SECTION 1. AMENDATORY 11 O.S. 1991, Section 14-111, as last amended by Section 1, Chapter 412, O.S.L. 1999 (11 O.S. Supp. 1999, Section 14-111), is amended to read as follows:

Section 14-111. A. The governing body of a municipality may provide for enforcement of its ordinances and establish fines, penalties, or imprisonment, as authorized by subsections B through D of this section, for any offense in violation of its ordinances, which shall be recoverable together with costs of suit. The governing body may provide that any person fined for violation of a municipal ordinance who is financially able but refuses or neglects to pay the fine or costs may be compelled to satisfy the amount owed by working on the streets, alleys, avenues, areas, and public grounds of the municipality, subject to the direction of the street commissioner or other proper officer, at a rate per day as the governing body may prescribe by ordinance, but not less than Five Dollars (\$5.00) per day for useful labor, until the fine or costs are satisfied.

B. Cities having a municipal criminal court of record may enact ordinances prescribing maximum fines of One Thousand Two Hundred Dollars (\$1,200.00) and costs or imprisonment not exceeding six (6) months or both the fine and imprisonment, but shall not have authority to enact any ordinance making unlawful an act or omission declared by state statute to be punishable as a felony; provided, that cities having a municipal criminal court of record may enact ordinances prescribing maximum fines of One Thousand Dollars (\$1,000.00) and costs or imprisonment not exceeding six (6) months or both such fine and imprisonment for violations of municipal ordinances regulating the pretreatment of wastewater and regulating stormwater discharges.

C. Municipalities having a municipal court not of record may enact ordinances prescribing maximum fines pursuant to the provisions of this subsection. A municipal ordinance may not impose a penalty, including fine and costs, which is greater than that established by statute for the same offense. The maximum fine for traffic-related offenses relating to speeding or parking shall not exceed Two Hundred Dollars (\$200.00). For all other offenses, the maximum fine shall not exceed Five Hundred Dollars (\$500.00). The ordinances may prescribe costs pursuant to the provisions of Section 27-126 of this title or imprisonment not exceeding sixty (60) days or both the fine and imprisonment; provided, that municipalities having only a municipal court not of record shall not have authority to enact any ordinance making unlawful any act or omission declared by state statute to be punishable as a felony; provided further, that municipalities having a municipal court not of record may enact ordinances prescribing maximum fines of One Thousand Dollars (\$1,000.00) and costs or imprisonment not exceeding ninety (90) days or both such fine and imprisonment for violations of municipal ordinances regulating the pretreatment of wastewater and regulating stormwater discharges. Provided further, municipalities having a

municipal court not of record may enact an ordinance prescribing a maximum fine of up to Five Hundred Dollars (\$500.00) and costs or imprisonment not exceeding thirty (30) days or both such fine and imprisonment for violations of municipal ordinances which prohibit the offense provided for in subsection A of Section 11-902 of Title 47 of the Oklahoma Statutes if such municipality follows the procedures set forth in Section 2 of this act.

D. Municipalities having both municipal criminal courts of record and municipal courts not of record may enact ordinances, within the authority of this section, for each court.

E. No municipality may levy a fine of over Fifty Dollars (\$50.00) until it has compiled and published its penal ordinances as required in Sections 14-109 and 14-110 of this title.

F. No municipality may levy a fine of more than Ten Dollars (\$10.00) nor court costs of more than Fifteen Dollars (\$15.00) for exceeding the posted speed limit by no more than ten (10) miles per hour upon any portion of the National System of Interstate and Defense Highways, federal-aid primary highways, and the state highway system which are located on the outskirts of any municipality as determined in Section 2-117 of Title 47 of the Oklahoma Statutes.

SECTION 2. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 27-103.1 of Title 11, unless there is created a duplication in numbering, reads as follows:

A. On and after January 1, 2001, municipal criminal courts not of record may only prosecute persons for violations of ordinances which prohibit the conduct specified in subsection A of Section 11-902 of Title 47 of the Oklahoma Statutes if such courts follow the requirements set forth in this section.

B. For any person subject to prosecution pursuant to this section, the court shall insure that such person is provided adequate legal representation if such person is indigent or without

sufficient resources to obtain such representation. Such representation shall be furnished to the defendant without cost. Provided, in any case wherein such representation is furnished and the defendant pleads guilty or nolo contendere or is convicted of the offense, the court may order the defendant to reimburse all or part of the costs of such representation, according to a schedule of payments that is within the ability of the defendant.

C. No prosecution may be had pursuant to this section except where the judge of the municipal criminal court not of record is an attorney licensed to practice law in Oklahoma.

D. Any person who pleads guilty or nolo contendere or is found guilty in a prosecution pursuant to this section shall be ordered to participate in, prior to sentencing, an alcohol and drug substance abuse evaluation program offered by a facility or qualified practitioner certified by the Department of Mental Health and Substance Abuse Services for the purpose of evaluating the receptivity to treatment and prognosis of the person. The court shall order the person to reimburse the facility or qualified practitioner for the evaluation. The Department of Mental Health and Substance Abuse Services shall establish a fee schedule, based upon a person's ability to pay, provided the fee for an evaluation shall not exceed Seventy-five Dollars (\$75.00). The evaluation shall be conducted at a certified facility, the office of a qualified practitioner or at another location as ordered by the court. The facility or qualified practitioner shall, within seventy-two (72) hours from the time the person is assessed, submit a written report to the court for the purpose of assisting the court in its final sentencing determination. If such report indicates that the evaluation shows that the defendant would benefit from a treatment program, the court shall, as a condition of any sentence imposed, including deferred and suspended sentences, require the person to participate in an alcohol or drug substance abuse

treatment program at an "approved treatment facility" as defined by Section 3-403 of Title 43A of the Oklahoma Statutes. No person, agency or facility operating an alcohol and drug substance abuse evaluation program certified by the Department of Mental Health and Substance Abuse Services shall solicit or refer any person evaluated pursuant to this section for any treatment program or alcohol and drug substance abuse service in which such person, agency or facility has a vested interest; however, this provision shall not be construed to prohibit the court from ordering participation in or any person from voluntarily utilizing a treatment program or alcohol and drug substance abuse service offered by such person, agency or facility. Any evaluation report submitted to the court pursuant to the provisions of this subsection shall be handled in a manner which will keep such report confidential from the general public's review. Nothing contained in this subsection shall be construed to prohibit the court from ordering judgment and sentence in the event the defendant fails or refuses to comply with an order of the court to obtain the evaluation required by this subsection. As used in this subsection, "qualified practitioner" means a person with at least a bachelor's degree in substance abuse treatment, mental health or a related health care field and at least two (2) years' experience in providing alcohol treatment, other drug abuse treatment, or both alcohol and other drug abuse treatment who is certified each year by the Department of Mental Health and Substance Abuse Services to provide these assessments. Nothing contained in this subsection shall be construed to prohibit the court from ordering judgment and sentence and any other sanction authorized by law for failure or refusal to comply with an order of the court.
