emergency)

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. AMENDATORY 63 O.S. 1991, Section 1-1709, is
amended to read as follows:

A. Any authorized person, hospital, sanatorium, nursing home or
rest home, or other organization may provide information,
interviews, reports, statements, memoranda or other data relating to
the condition and treatment of any person to any of the following
entities for use in the course of studies for the purpose of
reducing morbidity or mortality:

1. The State Board of Health; ~~the~~

2. The Oklahoma State Medical Association, or any committee or allied society thereof; ~~the~~

3. The Oklahoma Osteopathic Association, or any committee or allied society thereof;

4. The Oklahoma Hospital Association, or any committee or allied society thereof;

5. The American Medical Association, ~~or other;~~

6. The American Osteopathic Association;

7. The American Hospital Association;

8. Any national organization approved by the State Board of Health, or any committee or allied medical society thereof; or ~~any~~

9. Any in-hospital staff committee.

B. No liability for damages or other relief shall arise or be enforced against any authorized person, institution or organization by reason of having provided such information or material, or by reason of having released or published the findings and conclusions of such groups to advance medical research and medical education, or by reason of having released or published generally a summary of such studies.

C. The recipients shall use or publish such information or material only for the purpose of advancing medical research or medical education in the interest of reducing morbidity or mortality, except that a summary of such studies may be released by any such group for general publication.

D. In all events, the identity of any person whose condition or treatment has been studied shall be confidential and shall not be revealed under any circumstances. Any information furnished shall not contain the name of the person upon whom information is furnished and shall not violate the confidential relationship of patient and doctor. All information, interviews, reports, statements, memoranda, or other data furnished by reason of this

section, and any findings or conclusions resulting from such studies, are declared to be privileged communications which may not be used or offered or received in evidence in any legal proceeding of any kind or character, and any attempt to use or offer any such information, interviews, reports, statements, memoranda or other data, findings or conclusions, or any part thereof, unless waived by the interested parties, shall constitute prejudicial error in any such proceeding.

E. Physicians and others appointed to hospital utilization review committees for the purpose of determining the optimum use of hospital services shall be immune from liability with respect to decisions made as to such utilization and actions thereunder so long as such physicians or others act in good faith; provided, however, that nothing in this section shall be construed to relieve any patient's personal physician of any liability which he may have in connection with the treatment of such patient.

SECTION 2. This act shall become effective July 1, 1999.

SECTION 3. It being immediately necessary for the preservation of the public peace, health and safety, an emergency is hereby declared to exist, by reason whereof this act shall take effect and be in full force from and after its passage and approval.
