Each out-of-state trust institution that maintains an office in this state pursuant to Sections 10 through 25 of this act, or the home state regulator of such trust institution, shall give at least thirty days' prior written notice or, in the case of an emergency transaction, such shorter notice as is consistent with applicable state or federal law, to the Commissioner of:

1. Any merger, consolidation, or other transaction that would cause a change of control with respect to such out-of-state trust institution or any bank holding company that controls such trust institution, with the result that an application would be required to be filed pursuant to the federal Change in Bank Control Act of 1978, as amended, 12 U.S.C., Section 1817(j), or the federal Bank Holding Company Act of 1956, as amended, 12 U.S.C., Section 1841 et seq., or any successor statutes thereto;

3. The closing or disposition of any office in this state.

SECTION 26. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1730 of Title 6, unless there is created a duplication in numbering, reads as follows:

A. Sections 26 through 35 of this act shall be known and may be cited as the "State Trust Institution Charter Modernization Act".

B. The express purposes of this act are to:

1. Provide for the chartering of trust companies and to permit trust companies to act as fiduciaries and otherwise engage in the trust business in this state, provided they are adequately capitalized, competently managed by persons of integrity, and supervised by the Commissioner, all in order to ensure that such trust companies are operated in compliance with law, in a safe and sound manner and in a manner which protects their clients and customers and other consumers in this state;

2. Improve service and reduce costs for trust institution clients and customers and other consumers in this state by modernizing state laws to permit the delegation by trust institutions of fiduciary functions but not fiduciary responsibility, authorize clients to designate any trust institution to act for them and to choose an appropriate state's law to govern fiduciary instruments and investments, and protect consumers from excessive fees or undisclosed conflicts of interest of trust institutions and their affiliates; and

3. Permit adequately capitalized and professionally managed trust companies serving only family members and their affiliated entities to operate as private trust companies which may not provide services to the general public.

SECTION 27. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1731 of Title 6, unless there is created a duplication in numbering, reads as follows:

The definitions contained in Section 2 of the Multistate Trust Institutions Act shall apply to this act unless the context otherwise requires.

SECTION 28. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1732 of Title 6, unless there is created a duplication in numbering, reads as follows:

Any person residing in this state may designate any trust institution to act as a fiduciary on behalf of such person.

SECTION 31. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1735 of Title 6, unless there is created a duplication in numbering, reads as follows:

A. Any person acting as a trustee or as any other fiduciary under the laws of this state may delegate any investment, management or administrative function if such person exercises reasonable care, judgment and caution in:

1. Selecting the delegate, taking into account the delegate's financial standing and reputation;

2. Establishing the scope and other terms of any delegation; and

3. Reviewing periodically the delegate's actions in order to monitor overall performance and compliance with the scope and other terms of the delegation.

B. Notwithstanding any delegation permitted by subsection A of this section, any person acting as a trustee or in any other fiduciary capacity under the laws of this state shall retain responsibility for the due performance of any delegated fiduciary function.

SECTION 32. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1736 of Title 6, unless there is created a duplication in numbering, reads as follows:

A. Any person acting as a trustee or in any other fiduciary capacity pursuant to Section 31 of this act may hire and compensate, as a delegate, an affiliate of such person if:

1. Authorized by a trust or fiduciary instrument;

2. Authorized by court order;

3. Authorized in writing by each affected client; or

4. The standards set forth in Section 31 of this act are satisfied.

B. Fees paid to an affiliate shall be competitive with fees charged by nonaffiliates that provide substantially similar services.

SECTION 33. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1737 of Title 6, unless there is created a duplication in numbering, reads as follows:

The compensation arrangement between a client and any person acting as a trustee or as any other fiduciary pursuant to this act shall be at arm's length and any compensation pursuant to such arrangement shall be a reasonable amount with respect to the services rendered.

SECTION 34. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1738 of Title 6, unless there is created a duplication in numbering, reads as follows:

A. Any company, proposing to act as a trustee or in any other fiduciary capacity pursuant to a written agreement to be entered into with a prospective client after the effective date of this act, which company has any potential or actual conflict of interest which may reasonably be expected to have an impact on the independence or judgment of such trustee or fiduciary, shall deliver a disclosure statement to the prospective client:

1. Not less than forty-eight (48) hours prior to entering into any written or oral trust or fiduciary agreement with such client or prospective client; or

2. At the time of entering into any such agreement if the client has a right to terminate the agreement without penalty within three (3) or more business days after entering into the agreement.

B. The disclosure statement shall contain appropriate information concerning the actual or potential conflict of interest. If such trustee or other fiduciary proposes to delegate any

fiduciary function to an affiliate, the nature of the affiliation and whether the trustee or other fiduciary may directly benefit from the delegation shall be disclosed in the disclosure statement.

SECTION 35. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1739 of Title 6, unless there is created a duplication in numbering, reads as follows:

A. Subject to the provisions of this section, a trust institution may purchase assets of a state trust company or trust-related assets of another trust institution, including the right to control accounts established with the trust institution. Except as otherwise expressly provided by this section or any other law, the purchase of all or part of the assets of the trust institution does not make the purchasing trust institution responsible for any liability or obligation of the selling trust institution that the purchasing trust institution does not expressly assume. Except as otherwise provided by this act, this section does not govern or prohibit the purchase by a state trust institution of all or part of the assets of a corporation or other entity that is not a trust institution.

B. If the acquiring institution is a state bank, a state trust company, an out-of-state trust institution which maintains neither a branch nor a trust office in this state, or a savings association chartered under the laws of this state, an application in the form required by the Commissioner shall be filed with the Commissioner for any acquisition of all or substantially all of:

1. The assets of a state trust company; or
2. The trust assets of another trust institution.

C. The Commissioner shall investigate the condition of the purchaser and seller and may require the submission of additional information as considered necessary to make an informed decision. The Commissioner shall approve the purchase if:

1. The acquiring trust institution will be solvent and have sufficient capitalization for its business and location;
2. The acquiring trust institution has complied with all applicable statutes and rules including without limitation any applicable requirements of Sections 26 through 35 of this act;
3. All fiduciary obligations and liabilities of the parties have been properly discharged or otherwise assumed by the acquiring trust institution;
4. All conditions imposed by the Commissioner have been satisfied or otherwise resolved; and
5. All fees and costs have been paid.

D. A purchase requiring an application pursuant to subsection B of this section is effective on the date of approval, unless the purchase agreement provides for, and the Commissioner consents to, a different effective date.

E. The acquiring trust institution shall succeed by operation of law to all of the rights, privileges and obligations of the selling trust institution under each account included in the assets acquired.

SECTION 36. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1740 of Title 6, unless there is created a duplication in numbering, reads as follows:

A. A private trust company engaging in the trust business in this state shall comply with each and every provision of this act applicable to a trust company unless expressly exempted therefrom in writing by the Commissioner pursuant to this section, by rule adopted by the Department or under a predecessor statute.

B. A private trust company or proposed private trust company may request in writing that it be exempted from specified provisions

of subsection B of Section 19 of this act. The Commissioner may grant the exemption in whole or in part if the Commissioner finds that the private trust company does not and will not transact business with the general public. For purposes of this section:

1. "Transact business with the general public" means any sales, solicitations, arrangements, agreements, or transactions to provide trust or other business services, whether for a fee, commission or any other type of remuneration, with any client that is not a family member or a sole proprietorship, partnership, joint venture, association, trust, estate, business trust or other company that is not one hundred percent (100%) owned by one or more family members; and

2. "Family member" means any individual who is related within the fourth degree of affinity or consanguinity to an individual or individuals who control a private trust company or which is controlled by one or more trusts or charitable organizations established by such individual or individuals.

C. All individuals who control a private trust company or establish trusts or charitable organizations controlling such private trust company must be related within the second degree of affinity or consanguinity.

D. At the expense of the private trust company, the Commissioner may examine or investigate the private trust company in connection with an application for exemption. Unless the application presents novel or unusual questions, the Commissioner shall approve the application for exemption or set the application for hearing not later than the sixty-first day after the date the Commissioner considers the application complete and accepted for filing. The Commissioner may require the submission of additional information as considered necessary to an informed decision.

E. Any exemption granted under this section may be made subject to conditions or limitations imposed by the Commissioner consistent with this act.

F. The Department may adopt rules defining other circumstances that do not constitute transaction of business with the public, specifying the provisions of this act that are subject to an exemption request, and establishing procedures and requirements for obtaining, maintaining or revoking exempt status.

SECTION 37. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1741 of Title 6, unless there is created a duplication in numbering, reads as follows:

A. 1. A private trust company requesting an exemption from the provisions of this act, pursuant to Section 36 of this act, shall file an application with the Commissioner containing the following:

- a. a nonrefundable application fee as set by the Department,
- b. a detailed statement under oath showing the private trust company's assets and liabilities as of the end of the month previous to the filing of the application,
- c. a statement under oath of the reason for requesting the exemption,
- d. a statement under oath that the private trust company is not currently transacting business with the public and that the company will not conduct business with the public without the prior written permission of the Commissioner,
- e. the current street mailing address and telephone number of the physical location in this state at which the private trust company will maintain its books and

records, together with a statement under oath that the address given is true and correct and is not a U.S. Postal Service post office box or a private mail box, postal box or mail drop, and

- f. listing of the specific provisions of the act for which the request for exemption is made.

2. The Commissioner shall not approve a private trust company exemption unless the application is completed as required in paragraph 1 of this subsection.

B. To maintain status as an exempt private trust company under this act, the private trust company:

1. Shall not transact business with the public;
2. Shall file an annual certification that it is maintaining the conditions and limitations of its exempt status. This annual certification shall be filed on a form provided by the Commissioner and be accompanied by a fee determined by the Department. The annual certification shall be filed on or before June 30 of each year. No annual certification shall be valid unless it bears an acknowledgment stamped by the Department. The Department shall have thirty (30) days from the date of receipt to return a copy of the acknowledged annual certification to the private trust company. The burden shall be on the exempt private trust company to notify the Department of any failure to return an acknowledged copy of any annual certification within the thirty-day period. The Commissioner may examine or investigate the private trust company periodically as necessary to verify the certification;

3. Shall comply with the principal office provisions of Section 12 of this act and with the address and telephone requirements of subparagraph e of paragraph 1 of subsection A of this section; and

4. Shall pay the corporate franchise tax, as certified by the Oklahoma Tax Commission.

C. Control of an exempt private trust company may not be transferred or sold with exempt status. In any change of control, the acquiring control person must comply with the provisions of this act, and the exempt status of the private trust company shall automatically terminate upon the effective date of the transfer. A separate application for exempt status shall be filed if the acquiring person wishes to obtain or continue an exemption pursuant to this section.

D. The Commissioner shall have authority to revoke the exempt status of a private trust company in the following circumstances:

1. The exempt private trust company makes a false statement under oath on any document required to be filed by the act or by any rule promulgated by the Department;
2. The exempt private trust company fails to submit to an examination as required by Section 12 of this act;
3. The exempt private trust company withholds requested information from the Commissioner; or
4. The exempt private trust company violates any provision of this section applicable to exempt private trust companies.

E. If the Commissioner determines from examination or other credible evidence that an exempt private trust company has violated any of the requirements of this section, the Commissioner may, by personal delivery or registered or certified mail, return receipt requested, notify the exempt private trust company in writing that the private trust company's exempt status has been revoked. The notification shall state grounds for the revocation with reasonable certainty. The notice shall state its effective date, which may not be before the fifth day after the date the notification is mailed or delivered. The revocation takes effect for the private trust

company if the private trust company does not request a hearing in writing before the effective date. After taking effect, the revocation is final and nonappealable as to that private trust company, and the private trust company shall be subject to all of the requirements and provisions of the act applicable to nonexempt state trust companies.

F. A private trust company shall have five (5) calendar days after the revocation is effective to comply with the provisions of this act from which it was formerly exempt. If, however, the Commissioner determines, at the time of revocation, that the private trust company has been engaging in or attempting to engage in acts intended or designed to deceive or defraud the public, the Commissioner may shorten or eliminate, in the Commissioner's sole discretion, the five-calendar-day compliance period.

G. If the private trust company does not comply with all of the provisions of this act, including such capitalization requirements as have been determined by the Commissioner as necessary to assure the safety and soundness of the private trust company, within the prescribed time period, the Commissioner may:

1. Institute any action or remedy prescribed by this act, or any applicable rule or regulation; or
2. Refer the private trust company to the Attorney General for institution of a quo warranto proceeding to revoke the charter.

H. A private trust company that currently has a valid exemption under a predecessor statute shall be considered exempt under this act.

SECTION 38. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1755 of Title 6, unless there is created a duplication in numbering, reads as follows:

A. A private trust company may terminate its status as a private trust company and commence transacting business with the general public. A private trust company desiring to commence transacting business with the general public shall file a notice on a form prescribed by the Commissioner, which shall set forth the name of the private trust company and an acknowledgement that any exemption granted or otherwise applicable to the private trust company pursuant to Section 36 of this act shall cease to apply on the effective date of such notice. The private trust company shall also furnish a copy of the resolution adopted by the board authorizing the private trust company to commence transacting business with the general public and pay the filing fee, if any, prescribed by the Commissioner.

B. The notificant may commence transacting business with the general public on the thirty-first day after the date the Commissioner receives the notice, unless the Commissioner specifies an earlier or later date.

C. The thirty-day period of review may be extended by the Commissioner on determination that the written notice raises issues that require additional information or additional time for analysis. If the period for review is extended, the notificant may commence transacting business with the public only on prior written approval by the Commissioner.

D. The Commissioner may deny approval of the notice of the private trust company to commence transacting business with the general public if the Commissioner finds that the notificant lacks sufficient financial resources to undertake the proposed expansion without adversely affecting its safety or soundness, that the proposed transacting of business with the general public would be contrary to the public interest or if the Commissioner determines that the notificant will not within a reasonable period be in

compliance with any provision of this act from which the notificant had been previously exempted pursuant to Section 36 of this act.

SECTION 39. AMENDATORY 6 O.S. 1991, Section 1109, as last amended by Section 90, Chapter 111, O.S.L. 1997 (6 O.S. Supp. 1997, Section 1109), is amended to read as follows:

Section 1109. A. 1. Any bank or savings association may sell to any other bank or savings association all, or substantially all, of the selling institution's assets and business; or all, or substantially all, of the assets and business of any department or branch of the selling institution.

2. Any trust company, bank, or savings association may sell to any other trust company, bank, or savings association all, or substantially all, of the assets and trust business or such trust company, bank, or savings association, or all, or substantially all, of the assets and business of any department or branch of the selling trust company, bank, or savings association.

B. 1. Any bank or savings association may, upon assuming the liabilities relating thereto, purchase all, or substantially all, of the assets and business of another bank or savings association, or all, or substantially all, of the assets and business of any department or branch of another bank or savings association.

2. Any trust company, bank, or savings association may, subject to the requirements of subsection E of this section, purchase all, or substantially all, of the assets and business of another trust company, bank, or savings association, or all, or substantially all, of the assets and business of any department or branch of another trust company, bank, or savings association. If the purchasing or selling institution is an out-of-state institution, the agreement of purchase and sale shall be authorized and approved by the board of directors of the institution in accordance with such laws as shall be applicable.

C. The agreement of purchase and sale shall be authorized and approved by the boards of directors of the purchasing and selling banks, trust companies, or savings associations. If the agreement of purchase and sale includes the transfer of a majority of the assets or the transfer of a majority of the deposits of a selling institution, the agreement of purchase and sale shall be authorized and approved by the vote of a majority of the outstanding shares of the selling institution at a meeting called for the purpose in like manner as meetings to approve mergers are called pursuant to Section 1104 of this title and the stockholders shall be entitled to dissent in the same manner as provided in Section 1104 of this title. If the agreement of purchase and sale includes the purchase of assets which are greater than fifty percent (50%) of the purchasing institution's assets prior to the purchase, or includes the assumption of deposits which are greater than fifty percent (50%) of the purchasing institution's deposits prior to the purchase, the agreement of purchase and sale shall be authorized and approved by the vote of a majority of the outstanding shares of the purchasing institution at a meeting called for the purpose in like manner as meetings to approve mergers are called pursuant to Section 1104 of this title and the stockholders shall be entitled to dissent in the same manner as provided in Section 1104 of this title. If the stockholders of an institution are hereby entitled to dissent, they shall receive notice of their right to dissent along with notice of the stockholders' meeting which is to consider the agreement of purchase and sale, in the same manner as provided in Section 1104 of this title with respect to mergers. Copies of the agreement of purchase and sale shall be filed with and subject to the approval of the Commissioner, together with a fee for review of the transaction

as required by rule of the Board, and shall be accompanied by evidence of such stockholders' approval thereof in like manner as agreements of merger are filed.

D. After the approval required by subsection C of this section is given by the stockholders, a notice of such purchase and sale shall be published once a week for two (2) successive weeks in a newspaper of general circulation in the county in which the assets of the selling bank, trust company, or savings association are located if the entity is an Oklahoma institution, and if not, shall be published as required by the law of the state where the selling institution is located. Proof of such publication shall be filed with the Department. The Commissioner may permit the requirement for publication of notice to be satisfied after the purchase and sale becomes effective if the Commissioner determines that:

1. The selling bank, trust company, or savings association is solvent, but either is close to insolvency or is experiencing a run on deposits;

2. The terms of the agreement of purchase and sale are essentially fair to the selling bank, trust company, or savings association; and

3. The selling bank, trust company, or savings association will remain solvent after the purchase and sale.

E. Any deposit account or certificate of deposit which is unconditionally assumed by the purchasing institution pursuant to an agreement approved by the Commissioner, and which, after a depositor's preexisting accounts at the purchasing institution are added to the accounts assumed from the selling institution, is fully covered by the FDIC insurance limits at the purchasing institution, shall cease to be an obligation of the selling institution after the purchase and sale becomes effective. Notwithstanding any term of the purchase and sale agreement or of the contract of deposit, a deposit account, certificate of deposit or other creditor's account shall be deemed to be only conditionally assumed by the purchasing institution if:

1. The amount of a depositor's preexisting accounts at the purchasing institution, together with that depositor's accounts which are assumed from the selling institution, would exceed the purchasing institution's FDIC insurance limits; or

2. A depositor's or other creditor's claims against a selling institution and the loans of the depositor or other creditor from the selling institution are not simultaneously assumed by the purchasing institution so as to preserve a right of set-off. Any depositor or creditor of the selling institution whose business is conditionally sold has the right, after such sale:

a. upon payment of any indebtedness owing by the depositor or creditor to the selling institution, to withdraw the deposit of the depositor or creditor in full from the selling institution on demand, or

b. to exercise the depositor's or creditor's right of set-off.

3. Notwithstanding the preceding language of paragraphs 1 and 2 of this subsection, after a person deals with the purchasing institution with knowledge of the purchase, such person's deposit or account shall no longer be deemed to be only conditionally assumed.

F. 1. The agreement of sale may provide for the transfer to the purchasing institution of all fiduciary positions held by the selling institution. The purchasing institution shall enjoy all such positions and all rights, property, franchises, and interests, including any and all fiduciary positions to and for which the selling institution may have been appointed, nominated, or

designated by any will, agreement, conveyance, or otherwise, whether or not such position is in effect at the time of the substitution, in the same manner and to the same extent as all such positions were held and enjoyed by the selling institution.

2. The selling and purchasing institutions shall jointly file a petition with the district court of the county in which the main office of the selling institution is situated requesting that the purchasing institution be substituted, except as may be expressly excluded in such petition, in every fiduciary position of the selling institution. Such petition need not designate the fiduciary positions in which the requested substitution is to be made.

3. Upon the filing of such petition, the court shall enter an order setting the petition for hearing and shall direct that notice of the hearing be given in the manner provided in this subsection or in the manner required by the law of the state where the selling institution is located if it is an out-of-state institution.

4. A copy of the order provided for in paragraph 3 of this subsection shall be published once a week for two (2) successive weeks in a newspaper of general circulation to be designated by the court and published in the county in which the petition was filed. If there is no newspaper published in such county, publication shall be made in a newspaper of general circulation in the State of Oklahoma designated by the court. Proof of publication shall be made in the same manner as proof of publication of summons is made.

5. The filing of such petition and the making and entering of such order and the giving of notice of such order as required by this subsection gives the court full jurisdiction of the trusts and all parties interested therein. The court having jurisdiction in such matter shall require the selling institution to mail, by registered mail postage prepaid, a copy of such order to each living trustor of all private trusts in which such institution is trustee or to the then directly participating beneficiaries of all private trusts in which there is no living trustor. Such notice shall be mailed to the last-known address of each such trustor or participating beneficiary as shown by or as may be ascertained by reasonably diligent efforts from the records of such institution. Proof of mailing shall be in such form as the court shall require.

6. The district court shall enter a single order substituting the purchasing institution in every fiduciary position to and for which the selling institution may have been appointed, nominated, or designated by any will, agreement, conveyance, or otherwise, whether or not such position is in effect at the time of the substitution, except as may be otherwise specified in such order, upon its finding as follows:

- a. notice of hearing the petition has been given as required by this subsection,
- b. the purchasing institution is duly authorized to exercise trust and fiduciary powers in Oklahoma,
- c. the selling and purchasing institutions are not directly or indirectly owned or controlled by the same holding company or multibank holding company, or, if the selling and purchasing institutions are directly or indirectly owned or controlled by the same holding company or multibank holding company, then the purchasing institution shall assume all trust liabilities of the selling institution, and
- d. such sale or transfer was not made in order to avoid any liability incurred by the selling institution.

7. Upon entry of such order, the purchasing institution shall, without further act, be substituted in every such fiduciary

position, and such substitution may be evidenced by filing a certified copy of the order with the clerk of any district court in this state.

8. Notwithstanding the foregoing provisions of this subsection, the provisions of the instrument creating each fiduciary position subject to the agreement of sale shall control such succession, if such instrument so provides.

G. Except as provided for in subsection E of this section, no right against or obligation of the selling institution in respect of the assets or business sold shall be released or impaired by the sale until one (1) year from the last date of publication of the notice pursuant to subsection D or F of this section, but after the expiration of such year no action can be brought against the selling institution on account of any deposit, obligation, trust or asset transferred to or liability assumed by the purchasing institution.

H. This section shall be applicable to any bank, trust company, or savings association, regardless of whether its main office or charter is located within this state or elsewhere.

SECTION 40. REPEALER 18 O.S. 1991, Sections 476, 477 and 478, are hereby repealed.

SECTION 41. This act shall become effective November 1, 1998.
