A district court may grant injunctive relief to prevent a violation of, or to compel a compliance with, any of the provisions of this Code or any rule promulgated thereunder or order, license or permit issued pursuant to this Code.

B. Nothing in this part shall preclude the Department from seeking penalties in District Court in the maximum amount allowed by law. The assessment of penalties in an administrative enforcement

proceeding shall not prevent the subsequent assessment by a court of the maximum civil or criminal penalties for violations of this Code.

C. Any person assessed an administrative or civil penalty shall be required to pay, in addition to such penalty amount and interest thereon, attorneys fees and costs associated with the collection of such penalties.

D. For purposes of this section, each day or part of a day upon which such violation occurs shall constitute a separate violation.

E. The Attorney General or the district attorney of the appropriate district court of Oklahoma may bring an action in a court of competent jurisdiction for the prosecution of a violation by any person of a provision of this Code or any rule promulgated thereunder, or order, license or permit issued pursuant thereto.

F. 1. Any action for injunctive relief to redress or restrain a violation by any person of this Code or ~~for~~ of any rule promulgated thereunder, or order, license, or permit issued pursuant thereto or for recovery of any administrative or civil penalty assessed pursuant to this Code may be brought by:

- a. the district attorney of the appropriate district court of the State of Oklahoma,
- b. the Attorney General on behalf of the State of Oklahoma, or
- c. the Department on behalf of the State of Oklahoma.

2. The court shall have jurisdiction to determine said action, and to grant the necessary or appropriate relief, including but not limited to mandatory or prohibitive injunctive relief, interim equitable relief, and punitive damages.

3. In any judicial action in which the Department seeks injunctive relief and alleges by verified petition that:

- a. the defendant's actions or omissions constitute a violation of the Code or a rule, order, license or permit, and

b. the actions or omissions present an imminent and substantial endangerment to health or the environment if allowed to continue during the pendency of the action,

the Department shall be entitled to obtain a temporary order to prohibit such acts or omissions to the extent they present an imminent and substantial endangerment to health or the environment. Such temporary order shall remain in effect during the pendency of the judicial action or until such time as the court finds that the criteria of subparagraphs a and b of this paragraph no longer exist.

4. It shall be the duty of the Attorney General and district attorney ~~if requested by the Executive Director~~ to bring such actions, if requested by the Executive Director of the Department.

G. Except as otherwise provided by law, administrative and civil penalties shall be paid into the Department of Environmental Quality Revolving Fund.

H. In determining the amount of a civil penalty the court shall consider such factors as the nature, circumstances and gravity of the violation or violations, the economic benefit, if any, resulting to the defendant from the violation, the history of such violations, any good faith efforts to comply with the applicable requirements, the economic impact of the penalty on the defendant, the defendant's degree of culpability, and such other matters as justice may require.

I. In addition to or in lieu of any administrative enforcement proceedings available to the Department, the Department may take or request civil action or request criminal prosecution, or both, as provided by law for any violation of this Code, rules promulgated thereunder, or orders issued, or conditions of permits, licenses, certificates or other authorizations prescribed pursuant thereto.

SECTION 2. AMENDATORY 63 O.S. 1991, Section 1-2012.1, as last amended by Section 109, Chapter 145, O.S.L. 1993, and as

Section 2-7-126. In addition to any other remedies provided in the Oklahoma Hazardous Waste Management Act, the Department of Environmental Quality may issue a written order to any person whom the Department has reason to believe has violated or is presently in violation of the Oklahoma Hazardous Waste Management Act, or any rule promulgated thereunder.

1. Such order may require compliance with the Oklahoma Hazardous Waste Management Act or such rule immediately or within a specified time period or both. Such order may also assess an administrative penalty for any past or current violation of the Oklahoma Hazardous Waste Management Act or the rules and for each day or part of a day that such person fails to comply with such order.

- a. Any order issued pursuant to this section shall state with specificity the nature of the violation or violations.
- b. Any penalty assessed in the order shall not exceed Twenty-five Thousand Dollars (\$25,000.00) per day of noncompliance for each violation of the Oklahoma Hazardous Waste Management Act, the rules or the order. In assessing such penalties, the Executive Director shall consider the seriousness of the violation or violations and any good faith efforts to comply with applicable requirements.

2. Any order issued pursuant to this section shall become a final order unless, no later than fifteen (15) days after the order is served, the person or persons named therein request an administrative enforcement hearing. Upon such request the Department shall promptly provide for the hearing. The Department shall dismiss such proceedings where past and current compliance

with the Oklahoma Hazardous Waste Management Act, the rules and the order is demonstrated.

- a. Orders and hearings are subject to the Administrative Procedures Act.
- b. A final order following an enforcement hearing may assess an administrative penalty of an amount based upon consideration of the evidence but not exceeding the amount stated in the written order.
- c. The Department may adopt procedural rules as necessary and appropriate to implement the provisions of this section.

3. Any order issued pursuant to ~~this section~~ the Oklahoma Hazardous Waste Management Act may require that corrective action be taken beyond the hazardous waste facility boundary where necessary to protect human health and the environment, unless the owner or operator of the facility demonstrates that, despite the owner's or operator's best efforts, the owner or operator is unable to obtain the necessary permission to undertake such action.

SECTION 3. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 2-7-134 of Title 27A, unless there is created a duplication in numbering, reads as follows:

A. Unless otherwise authorized by the Department of Environmental Quality or stayed by a court of review, if a hazardous waste treatment, storage, disposal or recycling facility fails to remit to the Department any administrative penalty assessed against the facility pursuant to the provisions of the Oklahoma Environmental Quality Code, within the time period established by the final or consent order, the Department shall summarily suspend the permit of the facility.

B. Unless otherwise authorized by the Department or stayed by a court of review, if a hazardous waste treatment, storage, disposal or recycling facility fails to pay to the Department any fee

required to be remitted to the Department on a quarterly, annually or other periodic basis pursuant to the provisions of this article or by rule promulgated pursuant thereto within sixty (60) days after an invoice is mailed by certified mail, return receipt requested, to the facility by the Department, the Department shall summarily suspend the permit of the facility.

C. Following suspension of a permit pursuant to the provisions of this section, the Department shall promptly institute proceedings for revocation of the permit pursuant to Section 2-3-502 of Title 27A of the Oklahoma Statutes.
