- b. August 5, 1964, and ended on May 7, 1975, in all other cases,

except that such period shall be deemed to have ended on December 31, 1976, when determining eligibility for education and training benefits; or

7. In the Armed Forces of the United States on or after August 1, 1990, and ended on December 31, 1991, excluding any person who shall have served on active duty for training only, unless discharged from active duty for service-connected disability.

On or after July 1, 1998, for retirement military service credit purposes, the words "war veterans" shall include honorably discharged persons who served in the Armed Forces of the United States at any time during the period from January 1, 1956 to January 1, 1959. This paragraph shall only apply to persons who retire on or after July 1, 1998 and who are eligible for military service credit.

The term "war veterans" shall include only those persons who shall have served during the times or in the areas prescribed in this section, and those persons who were awarded service medals, as authorized by the United States Department of Defense as reflected in the veteran's Defense Department Form 214, related to the Vietnam Conflict who served prior to August 5, 1964. Any honorably discharged war veteran of any of the Armed Forces of the United States shall be entitled to such tax exemptions to include but not be limited to tax-exempt veterans' benefits as provided in paragraph 12 of Section 2887 of Title 68 of the Oklahoma Statutes, special permits and veterans' preferences for state employment; provided, that any person who shall have served on active duty for training purposes only shall not be entitled to any such tax exemptions, special permits or veterans' preferences.

War veterans, as defined in this section, shall receive maximum benefits available for each year of creditable service, not to exceed five (5) years, for active military service for retirement benefits in the retirement systems within the State of Oklahoma; however, this provision shall apply to the Oklahoma Employment Security Commission only if approved by the federal funding source of the Oklahoma Security Commission. The provisions of this act shall include military retirees, whose retirement was based only on active service, that have been rated as having twenty percent (20%) or greater service-connected disability by the Veterans Administration or the Armed Forces of the United States.

SECTION 2. This act shall become effective July 1, 1998.

SECTION 3. It being immediately necessary for the preservation of the public peace, health and safety, an emergency is hereby declared to exist, by reason whereof this act shall take effect and be in full force from and after its passage and approval.
