The funds allocated in subparagraph bb of this paragraph shall be spent for capital projects which are important to the furtherance of state functions, as directed by the Governor.

B. The Authority may hold title to the real and personal property and improvements until such time as any obligations issued for this purpose are retired or defeated and may lease the real property and improvements to the agencies indicated herein. Upon final redemption or defeasance of the obligations created pursuant to this section, title to the real and personal property and improvements shall be transferred from the Oklahoma Capitol Improvement Authority, to the agencies indicated herein.

C. For the purpose of paying the costs for acquisition and construction of the real property and improvements and personal property and making the repairs, refurbishments, and improvements to real and personal property, and providing funding for the projects authorized in subsection A of this section, and for the purpose authorized in subsection D of this section, the Authority is hereby authorized to borrow monies on the credit of the income and revenues to be derived from the leasing of such real and personal property and improvements and, in anticipation of the collection of such income and revenues, to issue negotiable obligations in a total amount not to exceed Three Hundred Twenty-five Million Dollars

(\$325,000,000.00) whether issued in one or more series. The Department of Central Services is authorized and directed to expend funds from the Capital Improvement Revolving Fund in amounts sufficient to make required payments pursuant to such obligations during the fiscal year ending June 30, 1999. For subsequent fiscal years, it is the intent of the Legislature to appropriate to the indicated state agencies sufficient monies to make rental payments for the purposes of retiring the obligations created pursuant to this section. Provided, the Authority shall not issue any obligations pursuant to this section for the purpose of providing funding for the projects authorized in paragraph 16 of subsection A of this section prior to January 1, 2001. For the fiscal year ending June 30, 2002, and thereafter, it is the intent of the Legislature to appropriate to the agencies administering the projects sufficient monies to make rental payments for the purpose of retiring the obligations created pursuant to this section.

D. To the extent funds are available from the proceeds of the borrowing authorized by subsection C of this section, the Oklahoma Capitol Improvement Authority shall provide for the payment of professional fees and associated costs related to the projects authorized in subsection A of this section.

E. The Authority may issue obligations in one or more series and in conjunction with other issues of the Authority. The Authority is authorized to hire bond counsel, financial consultants, and such other professionals as it may deem necessary to provide for the efficient sale of the obligations and may utilize a portion of the proceeds of any borrowing to create such reserves as may be deemed necessary and to pay costs associated with the issuance and administration of such obligations.

F. The obligations authorized under this section may be sold at either competitive or negotiated sale, as determined by the Authority, and in such form and at such prices as may be authorized

by the Authority. The Authority may enter into agreements with such credit enhancers and liquidity providers as may be determined necessary to efficiently market the obligations. The obligations may mature and have such provisions for redemption as shall be determined by the Authority, but in no event shall the final maturity of such obligations occur later than thirty (30) years from the first principal maturity date.

G. Any interest earnings on funds or accounts created for the purposes of this section may be utilized as partial payment of the annual debt service or for the purposes directed by the Authority.

H. The obligations issued under this section, the transfer thereof and the interest earned on such obligations, including any profit derived from the sale thereof, shall not be subject to taxation of any kind by the State of Oklahoma, or by any county, municipality or political subdivision therein.

I. The Authority may direct the investment of all monies in any funds or accounts created in connection with the offering of the obligations authorized under this section. Such investments shall be made in a manner consistent with the investment guidelines of the State Treasurer. The Authority may place additional restrictions on the investment of such monies if necessary to enhance the marketability of the obligations.

J. Insofar as they are not in conflict with the provisions of this section, the provisions of Section 151 et seq. of this title shall apply to this section.

K. To the extent that the provisions of paragraph 3 of subsection K of Section 85.4 of Title 74 of the Oklahoma Statutes would otherwise be applicable, such provisions shall be inapplicable to assets acquired, for ownership or for use, through the proceeds from the obligations authorized by paragraph 16 of subsection A of this section.

L. The Legislature finds that several functions of state government are properly performed through the delivery of state services by use of political subdivisions. In order to facilitate the delivery of essential state services and in furtherance of state governmental functions by the construction, acquisition or improvement of assets which may be located within the corporate limits of a municipality of the State of Oklahoma or which may be located in unincorporated areas of the state and subject to the jurisdiction of a board of county commissioners, but which nonetheless serve an important function of state government, the State of Oklahoma finds that the use of the proceeds from the issuance of obligations pursuant to this section effectuates the performance of essential state governmental functions, including, but not limited to:

1. Fire protection services;
2. Roads, bridges and highways located either partially within or completely within the corporate limits of a municipality or in an unincorporated area of the state;
3. Historic preservation;
4. Recreational facilities;
5. Air transportation infrastructure;
6. Facilities for the housing and care of the elderly;
7. Juvenile delinquency prevention and treatment facilities;
8. Agricultural and horticultural event facilities;
9. Health care facilities, including, but not limited to facilities the primary purpose of which is the treatment or prevention of communicable diseases or illness;
10. Promotion of tourism;
11. Promotion of economic development and business site selection; and
12. Public safety.

M. Notwithstanding any other provision of law to the contrary, each and every agency, board, commission, department or other entity of state government as identified in paragraph 16 of subsection A of this section shall have the authority to acquire or to transfer such property, whether real or personal, tangible or intangible, as may be required to fully fund the projects and to acquire or improve the assets for which the proceeds from the obligations authorized by this section are available.

SECTION 2. AMENDATORY Section 3, Chapter 329, O.S.L. 1997 (69 O.S. Supp. 1999, Section 2002), as last amended by Section 2 of Enrolled House Bill No. 2259 of the 2nd Session of the 47th Oklahoma Legislature is amended to read as follows:
