. Such person may obtain as many additional in-transit plates as desired upon payment of a fee of Ten Dollars (\$10.00) for each additional plate. Provided, a used motor vehicle dealer shall use a used dealer license plate in lieu of the in-transit license plate for transporting a used motor vehicle and, in such cases, shall be exempt from making application for an in-transit license plate. Provided further, only a person who possesses a certificate issued by the Interstate Commerce Commission or the Corporation Commission to engage in the business of transporting and delivering manufactured homes for hire may use the in-transit license plates obtained by them as herein authorized for transporting new or used manufactured homes from one location to another location within Oklahoma or from a point in another state to a point in this state. Nothing contained in this section shall relieve any person from the payment of license fees otherwise provided by law. When the Commission deems it advisable and in the public interest, it may require the holder of any in-transit license, or any person making application therefor, to file a proper surety bond in any amount it deems proper, not to exceed Ten Thousand Dollars (\$10,000.00).

E. The Oklahoma Tax Commission shall issue dealer licenses to new and used manufactured home dealers, new and used travel trailer dealers and new and used commercial trailer dealers.

F. All licenses provided for in this section shall expire on December 31 of each year.

SECTION 3. This act shall become effective November 1, 1997.
