SECTION 1. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 24-101.3 of Title 70, unless there is created a duplication in numbering, reads as follows:

A. Any student who is guilty of an act described in paragraph 1 of subsection C of this section may be suspended out-of-school in accordance with the provisions of this section. Each school district board of education shall adopt a policy with procedures which provides for out-of-school suspension of students. The policy shall address the term of the out-of-school suspension and shall provide that before a student is suspended out-of-school, the school or district administration shall consider and apply, if appropriate, alternative in-school placement options that are not to be considered suspension, such as placement in an alternative school setting, reassignment to another classroom, or in-school detention. The policy shall address education for students subject to the provisions of subsection D of this section and whether participation in extracurricular activities shall be permitted.

B. 1. Students suspended out-of-school for ten (10) days or less shall have the right to appeal the decision of the administration to either a local committee composed of district administrators or teachers or both, or to the board of education. Upon full investigation of the matter, the committee or board shall determine the guilt or innocence of the student and the reasonableness of the term of the out-of-school suspension. The

policy adopted by the board may, but is not required to, provide for appeal of the committee's decision to the board.

2. Students suspended out-of-school for more than ten (10) days and students suspended pursuant to the provisions of paragraph 2 of subsection C of this section shall have the right to appeal the decision of the administration directly to the district board of education. Except as otherwise provided for in paragraph 2 of subsection C of this section, no out-of-school suspension shall extend beyond the current semester and the succeeding semester. Upon full investigation of the matter, the board shall determine the guilt or innocence of the student and the reasonableness of the term of the out-of-school suspension. The decision of the district board of education shall be final.

C. 1. Students who are guilty of any of the following acts may be suspended out-of-school by the administration of the school or district:

- a. violation of a school regulation,
- b. immorality,
- c. adjudication as a delinquent for an offense that is not a violent offense. For the purposes of this section, "violent offense" shall include those offenses listed as the exceptions to the term "nonviolent offense" as specified in Section 571 of Title 57 of the Oklahoma Statutes. "Violent offense" shall include the offense of assault with a dangerous weapon but shall not include the offense of assault,
- d. possession of an intoxicating beverage, low-point beer, as defined by Section 163.2 of Title 37 of the Oklahoma Statutes, wireless telecommunication device, or missing or stolen property if the property is reasonably suspected to have been taken from a student, a school employee, or the school during school activities, and
- e. possession of a dangerous weapon or a controlled dangerous substance, as defined in the Uniform Controlled Dangerous Substances Act. Possession of a firearm shall result in out-of-school suspension as provided in paragraph 2 of this subsection.

2. Any student found in possession of a firearm while on any public school property or while in any school bus or other vehicle used by a public school for transportation of students or teachers shall be suspended out-of-school for a period of not less than one (1) year, to be determined by the district board of education pursuant to the provisions of this section. The term of the suspension may be modified by the district superintendent on a case-by-case basis. For purposes of this paragraph the term "firearm" shall mean and include all weapons as defined by 18 U.S.C., Section 921.

D. At its discretion a school district may provide an education plan for students suspended out-of-school for five (5) or less days pursuant to the provisions of this subsection. The following provisions shall apply to students who are suspended out-of-school for more than five (5) days and who are guilty of acts listed in subparagraphs a, b, c and d of paragraph 1 of subsection C of this section. Upon the out-of-school suspension, the parent or guardian of a student suspended out-of-school pursuant to the provisions of this subsection shall be responsible for the provision of a supervised, structured environment in which the parent or guardian shall place the student and bear responsibility for monitoring the student's educational progress until the student is readmitted into

school. The school administration shall provide the student with an education plan designed for the eventual reintegration of the student into school which provides only for the core units in which the student is enrolled. A copy of the education plan shall also be provided to the student's parent or guardian. For the purposes of this section, the core units shall consist of the minimum English, mathematics, science, social studies and art units required by the State Board of Education for grade completion in grades kindergarten through eight and for high school graduation in grades nine through twelve. The plan shall set out the procedure for education and shall address academic credit for work satisfactorily completed.

E. A student who has been suspended out-of-school from a public or private school in the State of Oklahoma or another state for a violent act or an act showing deliberate or reckless disregard for the health or safety of faculty or other students shall not be entitled to enroll in a public school of this state, and no public school shall be required to enroll the student, until the terms of the suspension have been met or the time of suspension has expired.

F. No public school of this state shall be required to provide education services in the regular school setting to any student who has been adjudicated as a delinquent for an offense defined in Section 571 of Title 57 of the Oklahoma Statutes as an exception to a nonviolent offense or convicted as an adult of an offense defined in Section 571 of Title 57 of the Oklahoma Statutes as an exception to a nonviolent offense or who has been removed from a public or private school in the State of Oklahoma or another state by administrative or judicial process for a violent act or an act showing deliberate or reckless disregard for the health or safety of faculty or other students until the school in which the student is subsequently enrolled determines that the student no longer poses a threat to self, other students or faculty. Until the school in which such student subsequently enrolls or re-enrolls determines that the student no longer poses a threat to self, other students or faculty, the school may provide education services through an alternative school setting, home-based instruction, or other appropriate setting.

G. Students suspended out-of-school who are on an individualized education plan pursuant to the Individuals with Disabilities Education Act, P.L. No. 101-476, or who are subject to the provisions of subsection F of this section and who are on an individualized education plan shall be provided the education and related services in accordance with the student's individualized education plan.

Section 7303-5.3 A. The following kinds of orders of disposition may be made in respect to children adjudicated in need of supervision or delinquent:

1. The court may place the child on probation or under supervision in the home of the child, or in the custody of a suitable person, upon such conditions as the court shall determine. The court may require the parent or other person to give security by bond, with surety or sureties approved by the court, for compliance with such order.

2. If it is consistent with the welfare of the child, the child shall be placed with the parent or legal guardian of the child, but if it appears to the court that the conduct of such parent, guardian, legal guardian, stepparent or other adult person living in the home has contributed to the child becoming delinquent or in need of supervision, the court may issue a written order specifying conduct to be followed by such parent, guardian, legal custodian, stepparent or other adult person living in the home with respect to such child. The conduct specified shall be such as would reasonably prevent the child from continuing to be delinquent or in need of supervision. Such order shall remain in effect for a period of not more than one (1) year to be specified by the court, and the order may be extended or renewed by the court.

a. If it is consistent with the welfare of the child, in cases where the child has been adjudicated to be in need of supervision due to repeated absence from school, the court may order counseling and treatment for the child and the parents of the child to be provided by the local school district, the county, the Department or a private individual or entity. Prior to final disposition, the court shall require that it be shown by the appropriate school district that a child found to be truant has been evaluated for learning disabilities, ~~mental retardation,~~ and hearing and visual impairments and other impediments which could constitute an educational handicap or has been evaluated to determine whether the child has a disability if it is suspected that the child may require special education services in accordance with the Individuals with Disabilities Education Act (IDEA). The results of such tests shall be made available to the court for use by the court in determining the disposition of the case.

- b. In issuing orders to a parent, guardian, legal guardian, stepparent or other adult person living in the home of a child adjudicated to be a delinquent child or in making other disposition of said delinquent child, the court may consider the testimony of said parent, guardian, legal guardian, stepparent or other adult person concerning the behavior of the juvenile and the ability of such person to exercise parental control over the behavior of the juvenile.
- c. In any dispositional order involving a child age sixteen (16) or older, the court shall make a determination, where appropriate, of the services needed to assist the child to make the transition to independent living.

No child who has been adjudicated in need of supervision only upon the basis of truancy or noncompliance with the mandatory school attendance law shall be placed in a public or private institutional facility or be removed from the custody of the lawful parent, guardian or custodian of the child.

3. The court may commit the child to the custody of a private institution or agency, including any institution established and operated by the county, authorized to care for children or to place them in family homes. In committing a child to a private institution or agency, the court shall select one that is licensed by any state department supervising or licensing private institutions and agencies; or, if such institution or agency is in another state, by the analogous department of that state. Whenever the court shall commit a child to any institution or agency, it shall transmit with the order of commitment a summary of its information concerning the child, and such institution or agency shall give to the court such information concerning the child as the court may at any time require.

4. The court may order the child to receive counseling or other community-based services as necessary.

5. The court may order the child to participate in a military mentor program administered by the Oklahoma Military Department, if such program:

- a. is staffed by National Guard personnel who are trained by the Oklahoma Military Department pursuant to training standards established by the Department of Juvenile Justice and meets screening requirements established by the Department of Juvenile Justice,
- b. provides for adequate supervision of the child, and
- c. is designed to develop useful skills and abilities of the child and/or integrate the child into community service activities or public works projects.

The Office of Juvenile Affairs through its Department of Juvenile Justice and the Oklahoma Military Department are hereby authorized to enter into an agreement to provide for the effective development and implementation of this paragraph.

6. The court may commit the child to the custody of the Office of Juvenile Affairs under the supervision of the Department of Juvenile Justice. Any order adjudicating the child to be delinquent and committing the child to the Department of Juvenile Justice shall be for an indeterminate period of time; however, on or after the adoption of placement guidelines by the Juvenile Placement Guidelines Committee and approval of the guidelines by the Legislature, if the child is a serious juvenile offender or a habitual juvenile offender, as defined in the Serious and Habitual Juvenile Offender Act, the order shall be for a determinate period

of time established by the court within the range authorized by the placement guidelines, not to extend beyond such child's nineteenth birthday.

7. If the child has been placed outside the home, and it appears to the court that the parent, guardian, legal custodian, or stepparent, or other adult person living in the home has contributed to the child becoming delinquent or in need of supervision, the court may order that the parent, guardian, legal custodian, stepparent, or other adult living in the home be made subject to any treatment or placement plan prescribed by the Department or other person or agency receiving custody of the child.

8. With respect to a child adjudicated a delinquent child, the court may:

- a. for acts involving criminally injurious conduct as defined in Section 142.3 of Title 21 of the Oklahoma Statutes, order the child to pay a victim compensation assessment in an amount not to exceed that amount specified in Section 142.18 of Title 21 of the Oklahoma Statutes. The court shall forward a copy of the adjudication order to the Crime Victims Compensation Board for purposes of Section 142.11 of Title 21 of the Oklahoma Statutes. Except as otherwise provided by law, such adjudication order shall be kept confidential by the Board,

The immunities provided by Sections 227 and 228 of Title 57 of the Oklahoma Statutes shall apply to community services directed pursuant to this section. The court may order the parents or custodial parent of any child living with the parents or custodial parent at the time of the criminal or delinquent act of the child to remit the amount of restitution ordered by the court. The court may consider any hardship of such order on the parents or custodial parent of the child. The parents or custodial parent may be represented by an attorney in the matter of the order for remittance of the restitution by the parents or custodial parent. Provided however, if the court orders the parents or custodial parent to remit the amount of restitution as provided for in this paragraph, in addition to any other dispositional orders of the court, the court shall order the child to perform community service for the number of hours commensurate with the number of hours it would require under federal or state minimum wage to earn the amount paid by such child's parents or custodial parent under the order to remit restitution,
- d. order the child to pay the fine which would have been imposed had such child been convicted of such crime as an adult. Any such fine collected pursuant to this paragraph shall be deposited in a special Work

Restitution Fund to be established by the court to allow children otherwise unable to pay restitution to work in community service projects in the private or public sector to earn money to compensate their victims,

- h. on and after the adoption of placement guidelines by the Juvenile Placement Guidelines Committee and approval of such guidelines by the Legislature, the provisions of subparagraphs a through g of this paragraph shall be subject to said guidelines.

9. The court may dismiss the petition or otherwise terminate its jurisdiction at any time for good cause shown.

10. In any dispositional order removing a child from the home of the child, the court shall make a determination that, in accordance with the best interests of the child and the protection of the public, reasonable efforts have been made to provide for the return of the child to the child's own home, or that efforts to reunite the family are not feasible, and reasonable efforts are being made to secure an alternate permanent placement for the child.

B. Prior to adjudication or as directed by a law enforcement subpoena or court order, a school district may disclose education records to the court or juvenile justice system for purposes of determining the ability of the juvenile justice system to effectively serve a child. Any disclosure of educational records shall be in accordance with the requirements of the Family Educational Rights and Privacy Act of 1974 (FERPA).

C. With respect to a child adjudicated a delinquent child for a violent offense, within thirty (30) days of the date of the adjudication either the juvenile bureau in counties which have a juvenile bureau or the Office of Juvenile Affairs in all other counties shall notify the superintendent of the school district in which the child is enrolled or intends to enroll of the delinquency adjudication and the offense for which the child was adjudicated.

Nothing contained in this subsection shall prohibit the detention of a juvenile for traffic-related offenses prior to the filing of a petition in the district court alleging delinquency as a result of said acts and nothing contained in this section shall prohibit detaining a juvenile pursuant to Section 7303-1.2 of Title 10 of the Oklahoma Statutes.

~~D.~~ F. The court may revoke or modify a disposition order and may order redispotion. The child whose disposition is being considered for revocation or modification at said hearing shall have the right to be represented by counsel, to present evidence in the child's behalf and to be confronted by witnesses against the child. Any revocation, modification or redispotion of the court in whole or in part shall be subject to review on appeal, as in other appeals of criminal cases. Bail may be allowed pending appeal. On or after the adoption of placement guidelines by the Juvenile Placement Guidelines Committee and approval of such guidelines by the Legislature, the court may make specific orders concerning the type and length of placement of said juvenile if the juvenile is committed to the Department.
