BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. AMENDATORY 40 O.S. 1991, Section 3-106, as last amended by Section 14, Chapter 340, O.S.L. 1995 (40 O.S. Supp. 1996, Section 3-106), is amended to read as follows:

Section 3-106. BENEFIT WAGES CHARGED AND RELIEF THEREFROM.

A. The Oklahoma Employment Security Commission shall give notice to each base period employer of a claimant promptly after the claimant is paid his or her fifth week of benefits by the Commission or promptly after the Commission receives notice of the amounts paid as benefits by another state under a reciprocal arrangement. Notice shall be deemed given under this subsection when the Commission deposits the same in the United States mail addressed to the employer at an address designated by the employer to receive such notice or at the employer's last-known address. Notice shall be

presumed prima facie to have been given to the employer to whom addressed on the date stated in the written notice. This notice shall give the name and Social Security Number of the claimant, the date the claim was filed, and the amount of benefit wages charged to the employer in each quarter of the base period.

B. Within fourteen (14) days from the date stated upon the notice provided for in subsection A of this section, the employer may file with the Commission written objections to being charged with such benefit wages upon one or more of the grounds for objection set forth in subsection G of this section. The employer's written objection must set forth specifically:

1. The date on which the employment was terminated;

2. Full particulars as to the circumstances of the termination including the reason given by the individual for voluntarily leaving the employment, or the nature of the misconduct for which discharged, as the case may be;

3. Full particulars as to the regular scheduled part-time or full-time employment of the employee including the starting date, and ending date if any, of the continuous period of such part-time or full-time employment; and

4. Such other information as called for by the notice.

C. Upon receipt of the employer's written objections, the Commission shall make a determination as to whether or not the employer is entitled to be relieved from the charging of benefit wages. The Commission shall promptly notify the employer of that determination. Provided further, the fourteen-day time period for filing written objections with the Commission as provided for in subsection B of this section may be waived for good cause shown.

D. Within twenty (20) days after the mailing of the determination provided for in subsection C of this section, the employer may file with the Commission or its representative a written protest to the determination and request an oral hearing de

novo to present evidence in support of its protest. The Commission or its representative shall, by written notice, advise the employer of the date of the hearing, which shall not be less than ten (10) days from the date of mailing of the written notice. At the discretion of the Commission, this hearing shall be conducted by the Commission or its representative appointed by the Commission for this purpose. Pursuant to the hearing, the Commission or its representative shall, as soon as practicable, make a written order setting forth its findings of fact and conclusions of law, and shall send it to the employer.

E. If any employer fails to file a written protest within the period of twenty (20) days, as provided by subsection D of this section, then the determination shall be final, and no appeal shall thereafter be allowed.

F. The employer or the Commission may appeal the order of the Commission or its representative to the district court by filing a petition for review with the clerk of that court within thirty (30) days after the date the order was mailed to all parties. The mailing date shall be specifically stated in the order.

G. The benefit wages charged to an employer for a given calendar year shall be the total of the benefit wages stated in the notices given to the employer by the Commission. Provided, that an employer's benefit wages shall not include wages paid by the employer to any employee or former employee, who:

1. Left employment with that employer, or with his or her last employer, voluntarily without good cause connected to the work;
2. Was discharged from such employment for misconduct connected with his or her work;
3. Was a regular scheduled employee of that employer prior to the week the employee separated from other employment, and continued to work for said employer through the fifth compensable week of unemployment in his or her established benefit year; ~~or~~

4. Was separated from his or her employment as a direct result of a major natural disaster, declared as such by the President pursuant to the Disaster Relief Act of 1974, P.L. 93-288, and such employee would have been entitled to disaster unemployment assistance if he or she had not received unemployment insurance benefits; or

5. Was separated from employment with that employer due to a medically verifiable illness or medical condition of the employee or the minor child of the employee.

H. If an employer recalls a laid-off or separated employee and said employee continues to be employed or said employee voluntarily terminates employment or is discharged for misconduct within the benefit year, the employer shall be entitled to have the benefit wage charged against the employer's experience rating for said employee reduced by the ratio of the number of weeks of remaining eligibility of said employee to the total number of weeks of entitlement.

I. An employer shall not be charged with benefit wages of a laid-off employee if the employer lists as an objection in a statement filed in accordance with subsection B of this section that said employee collecting benefits was hired to replace a United States serviceman or servicewoman called into active duty and laid-off upon the return to work by that serviceman or servicewoman. The Unemployment Compensation Fund shall be charged with the benefit wages of the laid-off employee.

SECTION 2. This act shall become effective July 1, 1997.

SECTION 3. It being immediately necessary for the preservation of the public peace, health and safety, an emergency is hereby declared to exist, by reason whereof this act shall take effect and be in full force from and after its passage and approval.
