SECTION 1. AMENDATORY 57 O.S. 1991, Section 561, as last
amended by Section 1, Chapter 169, O.S.L. 1996 (57 O.S. Supp. 1996,
Section 561), is amended to read as follows:

Section 561. A. The Department of Corrections is hereby
authorized to provide for incarceration, supervision, and
residential treatment at facilities other than those operated by the
Department of Corrections. Services offered for persons under the
custody or supervision of the Department are to include, but not be
limited to, housing, alcoholism or drug treatment, mental health
services, nursing home care, or halfway house placement. Such
services must meet standards prescribed and established by the State

Board of Corrections for implementing such a program, including but not limited to standards concerning internal and perimeter security, discipline of inmates, educational and vocational training programs, employment of inmates, and proper food, clothing, housing, and medical care. Such services must be contracted for in accordance with Section 85.7 of Title 74 of the Oklahoma Statutes. Such services, if provided by private prison contractors, shall be contracted for as provided in subsections C through J of this section.

B. The Department of Corrections is hereby authorized to provide for the operation of correctional institutions of the Department by private prison contractors. Such operation shall meet standards prescribed by the State Board of Corrections, including but not limited to, standards concerning internal and perimeter security, discipline of inmates, educational and vocational training programs, and proper food, clothing, housing, and medical care. Such services shall be contracted for in accordance with the provisions of subsections C through J of this section.

C. A comprehensive file for all private prison contractors interested in and capable of operating an institution within the Department or providing for the housing, care, and control of inmates in a facility owned and operated by the contractor shall be maintained by the Department. These files shall include a completed application form, a resume of the contractor's staff and capability, a completed performance evaluation form for past projects on which the contractor has provided private prison services, a list of past contracts with this state, and a list of contracts to provide similar services to other states or to the United States.

The file shall include the mailing address of each private prison contractor.

Any person or firm wishing to be a private prison contractor may request at any time to be included in the comprehensive file, and

shall be provided necessary forms within twenty (20) days of the request and the Department shall add such contractor to the list within twenty (20) days of receipt of a properly completed application.

The Department may solicit evaluation of work done by private prison contractors from members of the private sector, which evaluation shall be part of the comprehensive file.

D. If the Department intends to secure the services of a private prison contractor, all persons and firms included in the file shall be notified through the mail of such intent. Such notification shall contain the following information:

1. Description and scope of the project or projects;
2. Estimated time schedule for project;
3. Last date for submitting notice of interest in performing services to Director; and
4. Other pertinent data.

Private prison contractors desiring consideration shall meet the requirements of this section and to be considered shall submit a letter expressing interest in the project to the Department within thirty (30) days of the postmark date of the letter of notification mailed by the Department. Contractors shall file an updated application form at the request of the Department.

E. The Department shall define the scope of a proposed project, determine the various project components, phases and timetables, and prepare detailed project descriptions to guide prospective contractors. Before the Department awards a contract to a private prison contractor, the plans shall be approved by the Board.

F. The Department shall review the files of the private prison contractors desiring consideration for the project, and shall select no less than three and no more than five contractors for more detailed consideration. In the event interviews for more than one contract are being considered at the same time, the number of

contractors selected for more detailed consideration should be at least twice the number of contracts contemplated. This initial screening should consider the requirements of the project, as well as the following factors to be determined from the comprehensive file, and replies to inquiries to former clients:

1. Specialized experience in the type of work contemplated;

2. Capacity of the contractor to accomplish the work in the required time; and

3. Past performance, from the performance evaluation form.

G. A full report of the evaluation procedures and recommendations of the Department shall be prepared by the Department and submitted to the Board for the independent review of the entire process.

H. The Department shall select the contractor whose qualifications and project proposal most substantially meet the criteria of the project description. The Department shall negotiate the contract with the selected contractor, which contract shall include a fair and reasonable fee. The negotiated scope and fee shall be reported to the Board for the approval of the award of the contract. The contract shall be sent to the Department of Central Services for approval or disapproval. If the Department of Central Services disapproves the contract or the Department and the selected contractor cannot reach an agreement, the Department may either renegotiate with the selected contractor or begin negotiations with the next-choice contractor. Should the Department be unable to negotiate a satisfactory contract with any of the three selected contractors, the Department shall select additional contractors in order of their competency and qualifications and shall continue negotiations in accordance with the provisions of this section until an agreement is reached.

I. Should there be an inadequate expression of interest in the project, the Director and the Board shall confer to add additional

private prison contractors for consideration which are known to be appropriate for the project.

J. The Department of Central Services shall render assistance to the Department of Corrections in implementing the contracting procedures provided for in this section. The Department of Central Services may have a representative at any meeting involving negotiations of a contract between the Department and a private prison contractor.

L. Contracts awarded to private prison contractors pursuant to the provisions of this section shall be entered into for a period specified in each contract, subject to availability of funds annually appropriated by the Legislature for that purpose. No contract awarded pursuant to this section shall provide for the encumbrance of funds beyond the amount available for a fiscal year.

M. No contract authorized by the provisions of this section shall be awarded until the private prison contractor demonstrates to the satisfaction of the State Board of Corrections:

1. That the contractor possesses the necessary qualifications and experience to provide the services specified in the contract;

2. That the contractor can provide the necessary qualified personnel to implement the terms of the contract;

3. That the financial condition of the contractor is such that the terms of the contract can be fulfilled;

4. That the contractor has the ability to comply with applicable court orders and corrections standards; and

5. That, in the case of a contractor who will be providing the services in a nondepartmental facility operated by said contractor, the contractor shall be able to meet accreditation standards and receive accreditation, as required by the terms of the contract pursuant to subsection R of this section.

N. No contract authorized by the provisions of this section shall be awarded until the private prison contractor demonstrates to the satisfaction of the Board that the contractor can obtain insurance or provide self-insurance to:

1. Indemnify the state against possible lawsuits arising from the operation of prison facilities by the contractor; and

2. Compensate the state for any property damage or expenses incurred due to the operation of prison facilities.

O. A private prison contractor shall not be bound by state laws or other legislative enactments governing the appointment, qualifications, duties, salaries, or benefits of wardens, superintendents, or other correctional employees, except that any personnel authorized to carry and use firearms shall comply with the certification standards required by the provisions of Section 3311 of Title 70 of the Oklahoma Statutes and be authorized to use firearms only to prevent a felony, to prevent escape from custody, or to prevent an act which would cause death or serious bodily injury to the personnel or to another person.

P. Any offense which would be a crime if committed within a state correctional institution also shall be a crime if committed in an institution or facility operated by a private prison contractor.

Q. The Director or his designee shall monitor the performance of the contractor.

contractor, shall contain, in addition to other provisions, terms and conditions:

Requiring the contractor to obtain written authorization from the governing board of any municipality in which the facility is to be located, or if the facility is not to be located within a municipality, written authorization from the board of county commissioners of the county in which the facility is to be located; and

4. Granting the Department the option at the beginning of each fiscal year to purchase or lease, at a predetermined price, any such facility.

SECTION 2. This act shall become effective November 1, 1997.
