SECTION 12. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1025.2 of Title 56, unless there is created a duplication in numbering, reads as follows:

A. 1. Except as otherwise provided by subsection C of this section, before any community services provider makes an offer to employ or to contract with a community services worker applicant to provide health-related services, training, or supportive assistance to a person with a developmental disability, the community services provider shall:

- a. provide, prior to a check with the Department of Human Services, for a criminal history records search to be made on the community services worker applicant or contractor pursuant to the provisions of this section, and
- b. check with the Department of Human Services to determine if the name of the applicant seeking employment or contract has been entered on the community services worker registry created pursuant to Section 13 of this act. Prior to a decision by the Department not to enter the name of a community services worker on such registry, the Department shall allow for notice and opportunity for due process for such community services worker against whom a final investigative finding by the Department of Human Services or a finding by an Administrative Law Judge of abuse, neglect, or exploitation of an individual has been made. The Department of Human Services is authorized to charge a community services provider a reasonable fee for access to the registry. If the name of the applicant seeking employment or a contract with the community services provider is listed on the registry as having a final Department of Human Services investigative finding or a finding by an Administrative Law Judge pursuant to the requirements of Section 13 of this act, and the Department has allowed for notice and opportunity for due process for such applicant, the provider shall not hire the applicant.

2. A community services provider is authorized to obtain records of any criminal conviction, guilty plea, or plea of nolo contendere maintained by the Oklahoma State Bureau of Investigation which the employer is required or authorized to request pursuant to the provisions of this section.

3. The community services provider shall request the Bureau to conduct a criminal history records search on a community services worker desiring employment or a contract with the provider and shall provide to the Bureau any relevant information required by the Bureau to conduct the search. The community services provider shall pay a reasonable fee to the Bureau for each criminal history records search that is conducted pursuant to such a request, such fee to be determined by the Oklahoma State Bureau of Investigation.

4. The requirement of a criminal history records search shall not apply to an offer of employment made to:

- a. any person who is the holder of a current license or certificate issued pursuant to the laws of this state authorizing such person to practice the healing arts,
- b. a registered nurse or practical nurse licensed pursuant to the Oklahoma Nursing Practice Act,
- c. a physical therapist registered pursuant to the Physical Therapy Practice Act,

- d. a physical therapist assistant licensed pursuant to the Physical Therapy Practice Act,
- e. a social worker licensed pursuant to the provisions of the Social Worker's Licensing Act,
- f. a speech pathologist or audiologist licensed pursuant to the Speech Pathology and Audiology Licensing Act,
- g. a dietitian licensed pursuant to the provisions of the Licensed Dietitian Act, or
- h. an occupational therapist licensed pursuant to the Occupational Therapy Practice Act.

B. At the request of the community services provider, the Bureau shall conduct a criminal history records search on any applicant desiring employment or a contract pursuant to subsection A of this section or any worker employed by the community services provider, including any of the workers specified in paragraph 4 of subsection A of this section, at any time during the period of employment of such worker with the provider.

C. A community services provider may make an offer of temporary employment to a community services worker pending the results of such criminal history records search and the registry review on the applicant. The community services provider in such instance shall provide to the Bureau the name and relevant information relating to the applicant within seventy-two (72) hours after the date the applicant accepts temporary employment. Temporary employment shall not exceed thirty (30) days. The community services provider shall not hire or contract with an applicant as a community services worker on a permanent basis until the results of the criminal history records search and the registry review are received.

D. Within five (5) days of receipt of a request to conduct a criminal history records search, the Bureau shall complete the criminal history records search and report the results of the search to the requesting community services provider.

E. Every community services provider shall inform each applicant for employment, or each prospective contract worker, as applicable, that the community services provider is required to obtain a criminal history records search and a registry review before making an offer of permanent employment or a contract with the community services worker or applicant described in subsection A of this section.

F. 1. If the results of any criminal history records search from any jurisdiction reveals that the subject worker or applicant has been convicted, or pled guilty or nolo contendere to a felony or misdemeanor, the employer shall not hire or contract with the applicant, but shall immediately terminate the community services worker's employment, contract, or volunteer arrangement, subject to the provisions of paragraph 2 of this subsection.

2. The community services provider may request, in writing, a waiver of the provisions of paragraph 1 of this subsection from the Director of the Department of Human Services, or a designee of the Director, and such provisions may be waived in writing by the Director of the Department of Human Services or a designee of the Director. The Director or a designee of the Director may waive the provisions based upon standards promulgated by the Commission for Human Services. No waiver shall be granted for offenses resulting in a felony conviction or plea of guilty or nolo contendere to a felony that occurred less than five (5) calendar years prior to the date of request. In no case shall a waiver be granted for employment of a community services worker who has been convicted of, or pled guilty or nolo contendere to, a felony count of aggravated assault and battery, homicide, murder, attempted murder, rape,

incest, sodomy, or abuse, neglect, or financial exploitation of any person entrusted to the worker's care.

G. All criminal history records received by the community services provider are for the exclusive use of the Department of Human Services and the community services provider which requested the information. Except as otherwise provided by this chapter or upon court order or with the written consent of the person being investigated, the criminal history records shall not be released or otherwise disclosed to any other person or agency.

H. Any person releasing or disclosing any information in violation of this section, upon conviction thereof, shall be guilty of a misdemeanor.

I. As part of any inspections required by law, the Department of Human Services shall review the employment files of the community services provider required to conduct a criminal history records search to ensure such community services provider is in compliance with the provisions of this section.

SECTION 13. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1025.3 of Title 56, unless there is created a duplication in numbering, reads as follows:

The finding of the Administrative Law Judge may be appealed to the district court in which the community services worker or applicant resides within thirty (30) days of the date of the decision. A copy of the petition shall be served by mail upon the general counsel of the Department of Human Services.

SECTION 14. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1025.4 of Title 56, unless there is created a duplication in numbering, reads as follows:

In addition to the fine, such violator may be imprisoned in the county jail for not more than thirty (30) days. Each day that such violation continues shall be considered to be a separate violation.

SECTION 15. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1030.1 of Title 56, unless there is created a duplication in numbering, reads as follows:

A. The Department of Human Services may, upon its own initiative or at the request of an owner, operator or resident of any agency providing residential services to people with mental retardation, or at the request of a resident's guardian or relative, petition the court to appoint a receiver to take possession of and operate an agency providing residential services, except a facility subject to the provisions of the Nursing Home Care Act. When requested to file a petition, the Department of Human Services shall determine if proper cause exists, and shall take whatever steps are necessary to protect the health, welfare and safety of residents including, if necessary, petitioning the court to place the agency under the control of a receiver to ensure that the residents receive adequate care.

B. Upon the filing of a petition by the Department of Human Services, subject to other provisions of this article, a court may appoint a receiver to take possession of and operate an agency licensed by or contracting with the Department of Human Services or the Oklahoma Health Care Authority to provide community residential supports to individuals with mental retardation or other developmental disabilities when there is actual, imminent or substantial risk of serious physical or mental harm or death to residents, and no other remedies at law are adequate to protect the health, safety and welfare of the residents.

C. Conditions and factors which may result in mental or physical harm or death, or risk of harm or death, as described in subsection B of this section include, but are not limited to, instances when any of the following occur:

1. The residential agency has violated, or has demonstrated a pattern and practice of repeated violations of, state or federal law, rule or regulation which affect health and safety;

2. The residential agency is in the process of terminating services or intends to cease operations, and arrangements for relocating residents are dangerously inadequate; or

3. The residential agency is insolvent as defined in subsection C of Section 16 of this act, and a receivership is necessary to protect the health and safety of the residents.

D. Petitions filed pursuant to this section shall include the following:

1. A description of the specific conditions, conduct, or occurrences existing at the agency which have resulted in serious physical or mental harm or death or which present a substantial risk of serious physical or mental harm or death to residents;

2. A statement explaining why other remedies of law are inadequate;

3. The number of individuals receiving residential services from the agency who have been seriously harmed or died, or are at substantial risk of such harm or death;

4. A statement that the facts have been brought to the attention of the owner or administrator and that conditions have not

been remedied within a reasonable period of time or that the conditions, though remedied periodically, habitually exist at the agency as a pattern or practice;

5. The name and address of the persons holding a contract for the agency or serving as the duly authorized agent of the contract and the address of a designated representative for the Director of the Department of Human Services and the Administrator of the Oklahoma Health Care Authority; and

6. A listing of any other reasons that may apply as set forth in this subsection.

E. No party, attorney, or person interested in an action shall be appointed a receiver pursuant to this section. To assist the court in identifying persons qualified to be named as receivers, the Director of the Department of Human Services or the Director's designee shall maintain a list of the names of such persons that the court may consider.

F. The court may award to a residential agency appropriate costs and expenses, including reasonable attorney fees, if the court determines that a petitioner has initiated a proceeding in bad faith or merely for the purpose of harassing or embarrassing the residential agency.

SECTION 16. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1030.2 of Title 56, unless there is created a duplication in numbering, reads as follows:

A. The court shall hold a hearing within five (5) days of the filing of the petition. The petition and notice of the hearing shall be served by the petitioner on the owner, administrator or designated agent of the agency, and the Oklahoma Health Care Authority. The petition and notice shall be posted in a conspicuous place in the agency not later than three (3) days before the time specified for the hearing, unless a different time limit is fixed by order of the court.

B. The court may appoint a receiver ex parte pending the hearing if the Department of Human Services provides testimony, under oath, that there has been a loss of life or a life-endangering situation exists for which an adequate remedy at law does not exist. Following the hearing on the petition, and upon a determination that the appointment of a receiver is warranted, the court may then appoint a different receiver or extend the term of the ex parte receiver.

C. When the operating revenue of a residential agency in receivership is insufficient to meet its operating expenses, including the cost of bringing the agency and residences into compliance with state or federal laws or rules or regulations or provisions of the agency's contract, or to protect the health and safety of the residents, the operator shall be deemed insolvent. The Department of Human Services may reimburse the receiver for those expenses from funds available for such uses and expenses.

D. The receiver, the Department of Human Services and the Oklahoma Health Care Authority are not liable for debts incurred by the owner or operator of an agency providing community residential services for which a receiver has been appointed.

E. Notwithstanding any other provision of law, contracts that are necessary to carry out the powers and duties of the receiver need not be competitively bid.

SECTION 17. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1030.3 of Title 56, unless there is created a duplication in numbering, reads as follows:

The Department of Human Services shall have a lien against the owner of the agency for any such reimbursements made during the

receivership under the same terms, procedures, and conditions as provided for long-term care facilities pursuant to Section 1-1914.2 of Title 63 of the Oklahoma Statutes. The court shall set the compensation of the receiver in accordance with other receiverships generally.

SECTION 18. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1030.4 of Title 56, unless there is created a duplication in numbering, reads as follows:

A. Before a receiver is appointed, a nominee shall be sworn to faithfully perform the duties of a receiver. At the initial hearing, the receiver shall seek and obtain court approval of one or more sureties and shall execute a bond in such amount as the court shall direct.

B. In establishing a receivership, the court shall set forth the powers and duties of the receiver. The court shall authorize the receiver to do all that is prudent and necessary to protect the health, safety and welfare of all persons served by the agency and to efficiently administer residential services within the requirements of state and federal law, relevant policy, and the agency's contracts with the Department of Human Services and the Oklahoma Health Care Authority. These powers and duties shall include those generally ascribed to receivers and may also include the powers and duties of trustees under the U.S. Bankruptcy Code, as amended. In addition to the powers specified by this section, the court shall authorize the receiver to:

1. Honor all leases, mortgages and secured transactions governing all buildings, goods and fixtures of which the receiver has taken possession and continues to use, but, in the case of a rental agreement, only to the extent of payments that are for the use of the property during the period of the receivership, or, in the case of a purchase agreement, only to the extent of payments that are received during the period of the receivership;

2. If transfer of residents is necessary, provide for the orderly transfer of residents by doing the following:

- a. cooperate with all appropriate state and local agencies in carrying out the transfer of residents to alternative community placements,
- b. arrange for the transportation of residents' belongings and records,
- c. help to locate alternative placements and develop discharge plans,

3. Make periodic reports on the status of the residential program to the appropriate state agency, parents, guardians, and residents;

4. Compromise demands or claims with prior notice to the Department of Human Services and the Oklahoma Health Care Authority, subject to approval by the court; and

5. Subject to the supervision and control of the court, bring and defend actions in the receiver's name, in the official capacity as receiver, and take and keep possession of property.

C. The court shall require the receiver to obtain court approval prior to making any single expenditure of more than Five Thousand Dollars (\$5,000.00) to correct deficiencies in the structure or furnishings of residences supported by an agency. The court shall require regular and detailed reports including a final

report. The receivership shall be reviewed at least every sixty (60) days.

D. Upon motion by the receiver, the Department of Human Services or other interested party, a receivership established pursuant to this section may be terminated by the court, and the receiver discharged, following notification of the appropriate parties and interested persons and a hearing, if the court determines the following:

1. The residential agency and owners have ceased operations and the former residents have been relocated to an appropriate service setting; or

2. Circumstances no longer exist at the agency that present a substantial risk of physical or mental harm or death to residents, and there is no deficiency in the agency that is likely to create such risk of harm or death.

E. Upon motion of the receiver, the Department of Human Services or other interested party, the court may, during the hearing to consider termination of the receivership and discharge of the receiver, approve the return of control of the agency, corporation, or assets to the original owner or approve the sale of the same to a new owner. The Department of Human Services, the Oklahoma Health Care Authority, all other interested parties, and other persons with a known interest in the proceedings shall receive written notice from the receiver of such hearing.

F. The Department of Human Services and the Oklahoma Health Care Authority shall provide technical assistance to any receiver appointed pursuant to this section.
