Section 39-103.1 A. In addition to those purposes set out in Section 39-103 of this title, the governing body of any municipality having a population of more than one thousand five hundred (1,500) may create one or more districts and levy assessments for the purpose of providing or causing to be provided any maintenance, cleaning, security, shuttle service, upkeep, marketing, management or other services which confer special benefits upon property within the district by preserving, enhancing or extending the value or usefulness of any improvement described in Section 39-103 of this title, whether or not the improvement was financed or constructed pursuant to ~~this act~~ the Improvement District Act and such governing body may exclude or modify such assessments according to benefits received on properties which are exempt from ad valorem taxation, except those assessments provided for by Section 39-103 of this

All provisions of the Improvement District Act shall be applicable with respect to such district, provided, for projects authorized pursuant to the provisions of this subsection:

1. The governing body of the municipality shall, in conjunction with the board of county commissioners of the county or counties in which the municipality is located, develop and approve a project plan which shall include a description of each improvement to county roads which benefit property in the district to be made and an estimate of the cost thereof;

under the approved project plan and approval of not less than three-fifths (3/5) of such owners shall be required for passage; and

4. Bonds issued pursuant to the authority of this subsection shall run for a period of not more than ten (10) years.

The governing body of the municipality shall have such powers and duties as may be necessary to carry out the provisions of this subsection.

Proof of the

mailing is to be made by affidavit by the municipal clerk, the deputy municipal clerk or the engineer, which shall be filed in the office of the municipal clerk. Failure of the owner to receive any notice shall not invalidate any of the proceedings authorized in the Improvement District Act. Notice of the hearing shall also be published. The last publication shall be at least seven (7) days prior to the day of the hearing. Such service by publication shall be verified by an affidavit of the publisher which is to be filed in the office of the municipal clerk.

~~D.~~ E. No district created under this section shall continue longer than ten (10) years unless re-created as provided in ~~this act~~ the Improvement District Act for creation of districts. Provided, that at any time after its creation, the district shall cease to exist if:
