~~2. Two systems which have three or more counties participating;~~
~~and~~

~~3. Not fewer than two systems which have single county participation in a rural area.~~

Each fiscal year the Division, in collaboration with the local planning councils, shall provide goals and funding priorities for community punishments as provided by law. The statewide community sentencing system shall be composed of local community sentencing system plans as approved by the Division. The Division shall promulgate rules for local community sentencing systems based upon objective criteria for allocation of state-appropriated funds to local systems for day-to-day operation during a fiscal year which may include identification of:

The state shall require each local community sentencing system to identify resources other than state funds as part of the funding formula. The Division shall establish procedures for disbursement of state funds to service providers, and shall disburse state funds in a timely manner.

B. For a local community sentencing pilot project to remain eligible for state funding, a local community sentencing system shall:

E. State funds from the Community Sentencing Division disbursed to community sentencing systems shall be used for operation and administrative expenses and shall not be used to construct, renovate, remodel, expand or improve any jail, residential treatment facility, restrictive housing facility, or any other structure, nor shall these funds be used to replace funding or other resources from the federal, state, county or city government committed in support of the detailed system plan during the plan year.

F. Any funds accruing to the benefit of a community sentencing system shall be deposited in the Oklahoma Community Sentencing Revolving Fund created as provided in Section 557.1 of Title 57 of
