

STATE OF OKLAHOMA

2nd Session of the 46th Legislature (1998)

HOUSE BILL NO. 2600

By: Lindley

AS INTRODUCED

An Act relating to state government; requiring the Administrator of the Office of Personnel Management to establish certain technology training programs; requiring every state employee to attend the training; requiring each agency to ensure that employees attend the training; providing for establishment of the training programs; providing for assistance from the State Board of Vocational and Technical Education; providing for codification; and providing an effective date.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 840-3.1A of Title 74, unless there is created a duplication in numbering, reads as follows:

A. The Administrator of the Office of Personnel Management shall establish standards for training and certification of state employees in the use of computers and technology. Each state employee shall complete a technology training program within six (6) months after beginning employment with the state. Each agency shall ensure that all state employees are notified of and scheduled to

attend the required training program and shall make time available for employees to complete the program.

B. The Administrator of the Office of Personnel Management shall establish technology training programs with funds available for that purpose. The Administrator will work with the State Board of Vocational and Technical Education to develop and provide the training programs.

SECTION 2. This act shall become effective November 1, 1998.
