there is created a duplication in numbering, reads as follows:

An eligible employer joining the System may purchase up to five
(5) years of credited service for each volunteer member of a
volunteer fire department at the annual contribution rate in effect
as of the date of the purchase, provided verifiable evidence of

the System within six (6) months of the date the eligible employer
becomes a participating municipality, and may be paid by the
individual member. Six (6) months from the date the eligible
employer becomes a participating municipality, any eligible prior
credited service not purchased shall expire and not be available for
determining benefits. Eligibility to receive purchased credited

department enrolled at the time the eligible employer applies for

affiliation with the System pursuant to Section 49-105.2 of Title 11 of the Oklahoma Statutes.

SECTION 2. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 49-101.3 of Title 11, unless there is created a duplication in numbering, reads as follows:

Any member serving as an active volunteer firefighter who receives annual compensation from a participating municipality other than reimbursement of expenses in excess of two (2) times the annual pension benefit paid by the System to a retired volunteer firefighter with twenty (20) years credited service shall be considered a paid firefighter and must meet the physical and agility requirements pursuant to Section 49-116 of Title 11 of the Oklahoma Statutes to continue as an active member of the System.
