

ENROLLED HOUSE  
BILL NO. 2731

By: Tyler, Roach and  
Satterfield of the House

and

Stipe of the Senate

An Act relating to roads, bridges and ferries; prohibiting physical and functional encroachments or uses within turnpike rights-of-way; making it unlawful to construct, maintain or operate certain equipment or structures within turnpike rights-of-way; providing exceptions; authorizing Oklahoma Turnpike Authority to physically remove certain equipment or structures; requiring written demand to owner to remove equipment or structure; authorizing Oklahoma Department of Transportation to utilize certain funds to obtain federal matching funds; permitting Oklahoma Department of Transportation to give priority to the construction of certain project; amending 69 O.S. 1991, Section 1705, as last amended by Section 571, Chapter 133, O.S.L. 1997 (69 O.S. Supp. 1997, Section 1705), which relates to authority, powers and duties of the Oklahoma Turnpike Authority; removing prohibition against tie bids; deleting provision that one bridge or tunnel and approaches be included in one contract; providing for codification; and declaring an emergency.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1722.1 of Title 69, unless there is created a duplication in numbering, reads as follows:

A. The rights-of-way acquired by the Oklahoma Turnpike Authority shall be held inviolate for turnpike and Authority purposes, and no physical or functional encroachments or uses shall be permitted within such rights-of-way.

B. It shall be unlawful for any person to construct, maintain or operate any gasoline pump, oil, gas or water drilling rig, line or structure, tank battery or other equipment or structure used in the collection, processing or transportation of hydrocarbons or other minerals, driveway canopy, building, sign, fence, post, or any thing or structure on or overhanging any right-of-way, or upon or overhanging any turnpike, and the construction or maintaining of any such thing or structure on or overhanging any turnpike shall constitute a public nuisance, which may be summarily abated by the Authority or its trustees, officers, agents, servants and employees in the manner provided in subsection D of this section.

C. This section shall not apply to the lawful use of such rights-of-way for the erection and operation of facilities of a public utility as provided in Section 1722 of Title 69 of the

Oklahoma Statutes nor to the use of such rights-of-way with the express consent of the Authority.

D. The Authority, its trustees, officers, agents, servants and employees shall have authority to physically remove any such gasoline pump, oil, gas or water drilling rig, line or structure, tank battery or other equipment or structure used in the collection, processing or transportation of hydrocarbons or other minerals, driveway canopy, building, sign, fence, post, thing or structure. If the owner of any such gasoline pump, oil, gas or water drilling rig, line or structure, tank battery or other equipment or structure used in the collection, processing or transportation of hydrocarbons or other minerals, driveway canopy, building, sign, fence, post, thing or structure fails to remove the same within a reasonable time after written demand for the removal thereof has been made upon such owner by registered mail or personal service, the Authority, its trustees, its officers, agents, servants and employees may physically tear down and remove such gasoline pump, oil, gas or water drilling rig, line or structure, tank battery or other equipment or structure used in the collection, processing or transportation of hydrocarbons or other minerals, driveway canopy, building, sign, fence, post, thing or structure.

SECTION 2. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 2003 of Title 69, unless there is created a duplication in numbering, reads as follows:

In order to maximize the funds available for the construction, improvement, and maintenance of the highway and bridge projects set forth in Section 2002 of Title 69 of the Oklahoma Statutes, the Oklahoma Department of Transportation may utilize funds dedicated to a highway or bridge project to obtain additional federal matching funds for any bridge project for which such federal matching funds are available. If federal matching funds are available for the construction of all or part of a bridge project, the Department of Transportation may give priority to the construction of all or part of the bridge project, despite any description of such project to the contrary, in order to obtain the federal matching funds. Any remaining funds for such project may be used for the purchase of right-of-way and relocation expenses.

SECTION 3. AMENDATORY 69 O.S. 1991, Section 1705, as last amended by Section 571, Chapter 133, O.S.L. 1997 (69 O.S. Supp. 1997, Section 1705), is amended to read as follows:

Section 1705. The Authority is hereby authorized and empowered:

- (a) To adopt bylaws for the regulation of its affairs and conduct of its business.
- (b) To adopt an official seal and alter the same at pleasure.
- (c) To maintain an office at such place or places within the state as it may designate.

(31) A new turnpike or any parts thereof beginning at a point in the vicinity of the city of Enid and extending in a westerly direction to a point in the vicinity of the city of Woodward.

All access roads, interchanges, or lead roads connecting such turnpikes with existing highways must be built by funds furnished by the Authority.

The minimum and maximum wages for the construction of the roads, highways and projects provided for in Sections 1701 through 1734 of this title shall be in accordance with the schedules of wages used or adopted by the Commission in construction of state highways.

The Authority is hereby authorized to enter into contracts or agreements with agencies and instrumentalities of other states or the national government for construction, maintenance and operation of interstate turnpikes or highways.

The Authority is hereby required to construct and install automatic tollgates on the Will Rogers Turnpike at State Highway No. 28 near Adair.

(f) To issue turnpike revenue bonds of the Authority, payable solely from revenues, including the revenues accruing to the trust fund created by Sections 1701 through 1734 of this title, for the purpose of paying all or any part of the cost of any one or more turnpike projects. Provided that any bonds issued for the construction of the proposed turnpike referred to in subparagraphs (10), (20), (21) and (22) of paragraph (e) of this section shall be issued as one issue for all four of the proposed turnpikes and shall be financed, constructed and operated under one bond indenture.

(g) To fix and revise from time to time tolls for the use of any turnpike projects.

Any common carrier having authority at the time of opening any turnpike project to operate upon a highway approximately paralleling the turnpike project shall be granted without further showing authority to operate over the turnpike project to all municipalities which such carrier is serving at the time the turnpike project is opened to traffic. But nothing herein shall be construed as granting any new operation rights to any common carriers.

(h) To acquire, hold, and dispose of real and personal property in the exercise of its powers and the performance of its duties.

(i) To acquire in the name of the Authority by purchase or otherwise on such terms and conditions and in such manner as it may deem proper, or by exercise of the right of condemnation in manner hereinafter provided, such public or private lands, including public parks, playgrounds, or reservations, or parts thereof or rights therein, rights-of-way, property, rights, easements, and interests, as it may deem necessary for carrying out the provisions of Sections 1701 through 1734 of this title; provided, that all public property damaged in carrying out the powers granted by Sections 1701 through 1734 of this title shall be restored or repaired and placed in its original condition as nearly as practicable.

(j) To designate, except as is provided for herein, the location, and establish, limit and control such points of ingress to and egress from each turnpike project as may be necessary or desirable in the judgment of the Authority to insure the proper operation and maintenance of such project, and to prohibit entrance to such project from any point or points not so designated.

(k) To make and enter into all contracts and agreements necessary or incidental to the performance of its duties and the

execution of its powers, and to employ consulting engineers, attorneys, accountants, construction and financial experts, superintendents, managers, and such other employees and agents as may be necessary in its judgment, and to fix their compensation; provided, that all such expenses shall be payable solely from the proceeds of turnpike revenue bonds issued under the provisions of Sections 1701 through 1734 of this title or from revenues; provided, further, no attorney employed by the Authority, nor any member of any law firm of which he may be connected, shall ever be paid any fee or compensation for any special or extraordinary services.

(l) To receive and accept from any federal agency grants for or in aid of the construction of any turnpike project, provided, the acceptance of such grants will not reduce the amount of federal aid for the construction, repair, or maintenance of farm-to-market roads and other highways and bridges in this state; and to receive and accept aid or contributions from any source of either money, property, labor, or other things of value, to be held, used, and applied only for the purposes for which such grants and contributions may be made.

(m) To adopt such rules and regulations, and to do any and all things necessary to comply with rules, regulations, or requirements of the Bureau of Public Roads, Multistate Economic Development Regional Commission, as defined in Sections 1151 through 1153, inclusive, of Title 74 of the Oklahoma Statutes, Ozarka Region Commission or any other federal agency administering any law enacted by the Congress of the United States to aid or encourage the construction of highways.

(n) To do all things necessary or convenient to carry out the powers expressly granted in Sections 1701 through 1734 of this title. On all turnpike projects alternate bids for paving work shall be taken on asphalt concrete and portland cement concrete and the design standards for such paving shall comply with the design standards of the American Association of State Highway and Transportation Officials as modified by the Oklahoma Department of Transportation. All contracts for construction work on turnpike projects shall be let to the lowest responsible bidder, or bidders, after notice by publication in a newspaper published in the county where the work is to be done in two consecutive weekly issues of the newspaper. In all cases where more than eight (8) miles of construction is let at the same time, such advertisement shall provide for bids on sections of the turnpike not to exceed eight (8) miles. Subject to the following restrictions and limitations: ~~The, the Authority shall, when contracting for construction work, divide such work into paving projects, bridge projects, including underpasses and overpasses, and earthmoving or miscellaneous projects, according to the type of work to be done and each. Each project shall be let under a separate contract or contracts and no contract or project shall include more than one of such types of construction work. Each contract for construction work shall contain a provision that ninety percent (90%) of all labor employed on the project shall be residents of Oklahoma. Provided, however, that no tie bids shall be accepted, and provided, further, that~~ However, contracts for bridges may include earthwork and structures for the approaches thereto, ~~and provided, further, that any one bridge or tunnel and the approaches thereto may be included in one contract.~~

(o) It shall be unlawful for any member, officer or employee of the Authority to transact with the Authority, either directly or indirectly, any business for profit of such member, officer, or employee; and any person, firm, or corporation knowingly

participating therein shall be equally liable for violation of this provision.

The term "business for profit" shall include, but not be limited to, the acceptance or payment of any fee, commission, gift, or consideration to such member, officer, or employee.

Violation of this provision shall constitute a felony. The fine for a violation of this provision shall be not less than Five Hundred Dollars (\$500.00) and not more than Five Thousand Dollars (\$5,000.00).

(p) In the event of a national emergency, the Authority, subject to any vested rights or claims, may enter into contracts with the federal government or any authorized agency thereof to allow the federal government or agency thereof to use such turnpikes partly or exclusively during the existence of such emergency, provided, that the federal government agrees in such contract to pay, during the term of such contract, an amount sufficient, when added to any tolls collected, to meet all operating and maintenance expenses, interest payments, and the minimum sinking fund and reserve requirements of the trust agreement for the turnpike covered by the contract.

(q) All meetings of the Authority shall be open public meetings, and all records shall be public records, except when considering personnel or litigation.

SECTION 4. It being immediately necessary for the preservation of the public peace, health and safety, an emergency is hereby declared to exist, by reason whereof this act shall take effect and be in full force from and after its passage and approval.
