

SHORT TITLE: Game and fish; removal of certain natural resources from wildlife management areas under conditions; emergency.

STATE OF OKLAHOMA

2nd Session of the 46th Legislature (1998)

SENATE BILL NO. 763

By: Rabon

AS INTRODUCED

An Act relating to wildlife management areas;

requiring any income generated from the removal of a natural resource to be used for the upkeep or improvements of the wildlife management area from which it was removed; providing definition; and declaring an emergency.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 7-307 of Title 29, unless there is created a duplication in numbering, reads as follows:

A. Any income generated from the removal of a natural resource from a wildlife management area shall be used for upkeep or improvement of the wildlife area from which the natural resource was removed.

B. For the purposes of this section, "natural resource" shall mean any timber or minerals located on the premises of said wildlife management area.

SECTION 2. It being immediately necessary for the preservation of the public peace, health and safety, an emergency is hereby declared to exist, by reason whereof this act shall take effect and be in full force from and after its passage and approval.
