

STATE OF OKLAHOMA

1st Session of the 47th Legislature (1999)

HOUSE CONCURRENT
RESOLUTION NO. 1047____

By: Lindley of the House

and

Leftwich of the Senate

AS INTRODUCED

A Concurrent Resolution declaring May to be Oklahoma Neurofibromatosis Awareness Month; recognizing John J. Mulvihill and Ciara Dawn Lindley; and providing for distribution.

WHEREAS, Neurofibromatosis (NF) is the most common worldwide genetic disorder; and

WHEREAS, NF was first identified in 1882, but research through the National Neurofibromatosis Foundation was begun in this country only fourteen years ago. Nevertheless, this research has been enormously productive with discoveries of the two genes that cause NF; and

WHEREAS, through the efforts of John J. Mulvihill, M.D., and Rosita Kirshman, M.D., at the University of Oklahoma Health Sciences Center, Oklahoma has joined the worldwide team of scientists seeking to identify a treatment and cure for NF; and

WHEREAS, NF has no gender, ethnic or geographic boundaries, and can appear in any family at any time; and

WHEREAS, NF affects one out of every four thousand Oklahomans, and there is no effective treatment or cure for this disorder; and

WHEREAS, Initiatives for Neurofibromatosis in Oklahoma (INFO) was established on July 7, 1995, as a support group for Oklahomans with NF; and

WHEREAS, awareness of NF remains very limited, INFO, along with the National Neurofibromatosis Foundation and the International

Neurofibromatosis Association, provide educational opportunities in Oklahoma, nationally and worldwide to the lay community, educators and health care professionals; and

WHEREAS, through the Children's Medical Research Institute, the June telethon of the Children's Miracle Network will feature a child with NF in order to increase public awareness of the disorder; and

WHEREAS, the International Neurofibromatosis Association has declared May to be World Neurofibromatosis Month; and

WHEREAS, continued efforts at public and professional education and development of NF clinics and support groups will benefit the lives of all Oklahomans.

NOW, THEREFORE, BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF THE 1ST SESSION OF THE 47TH OKLAHOMA LEGISLATURE, THE SENATE CONCURRING THEREIN:

THAT the Oklahoma House of Representatives and the Oklahoma State Senate declare May to be Neurofibromatosis Awareness Month in Oklahoma.

THAT the Oklahoma Legislature recognizes and honors Dr. Mulvihill for his twenty-five years of research and treatment of NF patients and for bringing a wealth of experience and knowledge to Oklahoma and the benefits this will provide all Oklahomans.

THAT the Oklahoma Legislature further recognizes and honors Ciara Dawn Lindley, who will be the child featured in the Children's Miracle Network June telethon, for her courage and fortitude.

THAT copies of this resolution be distributed to Dr. John J. Mulvihill, Dr. Rosita Kirshman, Ciara Dawn Lindley, the family of Ciara Dawn Lindley, and the governing body and membership of the Initiatives for Neurofibromatosis in Oklahoma.
