SECTION 1. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-100 of Title 54, unless there is created a duplication in numbering, reads as follows:

Sections 1 through 56 of this act shall be known and may be cited as the "Oklahoma Uniform Partnership Act".

SECTION 2. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-101 of Title 54, unless there is created a duplication in numbering, reads as follows:

Definitions. As used in this act:

(1) "Business" includes every trade, occupation, and profession.

(2) "Debtor in bankruptcy" means a person who is the subject of:

(i) an order for relief under Title 11 of the United States Code or a comparable order under a successor statute of general application; or

SECTION 3. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-102 of Title 54, unless there is created a duplication in numbering, reads as follows:

Knowledge and Notice. (a) A person knows a fact if the person has actual knowledge of it.

(b) A person has notice of a fact if the person:

(1) knows of it;

(2) has received a notification of it; or

(3) has reason to know it exists from all of the facts known to the person at the time in question.

(c) A person notifies or gives a notification to another by taking steps reasonably required to inform the other person in ordinary course, whether or not the other person learns of it.

(d) A person receives a notification when the notification:

(1) comes to the person's attention; or

(2) is duly delivered at the person's place of business or at any other place held out by the person as a place for receiving communications.

(e) Except as otherwise provided in subsection (f) of this section, a person other than an individual knows, has notice, or receives a notification of a fact for purposes of a particular transaction when the individual conducting the transaction knows, has notice, or receives a notification of the fact, or in any event when the fact would have been brought to the individual's attention if the person had exercised reasonable diligence. The person exercises reasonable diligence if it maintains reasonable routines for communicating significant information to the individual conducting the transaction and there is reasonable compliance with the routines. Reasonable diligence does not require an individual acting for the person to communicate information unless the communication is part of the individual's regular duties or the individual has reason to know of the transaction and that the transaction would be materially affected by the information.

(f) A partner's knowledge, notice, or receipt of a notification of a fact relating to the partnership is effective immediately as knowledge of, notice to, or receipt of a notification by the partnership, except in the case of a fraud on the partnership committed by or with the consent of that partner.

SECTION 4. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-103 of Title 54, unless there is created a duplication in numbering, reads as follows:

Effect of Partnership Agreement; Nonwaivable Provisions. (a) Except as otherwise provided in subsection (b) of this section, relations among the partners and between the partners and the partnership are governed by the partnership agreement. To the extent the partnership agreement does not otherwise provide, this

act governs relations among the partners and between the partners and the partnership.

(b) The partnership agreement may not:

(1) vary the rights and duties under Section 6 of this act except to eliminate the duty to provide copies of statements to all of the partners;

(2) unreasonably restrict the right of access to books and records under subsection (b) of Section 23 of this act;

(3) eliminate the duty of loyalty under subsection (b) of Section 24 of this act or paragraph (3) of subsection (b) of Section 33 of this act, but:

- (i) the partnership agreement may identify specific types or categories of activities that do not violate the duty of loyalty, if not manifestly unreasonable; or
- (ii) all of the partners or a number or percentage specified in the partnership agreement may authorize or ratify, after full disclosure of all material facts, a specific act or transaction that otherwise would violate the duty of loyalty;

(4) unreasonably reduce the duty of care under subsection (c) of Section 24 of this act or paragraph (3) of subsection (b) of Section 33 of this act;

(5) eliminate the obligation of good faith and fair dealing under subsection (d) of Section 24 of this act, but the partnership agreement may prescribe the standards by which the performance of the obligation is to be measured, if the standards are not manifestly unreasonable;

(6) vary the power to dissociate as a partner under subsection (a) of Section 32 of this act, except to require the notice under paragraph (1) of Section 31 of this act to be in writing;

(7) vary the right of a court to expel a partner in the events specified in paragraph (5) of Section 31 of this act;

(8) vary the requirement to wind up the partnership business in cases specified in paragraphs (4), (5), or (6) of Section 39 of this act; or

(9) restrict rights of third parties under this act.

SECTION 5. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-104 of Title 54, unless there is created a duplication in numbering, reads as follows:

Supplemental Principles of Law. (a) Unless displaced by particular provisions of this act, the principles of law and equity supplement this act.

(b) If an obligation to pay interest arises under this act and the rate is not specified, the rate is that specified in Section 727 of Title 12 of the Oklahoma Statutes.

SECTION 6. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-105 of Title 54, unless there is created a duplication in numbering, reads as follows:

Execution, Filing, and Recording of Statements. (a) A statement may be filed in the office of the Secretary of State. A certified copy of a statement that is filed in an office in another state may be filed in the office of the Secretary of State. Either filing has the effect provided in this act with respect to partnership property located in or transactions that occur in this state.

(b) A certified copy of a statement that has been filed in the office of the Secretary of State and recorded in the office for recording transfers of real property has the effect provided for recorded statements in this act. A recorded statement that is not a certified copy of a statement filed in the office of the Secretary of State does not have the effect provided for recorded statements in this act.

(c) A statement filed by a partnership must be executed by at least two partners. Other statements must be executed by a partner

or other person authorized by this act. An individual who executes a statement as, or on behalf of, a partner or other person named as a partner in a statement shall personally declare under penalty of perjury that the contents of the statement are accurate.

(d) A person authorized by this act to file a statement may amend or cancel the statement by filing an amendment or cancellation that names the partnership, identifies the statement, and states the substance of the amendment or cancellation.

(e) A person who files a statement pursuant to this section shall promptly send a copy of the statement to every nonfiling partner and to any other person named as a partner in the statement. Failure to send a copy of a statement to a partner or other person does not limit the effectiveness of the statement as to a person not a partner.

(f) The Secretary of State may collect a fee for filing or providing a certified copy of a statement. The county clerk recording transfers of real property may collect a fee for recording a statement.

SECTION 7. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-106 of Title 54, unless there is created a duplication in numbering, reads as follows:

Law Governing Internal Relations. The law of the jurisdiction in which a partnership has its chief executive office governs relations among the partners and between the partners and the partnership.

SECTION 8. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-107 of Title 54, unless there is created a duplication in numbering, reads as follows:

Partnership Subject to Amendment or Repeal of Act. A partnership governed by this act is subject to any amendment to or repeal of this act.

ARTICLE 2

Nature of Partnership

SECTION 9. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-201 of Title 54, unless there is created a duplication in numbering, reads as follows:

Partnership as Entity. A partnership is an entity distinct from its partners.

SECTION 10. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-202 of Title 54, unless there is created a duplication in numbering, reads as follows:

Formation of Partnership. (a) Except as otherwise provided in subsection (b) of this section, the association of two or more persons to carry on as co-owners a business for profit forms a partnership, whether or not the persons intend to form a partnership.

(b) An association formed under a statute other than this act, a predecessor statute, or a comparable statute of another jurisdiction is not a partnership under this act.

(c) In determining whether a partnership is formed, the following rules apply:

(1) Joint tenancy, tenancy in common, tenancy by the entirety, joint property, common property, or part ownership does not by itself establish a partnership, even if the co-owners share profits made by the use of the property.

(2) The sharing of gross returns does not by itself establish a partnership, even if the persons sharing them have a joint or common right or interest in property from which the returns are derived.

(3) A person who receives a share of the profits of a business is presumed to be a partner in the business, unless the profits were received in payment:

- (i) of a debt by installments or otherwise;
- (ii) for services as an independent contractor or of wages or other compensation to an employee;

- (iii) of rent;
- (iv) of an annuity or other retirement or health benefit to a beneficiary, representative, or designee of a deceased or retired partner;
- (v) of interest or other charge on a loan, even if the amount of payment varies with the profits of the business, including a direct or indirect present or future ownership of the collateral, or rights to income, proceeds, or increase in value derived from the collateral; or
- (vi) for the sale of the goodwill of a business or other property by installments or otherwise.

SECTION 11. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-203 of Title 54, unless there is created a duplication in numbering, reads as follows:

Partnership Property. Property acquired by a partnership is property of the partnership and not of the partners individually.

SECTION 12. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-204 of Title 54, unless there is created a duplication in numbering, reads as follows:

When Property is Partnership Property. (a) Property is partnership property if acquired in the name of:

- (1) the partnership; or
- (2) one or more partners with an indication in the instrument transferring title to the property of the person's capacity as a partner or of the existence of a partnership but without an indication of the name of the partnership.

(b) Property is acquired in the name of the partnership by a transfer to:

- (1) the partnership in its name; or

(2) one or more partners in their capacity as partners in the partnership, if the name of the partnership is indicated in the instrument transferring title to the property.

(c) Property is presumed to be partnership property if purchased with partnership assets, even if not acquired in the name of the partnership or of one or more partners with an indication in the instrument transferring title to the property of the person's capacity as a partner or of the existence of a partnership.

(d) Property acquired in the name of one or more of the partners, without an indication in the instrument transferring title to the property of the person's capacity as a partner or of the existence of a partnership and without use of partnership assets, is presumed to be separate property, even if used for partnership purposes.

ARTICLE 3

Relations of Partners to Persons Dealing with Partnership

SECTION 13. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-301 of Title 54, unless there is created a duplication in numbering, reads as follows:

Partner Agent of Partnership. Subject to the effect of a statement of partnership authority under Section 15 of this act:

(1) Each partner is an agent of the partnership for the purpose of its business. An act of a partner, including the execution of an instrument in the partnership name, for apparently carrying on in the ordinary course the partnership business or business of the kind carried on by the partnership binds the partnership, unless the partner had no authority to act for the partnership in the particular matter and the person with whom the partner was dealing knew or had received a notification that the partner lacked authority.

(2) An act of a partner which is not apparently for carrying on in the ordinary course the partnership business or business of the kind carried on by the partnership binds the partnership only if the act was authorized by the other partners.

SECTION 14. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-302 of Title 54, unless there is created a duplication in numbering, reads as follows:

Transfer of Partnership Property. (a) Partnership property may be transferred as follows:

(1) Subject to the effect of a statement of partnership authority under Section 15 of this act, partnership property held in the name of the partnership may be transferred by an instrument of transfer executed by a partner in the partnership name.

(2) Partnership property held in the name of one or more partners with an indication in the instrument transferring the property to them of their capacity as partners or of the existence of a partnership, but without an indication of the name of the partnership, may be transferred by an instrument of transfer executed by the persons in whose name the property is held.

(3) Partnership property held in the name of one or more persons other than the partnership, without an indication in the instrument transferring the property to them of their capacity as partners or of the existence of a partnership, may be transferred by an instrument of transfer executed by the persons in whose name the property is held.

(b) A partnership may recover partnership property from a transferee only if it proves that execution of the instrument of initial transfer did not bind the partnership under Section 13 of this act and:

(1) as to a subsequent transferee who gave value for property transferred under paragraphs (1) and (2) of subsection (a) of this section, proves that the subsequent transferee knew or had received

a notification that the person who executed the instrument of initial transfer lacked authority to bind the partnership; or

(2) as to a transferee who gave value for property transferred under paragraph (3) of subsection (a) of this section, proves that the transferee knew or had received a notification that the property was partnership property and that the person who executed the instrument of initial transfer lacked authority to bind the partnership.

(c) A partnership may not recover partnership property from a subsequent transferee if the partnership would not have been entitled to recover the property, under subsection (b) of this section, from any earlier transferee of the property.

(d) If a person holds all of the partners' interests in the partnership, all of the partnership property vests in that person. The person may execute a document in the name of the partnership to evidence vesting of the property in that person and may file or record the document.

SECTION 15. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-303 of Title 54, unless there is created a duplication in numbering, reads as follows:

Statement of Partnership Authority. (a) A partnership may file a statement of partnership authority, which:

(1) must include:

- (i) the name of the partnership;
- (ii) the street address of its chief executive office and of one office in this State, if there is one; and
- (iii) the name and mailing address of an agent appointed and maintained by the partnership for the purpose of subsection (b) of this section; or
- (iv) the names and mailing addresses of the partners authorized to execute an instrument transferring real property held in the name of the partnership; and

(2) may state the authority, or limitations on the authority, of some or all of the partners to enter into other transactions on behalf of the partnership and any other matter.

(b) If a statement of partnership authority names an agent, the agent shall maintain a list of the names and mailing addresses of all of the partners and make it available to any person on request for good cause shown.

(c) If a filed statement of partnership authority is executed pursuant to subsection (c) of Section 6 of this act and states the name of the partnership but does not contain all of the other information required by subsection (a) of this section, the statement nevertheless operates with respect to a person not a partner as provided in subsections (d) and (e) of this section.

(d) Except as otherwise provided in subsection (g) of this section, a filed statement of partnership authority supplements the authority of a partner to enter into transactions on behalf of the partnership as follows:

(1) Except for transfers of real property, a grant of authority contained in a filed statement of partnership authority is conclusive in favor of a person who gives value without knowledge to the contrary, so long as and to the extent that a limitation on that authority is not then contained in another filed statement. A filed cancellation of a limitation on authority revives the previous grant of authority.

(2) A grant of authority to transfer real property held in the name of the partnership contained in a certified copy of a filed statement of partnership authority recorded in the office for recording transfers of that real property is conclusive in favor of a person who gives value without knowledge to the contrary, so long as and to the extent that a certified copy of a filed statement containing a limitation on that authority is not then of record in the office for recording transfers of that real property. The

recording in the office for recording transfers of that real property of a certified copy of a filed cancellation of a limitation on authority revives the previous grant of authority.

(e) A person not a partner is deemed to know of a limitation on the authority of a partner to transfer real property held in the name of the partnership if a certified copy of the filed statement containing the limitation on authority is of record in the office for recording transfers of that real property.

(f) Except as otherwise provided in subsections (d) and (e) of this section and Sections 37 and 43 of this act, a person not a partner is not deemed to know of a limitation on the authority of a partner merely because the limitation is contained in a filed statement.

(g) Unless earlier canceled, a filed statement of partnership authority is canceled by operation of law five (5) years after the date on which the statement, or the most recent amendment, was filed with the Secretary of State.

SECTION 16. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-304 of Title 54, unless there is created a duplication in numbering, reads as follows:

Statement of Denial. A partner or other person named as a partner in a filed statement of partnership authority or in a list maintained by an agent pursuant to subsection (b) of Section 15 of this act may file a statement of denial stating the name of the partnership and the fact that is being denied, which may include denial of a person's authority or status as a partner. A statement of denial is a limitation on authority as provided in subsections (d) and (e) of Section 15 of this act.

SECTION 17. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-305 of Title 54, unless there is created a duplication in numbering, reads as follows:

Partnership Liable for Partner's Actionable Conduct. (a) A partnership is liable for loss or injury caused to a person, or for a penalty incurred, as a result of a wrongful act or omission, or other actionable conduct, of a partner acting in the ordinary course of business of the partnership or with authority of the partnership.

(b) If, in the course of the partnership's business or while acting with authority of the partnership, a partner receives or causes the partnership to receive money or property of a person not a partner, and the money or property is misapplied by a partner, the partnership is liable for the loss.

SECTION 18. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-306 of Title 54, unless there is created a duplication in numbering, reads as follows:

Partner's Liability. (a) Except as otherwise provided in subsection (b) of this section, all partners are liable jointly and severally for all obligations of the partnership unless otherwise agreed by the claimant or provided by law.

(b) A person admitted as a partner into an existing partnership is not personally liable for any partnership obligation incurred before the person's admission as a partner.

SECTION 19. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-307 of Title 54, unless there is created a duplication in numbering, reads as follows:

Actions By and Against Partnership and Partners. (a) A partnership may sue and be sued in the name of the partnership.

(b) An action may be brought against the partnership and any or all of the partners in the same action or in separate actions.

(c) A judgment against a partnership is not by itself a judgment against a partner. A judgment against a partnership may not be satisfied from a partner's assets unless there is also a judgment against the partner.

(d) A judgment creditor of a partner may not levy execution against the assets of the partner to satisfy a judgment based on a claim against the partnership unless:

(1) a judgment based on the same claim has been obtained against the partnership and a writ of execution on the judgment has been returned unsatisfied in whole or in part;

(2) the partnership is a debtor in bankruptcy;

(3) the partner has agreed that the creditor need not exhaust partnership assets;

(4) a court grants permission to the judgment creditor to levy execution against the assets of a partner based on a finding that partnership assets subject to execution are clearly insufficient to satisfy the judgment, that exhaustion of partnership assets is excessively burdensome, or that the grant of permission is an appropriate exercise of the court's equitable powers; or

(5) liability is imposed on the partner by law or contract independent of the existence of the partnership.

(e) This section applies to any partnership liability or obligation resulting from a representation by a partner or purported partner under Section 20 of this act.

SECTION 20. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-308 of Title 54, unless there is created a duplication in numbering, reads as follows:

Liability of Purported Partner. (a) If a person, by words or conduct, purports to be a partner, or consents to being represented by another as a partner, in a partnership or with one or more persons not partners, the purported partner is liable to a person to whom the representation is made, if that person, relying on the representation, enters into a transaction with the actual or purported partnership. If the representation, either by the purported partner or by a person with the purported partner's consent, is made in a public manner, the purported partner is liable

to a person who relies upon the purported partnership even if the purported partner is not aware of being held out as a partner to the claimant. If partnership liability results, the purported partner is liable with respect to that liability as if the purported partner were a partner. If no partnership liability results, the purported partner is liable with respect to that liability jointly and severally with any other person consenting to the representation.

(b) If a person is thus represented to be a partner in an existing partnership, or with one or more persons not partners, the purported partner is an agent of persons consenting to the representation to bind them to the same extent and in the same manner as if the purported partner were a partner, with respect to persons who enter into transactions in reliance upon the representation. If all of the partners of the existing partnership consent to the representation, a partnership act or obligation results. If fewer than all of the partners of the existing partnership consent to the representation, the person acting and the partners consenting to the representation are jointly and severally liable.

(c) A person is not liable as a partner merely because the person is named by another in a statement of partnership authority.

(d) A person does not continue to be liable as a partner merely because of a failure to file a statement of dissociation or to amend a statement of partnership authority to indicate the partner's dissociation from the partnership.

(e) Except as otherwise provided in subsections (a) and (b) of this section, persons who are not partners as to each other are not liable as partners to other persons.

ARTICLE 4

Relations of Partners to Each Other and to Partnership

SECTION 21. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-401 of Title 54, unless there is created a duplication in numbering, reads as follows:

Partner's Rights and Duties. (a) Each partner is deemed to have an account that is:

(1) credited with an amount equal to the money plus the value of any other property, net of the amount of any liabilities, the partner contributes to the partnership and the partner's share of the partnership profits; and

(2) charged with an amount equal to the money plus the value of any other property, net of the amount of any liabilities, distributed by the partnership to the partner and the partner's share of the partnership losses.

(b) Each partner is entitled to an equal share of the partnership profits and is chargeable with a share of the partnership losses in proportion to the partner's share of the profits.

(c) A partnership shall reimburse a partner for payments made and indemnify a partner for liabilities incurred by the partner in the ordinary course of the business of the partnership or for the preservation of its business or property.

(d) A partnership shall reimburse a partner for an advance to the partnership beyond the amount of capital the partner agreed to contribute.

(e) A payment or advance made by a partner which gives rise to a partnership obligation under subsection (c) or (d) of this section constitutes a loan to the partnership which accrues interest from the date of the payment or advance.

(f) Each partner has equal rights in the management and conduct of the partnership business.

(g) A partner may use or possess partnership property only on behalf of the partnership.

(h) A partner is not entitled to remuneration for services performed for the partnership, except for reasonable compensation for services rendered in winding up the business of the partnership.

(i) A person may become a partner only with the consent of all of the partners.

(j) A difference arising as to a matter in the ordinary course of business of a partnership may be decided by a majority of the partners. An act outside the ordinary course of business of a partnership and an amendment to the partnership agreement may be undertaken only with the consent of all of the partners.

(k) This section does not affect the obligations of a partnership to other persons under Section 13 of this act.

SECTION 22. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-402 of Title 54, unless there is created a duplication in numbering, reads as follows:

Distributions in Kind. A partner has no right to receive, and may not be required to accept, a distribution in kind.

SECTION 23. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-403 of Title 54, unless there is created a duplication in numbering, reads as follows:

Partner's Rights and Duties with Respect to Information. (a) A partnership shall keep its books and records, if any, at its chief executive office.

(b) A partnership shall provide partners and their agents and attorneys access to its books and records. It shall provide former partners and their agents and attorneys access to books and records pertaining to the period during which they were partners. The right of access provides the opportunity to inspect and copy books and records during ordinary business hours. A partnership may impose a reasonable charge, covering the costs of labor and material, for copies of documents furnished.

(c) Each partner and the partnership shall furnish to a partner, and to the legal representative of a deceased partner or partner under legal disability:

(1) without demand, any information concerning the partnership's business and affairs reasonably required for the proper exercise of the partner's rights and duties under the partnership agreement or this act; and

(2) on demand, any other information concerning the partnership's business and affairs, except to the extent the demand or the information demanded is unreasonable or otherwise improper under the circumstances.

SECTION 24. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-404 of Title 54, unless there is created a duplication in numbering, reads as follows:

General Standards of Partner's Conduct. (a) The only fiduciary duties a partner owes to the partnership and the other partners are the duty of loyalty and the duty of care set forth in subsections (b) and (c) of this section.

(b) A partner's duty of loyalty to the partnership and the other partners is limited to the following:

(1) to account to the partnership and hold as trustee for it any property, profit, or benefit derived by the partner in the conduct and winding up of the partnership business or derived from a use by the partner of partnership property, including the appropriation of a partnership opportunity;

(2) to refrain from dealing with the partnership in the conduct or winding up of the partnership business as or on behalf of a party having an interest adverse to the partnership; and

(3) to refrain from competing with the partnership in the conduct of the partnership business before the dissolution of the partnership.

(c) A partner's duty of care to the partnership and the other partners in the conduct and winding up of the partnership business is limited to refraining from engaging in grossly negligent or reckless conduct, intentional misconduct, or a knowing violation of law.

(d) A partner shall discharge the duties to the partnership and the other partners under this act or under the partnership agreement and exercise any rights consistently with the obligation of good faith and fair dealing.

(e) A partner does not violate a duty or obligation under this act or under the partnership agreement merely because the partner's conduct furthers the partner's own interest.

(f) A partner may lend money to and transact other business with the partnership, and as to each loan or transaction the rights and obligations of the partner are the same as those of a person who is not a partner, subject to other applicable law.

(g) This section applies to a person winding up the partnership business as the personal or legal representative of the last surviving partner as if the person were a partner.

SECTION 25. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-405 of Title 54, unless there is created a duplication in numbering, reads as follows:

Actions by Partnership and Partners. (a) A partnership may maintain an action against a partner for a breach of the partnership agreement, or for the violation of a duty to the partnership, causing harm to the partnership.

(b) A partner may maintain an action against the partnership or another partner for legal or equitable relief, with or without an accounting as to partnership business, to:

(1) enforce the partner's rights under the partnership agreement;

(2) enforce the partner's rights under this act, including:

- (i) the partner's rights under Sections 21, 23, or 24 of this act;
- (ii) the partner's right on dissociation to have the partner's interest in the partnership purchased pursuant to Section 34 of this act or enforce any other right under Article 6 or 7 of this act; or
- (iii) the partner's right to compel a dissolution and winding up of the partnership business under Section 39 of this act or enforce any other right under Article 8 of this act; or

(3) enforce the rights and otherwise protect the interests of the partner, including rights and interests arising independently of the partnership relationship.

(c) The accrual of, and any time limitation on, a right of action for a remedy under this section is governed by other law. A right to an accounting upon a dissolution and winding up does not revive a claim barred by law.

SECTION 26. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-406 of Title 54, unless there is created a duplication in numbering, reads as follows:

Continuation of Partnership beyond Definite Term or Particular Undertaking. (a) If a partnership for a definite term or particular undertaking is continued, without an express agreement, after the expiration of the term or completion of the undertaking, the rights and duties of the partners remain the same as they were at the expiration or completion, so far as is consistent with a partnership at will.

(b) If the partners, or those of them who habitually acted in the business during the term or undertaking, continue the business without any settlement or liquidation of the partnership, they are presumed to have agreed that the partnership will continue.

Transferees and Creditors and Partner

SECTION 27. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-501 of Title 54, unless there is created a duplication in numbering, reads as follows:

Partner not Co-owner of Partnership Property. A partner is not a co-owner of partnership property and has no interest in partnership property which can be transferred, either voluntarily or involuntarily.

SECTION 28. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-502 of Title 54, unless there is created a duplication in numbering, reads as follows:

Partner's Transferable Interest in Partnership. The only transferable interest of a partner in the partnership is the partner's share of the profits and losses of the partnership and the partner's right to receive distributions. The interest is personal property.

SECTION 29. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-503 of Title 54, unless there is created a duplication in numbering, reads as follows:

Transfer of Partner's Transferable Interest. (a) A transfer, in whole or in part, of a partner's transferable interest in the partnership:

- (1) is permissible;
- (2) does not by itself cause the partner's dissociation or a dissolution and winding up of the partnership business; and
- (3) does not, as against the other partners or the partnership, entitle the transferee, during the continuance of the partnership, to participate in the management or conduct of the partnership business, to require access to information concerning partnership transactions, or to inspect or copy the partnership books or records.

(b) A transferee of a partner's transferable interest in the partnership has a right:

(1) to receive, in accordance with the transfer, distributions to which the transferor would otherwise be entitled;

(2) to receive upon the dissolution and winding up of the partnership business, in accordance with the transfer, the net amount otherwise distributable to the transferor; and

(3) to seek under paragraph (6) of Section 39 of this act a judicial determination that it is equitable to wind up the partnership business.

(c) In a dissolution and winding up, a transferee is entitled to an account of partnership transactions only from the date of the latest account agreed to by all of the partners.

(d) Upon transfer, the transferor retains the rights and duties of a partner other than the interest in distributions transferred.

(e) A partnership need not give effect to a transferee's rights under this section until it has notice of the transfer.

(f) A transfer of a partner's transferable interest in the partnership in violation of a restriction on transfer contained in the partnership agreement is ineffective as to a person having notice of the restriction at the time of transfer.

SECTION 30. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-504 of Title 54, unless there is created a duplication in numbering, reads as follows:

Partner's Transferable Interest Subject to Charging Order. (a) On application by a judgment creditor of a partner or of a partner's transferee, a court having jurisdiction may charge the transferable interest of the judgment debtor to satisfy the judgment. The court may appoint a receiver of the share of the distributions due or to become due to the judgment debtor in respect of the partnership and make all other orders, directions, accounts, and inquiries the

judgment debtor might have made or which the circumstances of the case may require.

(b) A charging order constitutes a lien on the judgment debtor's transferable interest in the partnership. The court may order a foreclosure of the interest subject to the charging order at any time. The purchaser at the foreclosure sale has the rights of a transferee.

(c) At any time before foreclosure, an interest charged may be redeemed:

(1) by the judgment debtor;

(2) with property other than partnership property, by one or more of the other partners; or

(3) with partnership property, by one or more of the other partners with the consent of all of the partners whose interests are not so charged.

(d) This act does not deprive a partner of a right under exemption laws with respect to the partner's interest in the partnership.

(e) This section provides the exclusive remedy by which a judgment creditor of a partner or partner's transferee may satisfy a judgment out of the judgment debtor's transferable interest in the partnership.

ARTICLE 6

Partner's Dissociation

SECTION 31. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-601 of Title 54, unless there is created a duplication in numbering, reads as follows:

Events Causing Partner's Dissociation. A partner is dissociated from a partnership upon the occurrence of any of the following events:

(1) the partnership's having notice of the partner's express will to withdraw as a partner or on a later date specified by the partner;

(2) an event agreed to in the partnership agreement as causing the partner's dissociation;

(3) the partner's expulsion pursuant to the partnership agreement;

(4) the partner's expulsion by the unanimous vote of the other partners if:

- (i) it is unlawful to carry on the partnership business with that partner;
- (ii) there has been a transfer of all or substantially all of that partner's transferable interest in the partnership, other than a transfer for security purposes, or a court order charging the partner's interest, which has not been foreclosed;
- (iii) within ninety (90) days after the partnership notifies a corporate partner that it will be expelled because it has filed a certificate of dissolution or the equivalent, its charter has been revoked, or its right to conduct business has been suspended by the jurisdiction of its incorporation, there is no revocation of the certificate of dissolution or no reinstatement of its charter or its right to conduct business; or
- (iv) a partnership that is a partner has been dissolved and its business is being wound up;

(5) on application by the partnership or another partner, the partner's expulsion by judicial determination because:

- (i) the partner engaged in wrongful conduct that adversely and materially affected the partnership business;

(ii) the partner willfully or persistently committed a material breach of the partnership agreement or of a duty owed to the partnership or the other partners under Section 24 of this act; or

(iii) the partner engaged in conduct relating to the partnership business which makes it not reasonably practicable to carry on the business in partnership with the partner;

(6) the partner's:

(i) becoming a debtor in bankruptcy;

(ii) executing an assignment for the benefit of creditors;

(iii) seeking, consenting to, or acquiescing in the appointment of a trustee, receiver, or liquidator of that partner or of all or substantially all of that partner's property; or

(iv) failing, within ninety (90) days after the appointment, to have vacated or stayed the appointment of a trustee, receiver, or liquidator of the partner or of all or substantially all of the partner's property obtained without the partner's consent or acquiescence, or failing within ninety (90) days after the expiration of a stay to have the appointment vacated;

(7) in the case of a partner who is an individual:

(i) the partner's death;

(ii) the appointment of a guardian or general conservator for the partner; or

(iii) a judicial determination that the partner has otherwise become incapable of performing the partner's duties under the partnership agreement;

(8) in the case of a partner that is a trust or is acting as a partner by virtue of being a trustee of a trust, distribution of the

trust's entire transferable interest in the partnership, but not merely by reason of the substitution of a successor trustee;

(9) in the case of a partner that is an estate or is acting as a partner by virtue of being a personal representative of an estate, distribution of the estate's entire transferable interest in the partnership, but not merely by reason of the substitution of a successor personal representative; or

(10) termination of a partner who is not an individual, partnership, corporation, trust, or estate.

SECTION 32. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-602 of Title 54, unless there is created a duplication in numbering, reads as follows:

Partner's Power to Dissociate; Wrongful Dissociation. (a) A partner has the power to dissociate at any time, rightfully or wrongfully, by express will pursuant to paragraph (1) of Section 31 of this act.

(b) A partner's dissociation is wrongful only if:

(1) it is in breach of an express provision of the partnership agreement; or

(2) in the case of a partnership for a definite term or particular undertaking, before the expiration of the term or the completion of the undertaking:

- (i) the partner withdraws by express will, unless the withdrawal follows within ninety (90) days after another partner's dissociation by death or otherwise under paragraphs (6) through (10) of Section 31 of this act or wrongful dissociation under this subsection;
- (ii) the partner is expelled by judicial determination under paragraph (5) of Section 31 of this act;
- (iii) the partner is dissociated by becoming a debtor in bankruptcy; or

(iv) in the case of a partner who is not an individual, trust other than a business trust, or estate, the partner is expelled or otherwise dissociated because it willfully dissolved or terminated.

(c) A partner who wrongfully dissociates is liable to the partnership and to the other partners for damages caused by the dissociation. The liability is in addition to any other obligation of the partner to the partnership or to the other partners.

SECTION 33. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-603 of Title 54, unless there is created a duplication in numbering, reads as follows:

Effect of Partner's Dissociation. (a) If a partner's dissociation results in a dissolution and winding up of the partnership business, Article 8 of this act applies; otherwise, Article 7 of this act applies.

(b) Upon a partner's dissociation:

(1) the partner's right to participate in the management and conduct of the partnership business terminates, except as otherwise provided in Section 41 of this act;

(2) the partner's duty of loyalty under paragraph (3) of subsection (b) of Section 24 of this act terminates; and

(3) the partner's duty of loyalty under paragraphs (1) and (2) of subsection (b) of Section 24 of this act and duty of care under subsection (c) of Section 24 of this act continue only with regard to matters arising and events occurring before the partner's dissociation, unless the partner participates in winding up the partnership's business pursuant to Section 41 of this act.

ARTICLE 7

Partner's Dissociation When Business Not Wound Up

SECTION 34. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-701 of Title 54, unless there is created a duplication in numbering, reads as follows:

Purchase of Dissociated Partner's Interest. (a) If a partner is dissociated from a partnership without resulting in a dissolution and winding up of the partnership business under Section 39 of this act, the partnership shall cause the dissociated partner's interest in the partnership to be purchased for a buyout price determined pursuant to subsection (b) of this section.

(b) The buyout price of a dissociated partner's interest is the amount that would have been distributable to the dissociating partner under subsection (b) of Section 45 of this act if, on the date of dissociation, the assets of the partnership were sold at a price equal to the greater of the liquidation value or the value based on a sale of the entire business as a going concern without the dissociated partner and the partnership were wound up as of that date. Interest must be paid from the date of dissociation to the date of payment.

(c) Damages for wrongful dissociation under subsection (b) of Section 32 of this act, and all other amounts owing, whether or not presently due, from the dissociated partner to the partnership, must be offset against the buyout price. Interest must be paid from the date the amount owed becomes due to the date of payment.

(d) A partnership shall indemnify a dissociated partner whose interest is being purchased against all partnership liabilities, whether incurred before or after the dissociation, except liabilities incurred by an act of the dissociated partner under Section 35 of this act.

(e) If no agreement for the purchase of a dissociated partner's interest is reached within one hundred twenty (120) days after a written demand for payment, the partnership shall pay, or cause to be paid, in cash to the dissociated partner the amount the partnership estimates to be the buyout price and accrued interest, reduced by any offsets and accrued interest under subsection (c) of this section.

(f) If a deferred payment is authorized under subsection (h) of this section, the partnership may tender a written offer to pay the amount it estimates to be the buyout price and accrued interest, reduced by any offsets under subsection (c) of this section, stating the time of payment, the amount and type of security for payment, and the other terms and conditions of the obligation.

(g) The payment or tender required by subsection (e) or (f) of this section must be accompanied by the following:

(1) a statement of partnership assets and liabilities as of the date of dissociation;

(2) the latest available partnership balance sheet and income statement, if any;

(3) an explanation of how the estimated amount of the payment was calculated; and

(4) written notice that the payment is in full satisfaction of the obligation to purchase unless, within one hundred twenty (120) days after the written notice, the dissociated partner commences an action to determine the buyout price, any offsets under subsection (c) of this section, or other terms of the obligation to purchase.

(h) A partner who wrongfully dissociates before the expiration of a definite term or the completion of a particular undertaking is not entitled to payment of any portion of the buyout price until the expiration of the term or completion of the undertaking, unless the partner establishes to the satisfaction of the court that earlier payment will not cause undue hardship to the business of the partnership. A deferred payment must be adequately secured and bear interest.

(i) A dissociated partner may maintain an action against the partnership, pursuant to subparagraph (ii) of paragraph (2) of subsection (b) of Section 25 of this act, to determine the buyout price of that partner's interest, any offsets under subsection (c) of this section, or other terms of the obligation to purchase. The

action must be commenced within one hundred twenty (120) days after the partnership has tendered payment or an offer to pay or within one (1) year after written demand for payment if no payment or offer to pay is tendered. The court shall determine the buyout price of the dissociated partner's interest, any offset due under subsection (c) of this section, and accrued interest, and enter judgment for any additional payment or refund. If deferred payment is authorized under subsection (h) of this section, the court shall also determine the security for payment and other terms of the obligation to purchase. The court may assess reasonable attorney fees and the fees and expenses of appraisers or other experts for a party to the action, in amounts the court finds equitable, against a party that the court finds acted arbitrarily, vexatiously, or not in good faith. The finding may be based on the partnership's failure to tender payment or an offer to pay or to comply with subsection (g) of this section.

SECTION 35. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-702 of Title 54, unless there is created a duplication in numbering, reads as follows:

Dissociated Partner's Power to Bind and Liability to Partnership. (a) For two (2) years after a partner dissociates without resulting in a dissolution and winding up of the partnership business, the partnership, including a surviving partnership under Article 9 of this act, is bound by an act of the dissociated partner which would have bound the partnership under Section 13 of this act before dissociation only if at the time of entering into the transaction the other party:

- (1) reasonably believed that the dissociated partner was then a partner;
- (2) did not have notice of the partner's dissociation; and

(3) is not deemed to have had knowledge under subsection (e) of Section 15 of this act or notice under subsection (c) of Section 37 of this act.

(b) A dissociated partner is liable to the partnership for any damage caused to the partnership arising from an obligation incurred by the dissociated partner after dissociation for which the partnership is liable under subsection (a) of this section.

SECTION 36. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-703 of Title 54, unless there is created a duplication in numbering, reads as follows:

Dissociated Partner's Liability to Other Persons. (a) A partner's dissociation does not of itself discharge the partner's liability for a partnership obligation incurred before dissociation. A dissociated partner is not liable for a partnership obligation incurred after dissociation, except as otherwise provided in subsection (b) of this section.

(b) A partner who dissociates without resulting in a dissolution and winding up of the partnership business is liable as a partner to the other party in a transaction entered into by the partnership, or a surviving partnership under Article 9 of this act, within two (2) years after the partner's dissociation, only if at the time of entering into the transaction the other party:

(1) reasonably believed that the dissociated partner was then a partner;

(2) did not have notice of the partner's dissociation; and

(3) is not deemed to have had knowledge under subsection (e) of Section 15 of this act or notice under subsection (c) of Section 37 of this act.

(c) By agreement with the partnership creditor and the partners continuing the business, a dissociated partner may be released from liability for a partnership obligation.

(d) A dissociated partner is released from liability for a partnership obligation if a partnership creditor, with notice of the partner's dissociation but without the partner's consent, agrees to a material alteration in the nature or time of payment of a partnership obligation.

SECTION 37. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-704 of Title 54, unless there is created a duplication in numbering, reads as follows:

Statement of Dissociation. (a) A dissociated partner or the partnership may file a statement of dissociation stating the name of the partnership and that the partner is dissociated from the partnership.

(b) A statement of dissociation is a limitation on the authority of a dissociated partner for the purposes of subsection (d) and (e) of Section 15 of this act.

(c) For the purposes of paragraph (3) of subsection (a) of Section 35 of this act and paragraph (3) of subsection (b) of Section 36 of this act, a person not a partner is deemed to have notice of the dissociation ninety (90) days after the statement of dissociation is filed.

SECTION 38. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-705 of Title 54, unless there is created a duplication in numbering, reads as follows:

Continued Use of Partnership Name. Continued use of a partnership name, or a dissociated partner's name as part thereof, by partners continuing the business does not of itself make the dissociated partner liable for an obligation of the partners or the partnership continuing the business.

ARTICLE 8

Winding Up Partnership Business

SECTION 39. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-801 of Title 54, unless there is created a duplication in numbering, reads as follows:

Events Causing Dissolution and Winding Up of Partnership Business. A partnership is dissolved, and its business must be wound up, only upon the occurrence of any of the following events:

(1) in a partnership at will, the partnership's having notice from a partner, other than a partner who is dissociated under paragraphs (2) through (10) of Section 31 of this act, of that partner's express will to withdraw as a partner, or on a later date specified by the partner;

(2) in a partnership for a definite term or particular undertaking:

(i) the expiration of ninety (90) days after a partner's dissociation by death or otherwise under paragraphs (6) through (10) of Section 31 of this act or wrongful dissociation under subsection (b) of Section 32 of this act, unless before that time a majority in interest of the remaining partners, including partners who have rightfully dissociated pursuant to subparagraph (i) of paragraph (2) of subsection (b) of Section 32 of this act, agree to continue the partnership;

(ii) the express will of all of the partners to wind up the partnership business; or

(iii) the expiration of the term or the completion of the undertaking;

(3) an event agreed to in the partnership agreement resulting in the winding up of the partnership business;

(4) an event that makes it unlawful for all or substantially all of the business of the partnership to be continued, but a cure of illegality within ninety (90) days after notice to the

partnership of the event is effective retroactively to the date of the event for purposes of this section;

(5) on application by a partner, a judicial determination that:

- (i) the economic purpose of the partnership is likely to be unreasonably frustrated;
- (ii) another partner has engaged in conduct relating to the partnership business which makes it not reasonably practicable to carry on the business in partnership with that partner; or
- (iii) it is not otherwise reasonably practicable to carry on the partnership business in conformity with the partnership agreement; or

(6) on application by a transferee of a partner's transferable interest, a judicial determination that it is equitable to wind up the partnership business:

- (i) after the expiration of the term or completion of the undertaking, if the partnership was for a definite term or particular undertaking at the time of the transfer or entry of the charging order that gave rise to the transfer; or
- (ii) at any time, if the partnership was a partnership at will at the time of the transfer or entry of the charging order that gave rise to the transfer.

SECTION 40. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-802 of Title 54, unless there is created a duplication in numbering, reads as follows:

Partnership Continues After Dissolution. (a) Subject to subsection (b) of this section, a partnership continues after dissolution only for the purpose of winding up its business. The partnership is terminated when the winding up of its business is completed.

(b) At any time after the dissolution of a partnership and before the winding up of its business is completed, all of the partners, including any dissociating partner other than a wrongfully dissociating partner, may waive the right to have the partnership's business wound up and the partnership terminated.

In that event:

(1) the partnership resumes carrying on its business as if dissolution had never occurred, and any liability incurred by the partnership or a partner after the dissolution and before the waiver is determined as if dissolution had never occurred; and

(2) the rights of a third party accruing under paragraph (1) of Section 42 of this act or arising out of conduct in reliance on the dissolution before the third party knew or received a notification of the waiver may not be adversely affected.

SECTION 41. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-803 of Title 54, unless there is created a duplication in numbering, reads as follows:

Right to Wind Up Partnership Business. (a) After dissolution, a partner who has not wrongfully dissociated may participate in winding up the partnership's business, but on application of any partner, partner's legal representative, or transferee, the district court, for good cause shown, may order judicial supervision of the winding up.

(b) The legal representative of the last surviving partner may wind up a partnership's business.

(c) A person winding up a partnership's business may preserve the partnership business or property as a going concern for a reasonable time, prosecute and defend actions and proceedings, whether civil, criminal, or administrative, settle and close the partnership's business, dispose of and transfer the partnership's property, discharge the partnership's liabilities, distribute the assets of the partnership pursuant to Section 45 of this act, settle

disputes by mediation or arbitration, and perform other necessary acts.

SECTION 42. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-804 of Title 54, unless there is created a duplication in numbering, reads as follows:

Partner's Power to Bind Partnership After Dissolution. Subject to Section 43 of this act, a partnership is bound by a partner's act after dissolution that:

- (1) is appropriate for winding up the partnership business; or
- (2) would have bound the partnership under Section 13 of this act before dissolution, if the other party to the transaction did not have notice of the dissolution.

SECTION 43. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-805 of Title 54, unless there is created a duplication in numbering, reads as follows:

Statement of Dissolution. (a) After dissolution, a partner who has not wrongfully dissociated may file a statement of dissolution stating the name of the partnership and that the partnership has dissolved and is winding up its business.

(b) A statement of dissolution cancels a filed statement of partnership authority for the purposes of subsection (d) of Section 15 of this act and is a limitation on authority for the purposes of subsection (e) of Section 15 of this act.

(c) For the purposes of Sections 13 and 42 of this act, a person not a partner is deemed to have notice of the dissolution and the limitation on the partners' authority as a result of the statement of dissolution ninety (90) days after it is filed.

(d) After filing and, if appropriate, recording a statement of dissolution, a dissolved partnership may file and, if appropriate, record a statement of partnership authority which will operate with respect to a person not a partner as provided in subsections (d) and

(e) of Section 15 of this act in any transaction, whether or not the transaction is appropriate for winding up the partnership business.

SECTION 44. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-806 of Title 54, unless there is created a duplication in numbering, reads as follows:

Partner's Liability to Other Partners After Dissolution. (a) Except as otherwise provided in subsection (b) of this section, after dissolution a partner is liable to the other partners for the partner's share of any partnership liability incurred under Section 42 of this act.

(b) A partner who, with knowledge of the dissolution, incurs a partnership liability under paragraph (2) of Section 42 of this act by an act that is not appropriate for winding up the partnership business is liable to the partnership for any damage caused to the partnership arising from the liability.

SECTION 45. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-807 of Title 54, unless there is created a duplication in numbering, reads as follows:

Settlement of Accounts and Contributions Among Partners. (a) In winding up a partnership's business, the assets of the partnership, including the contributions of the partners required by this section, must be applied to discharge its obligations to creditors, including, to the extent permitted by law, partners who are creditors. Any surplus must be applied to pay in cash the net amount distributable to partners in accordance with their right to distributions under subsection (b) of this section.

(b) Each partner is entitled to a settlement of all partnership accounts upon winding up the partnership business. In settling accounts among the partners, the profits and losses that result from the liquidation of the partnership assets must be credited and charged to the partners' accounts. The partnership shall make a distribution to a partner in an amount equal to any excess of the

credits over the charges in the partner's account. A partner shall contribute to the partnership an amount equal to any excess of the charges over the credits in the partner's account.

(c) If a partner fails to contribute, all of the other partners shall contribute, in the proportions in which those partners share partnership losses, the additional amount necessary to satisfy the partnership obligations. A partner or partner's legal representative may recover from the other partners any contributions the partner makes to the extent the amount contributed exceeds that partner's share of the partnership obligations.

(d) After the settlement of accounts, each partner shall contribute, in the proportion in which the partner shares partnership losses, the amount necessary to satisfy partnership obligations that were not known at the time of the settlement.

(e) The estate of a deceased partner is liable for the partner's obligation to contribute to the partnership.

(f) An assignee for the benefit of creditors of a partnership or a partner, or a person appointed by a court to represent creditors of a partnership or a partner, may enforce a partner's obligation to contribute to the partnership.
