Section 3. The Legislature shall enact laws providing for the strict regulation, control, licensing, and taxation of the manufacture, sale, distribution, possession, and transportation of alcoholic beverages, consistent with the provisions of this Amendment. Provided, that any manufacturer, or subsidiary of any manufacturer who markets his product solely through a subsidiary or subsidiaries, a distiller, rectifier, bottler, winemaker, brewer, or importer of alcoholic beverages, bottled or made in a foreign country, either within or without this state, shall be required to sell such brands or kinds of alcoholic beverages to every licensed

wholesale distributor who desires to purchase the same, on the same price basis and without discrimination, and shall further be required to sell such beverages only to those distributors licensed as wholesale distributors. Winemakers either within or without this state shall be required to sell wine they produce to every licensed wholesale distributor who desires to purchase the wine, but winemakers shall not be required to sell the wine they produce only to licensed wholesale distributors. Winemakers may sell wine produced at the winery to consumers on the premises of the winery. As used in this section, "restaurant" means an establishment that is licensed to sell alcoholic beverages by the individual drink for on-premises consumption and where food is prepared and sold for immediate consumption on the premises. All laws passed by the Legislature under the authority of the Article shall be consistent with this provision.
