Worthen of the House

and

Smith of the Senate

An Act relating to public health and safety; amending
63 O.S. 1991, Section 1-524, which relates to
testing certain persons for human immunodeficiency
virus; modifying court proceeding at which certain
orders may be entered; providing an effective date;
and declaring an emergency.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. AMENDATORY 63 O.S. 1991, Section 1-524, is
amended to read as follows:

Section 1-524. A. The keeper of any prison or penal
institution in this state shall cause to be examined every person
confined in such prison or penal institution, to determine whether
such person is an infected person.

B. Any licensed physicians may examine persons who are arrested
by lawful warrant for prostitution, or other sex crimes not

specified in subsection C of this section, for the purpose of determining if they are infected with a venereal disease or a communicable disease including, but not limited to, the human immunodeficiency virus (HIV). Any such examination shall be made subsequent to arrest and if the examination is for the human immunodeficiency virus, upon order of the court issued at the arraignment of the arrested person. Every person shall submit to the examination and shall permit specimens to be taken for laboratory examinations. Such person may be detained until the results of the examination are known. The examination shall be made by a licensed physician. A determination as to whether or not the person is infected shall not be based on any prior examination. Any person found to be infected with a venereal disease shall be treated by the Commissioner or local health officer, or a physician of such person's own choice, until such person is noninfectious or dismissed by the Commissioner or local health officer or physician. In the event a person infected with a venereal disease refuses or fails to submit to treatment, then such person may be quarantined for the purpose of treatment, and a report thereof shall be made to the State Commissioner of Health.

C. A licensed physician shall examine persons who are arrested by lawful warrant for the offense of first or second degree rape, forcible sodomy or the intentional infection or attempt to intentionally infect a person with the human immunodeficiency virus pursuant to Section 1192.1 of Title 21 of the Oklahoma Statutes, for the purpose of determining if they are infected with a venereal disease or a communicable disease including, but not limited to, the human immunodeficiency virus (HIV). The court shall issue an order for this examination upon the arraignment of the person arrested for any of the offenses specified in this subsection. At the request of the victim or the district attorney, the judge may order the said tests at the initial appearance. The order requiring such test

shall not include the name and address of the alleged victim but shall provide that the alleged victim shall be notified of the test results.

SECTION 2. This act shall become effective July 1, 1998.

SECTION 3. It being immediately necessary for the preservation of the public peace, health and safety, an emergency is hereby declared to exist, by reason whereof this act shall take effect and be in full force from and after its passage and approval.

Passed the House of Representatives the 23rd day of February, 1998.

Speaker of the House of Representatives

Passed the Senate the ____ day of _____, 1998.

President of the Senate
