The Department of Public Safety shall issue a detachable temporary placard indicating physical disability to any person who submits an application on a form furnished by the Department and certified by a physician, attesting that the applicant has a physical disability, together with the fee required in subsection D of this section. The attestation of the physician shall denote "temporary" as the type of placard requested and shall indicate an expiration date which the physician estimates to be the date of termination of such physical disability; ~~provided,~~ however, if the physician certifies that the physical disability is permanent, the physician shall denote "five-year" as the type of placard requested.

2. The person to whom such placard is issued shall be entitled to the special parking privileges provided for in Section 15-111 of this title; provided, however, the placard is properly displayed on the parked vehicle.

C. Any placard issued by the Department of Public Safety prior to July 1, 1995, shall remain valid until:

1. The placard, if temporary, expires;

2. The person to whom the placard was issued requests a replacement placard, whether a five-year or temporary, whereupon such person shall pay to the Department the replacement fee specified in subsection D of this section; or

3. The placard, whether a five-year or temporary, is no longer needed by the person to whom such placard was issued for the disability for which the placard was originally issued, whereupon such placard shall be returned to the Department.

D. On and after July 1, 1995:

placard, which the Department shall issue with the same expiration date as the original placard. The Department shall charge and the applicant shall pay to the Department a replacement fee of Two Dollars (\$2.00) for each replacement placard issued.

E. A physician may sign an application certifying that a person has a physical disability, as provided in subsection B of this section, only if care and treatment of the illness, disease, injury or condition causing the physical disability of such person falls within the authorized scope of practice of the physician.

F. The Department shall recognize handicap and disability stickers issued by the Veterans Administration and federal military bases in the same manner as the placard issued by the Department as provided for in this section. For purposes of this section and other sections of law relating to the physical disability placard, the term "physical disability placard", " five-year placard" or "temporary placard" shall include those handicap and disability stickers issued by the Veterans Administration and federal military bases.

G. The Department shall have the power to formulate, adopt and promulgate rules as may be necessary to implement and administer the provisions of this section, including, but not limited to, prescribing the manner in which the five-year placard and the temporary placard are to be displayed on a motor vehicle.
