SECTION 1. AMENDATORY 22 O.S. 1991, Section 1161, is amended to read as follows:

Section 1161. A. 1. An act committed by a person in a state of insanity cannot be punished as a public offense, nor can ~~said~~ the person be tried, sentenced to punishment, or punished for a public offense while ~~he~~ such person is insane.

2. When in any criminal action by indictment or information the defense of insanity is interposed either singly or in conjunction with some other defense, the jury shall state in the verdict, if it is one of acquittal, whether or not the defendant is acquitted on the ground of insanity. When the defendant is acquitted on the ground that ~~he~~ the defendant was insane at the time of the commission of the crime charged, ~~said~~ the person shall not be discharged from custody until the court has made a determination

that ~~said~~ the person is not presently ~~mentally ill and~~ dangerous to the public peace ~~or~~ and safety because the person is a person requiring treatment as defined in Section 1-103 of Title 43A of the Oklahoma Statutes.

B. 1. To assist the court in its determination, the court shall immediately issue an examination order and specify the state hospital for the mentally ill in which the ~~said~~ person is to be hospitalized. Upon the issuance of the order, the sheriff shall deliver the ~~said~~ person to the designated hospital for the mentally ill where the ~~said~~ person shall remain hospitalized for a period of not less than thirty (30) days.

2. Within forty-five (45) days of ~~said~~ such hospitalization, a hearing shall be conducted by the court to ascertain whether the ~~said~~ person is presently ~~mentally ill and~~ dangerous to the public peace or safety because the person is a person requiring treatment as defined in Section 1-103 of Title 43A of the Oklahoma Statutes, or if not, is in need of continued supervision as a result of unresolved symptoms of mental illness or a history of treatment noncompliance. During the required period of hospitalization the Department of Mental Health and Substance Abuse Services shall have the ~~said~~ person examined by two qualified ~~psychiatrists or one such psychiatrist and one qualified clinical psychologist~~ forensic examiners, defined as any psychiatrist, psychologist or other mental health professional whose training and experience enable the professional to form expert opinions regarding mental illness, competency, dangerousness and criminal responsibility.

C. 1. Each qualified forensic examiner shall, within thirty-five (35) days of hospitalization, individually prepare and submit to the court, the district attorney and the person's trial counsel a report of ~~his~~ the person's psychiatric examination findings and an evaluation concerning whether the ~~said~~ person is presently ~~mentally ill and~~ dangerous to the public peace ~~and~~ or safety.

2. If the court is ~~unsatisfied~~ dissatisfied with the ~~psychiatric~~ reports or if a disagreement on the issue of ~~present~~ mental illness and dangerousness exists between the two examiners, the court may designate one or more additional ~~psychiatrists~~ examiners and have them submit their findings and evaluations as specified ~~above~~ in paragraph 1 of this subsection.

3. a. Within ten (10) days after the ~~psychiatric~~ reports are filed, the court must conduct a hearing to determine the ~~said~~ person's present condition as to the issue of whether ~~he~~ :

- (1) the person is presently ~~mentally ill and~~ dangerous to the public peace or safety because the person is a person requiring treatment as defined in Section 1-103 of Title 43A of the Oklahoma Statutes, or

The district attorney must establish the foregoing by a preponderance of the evidence ~~that the defendant is presently mentally ill and dangerous to the public peace or safety.~~ At this hearing the ~~said~~ person shall have the assistance of counsel and may present independent evidence ~~as to the issue of whether he is presently mentally ill and dangerous to the public peace or safety.~~

D. 1. If the court finds that the ~~said~~ person is not presently ~~mentally ill and dangerous to the public peace or safety~~ because the person is a person requiring treatment as defined in Section 1-103 of Title 43A of the Oklahoma Statutes and is not in need of

continued supervision as a result of unresolved symptoms of mental illness or a history of treatment noncompliance, it shall immediately discharge the ~~said~~ person from hospitalization.

2. If the court finds that the ~~said~~ person is presently mentally ill and dangerous to the public peace ~~or~~ and safety, it shall commit the ~~said~~ person to the custody of the Department of Mental Health and Substance Abuse Services. The ~~said~~ person shall then be subject to discharge pursuant to the procedure set forth in the Mental Health and Substance Abuse Services Law Title 43A of the Oklahoma Statutes.

E. If the court finds the person is not presently dangerous to the public peace or safety because the person is a person requiring treatment pursuant to the provisions of Section 1-103 of Title 43A of the Oklahoma Statutes, but is in need of continued supervision as a result of unresolved symptoms of mental illness or a history of treatment noncompliance, the court may:

1. Discharge the person pursuant to the procedure set forth in Title 43A of the Oklahoma Statutes;

2. Discharge the person, and upon the court's own motion commence civil involuntary commitment proceedings against the person pursuant to the provisions of Title 43A of the Oklahoma Statutes; or

3. Order conditional release, as set forth in subsection G of this section.

F. 1. During the period of hospitalization the Department of Mental Health and Substance Abuse Services may administer or cause to be administered to the ~~said~~ person such psychiatric, medical or other therapeutic treatment as in its judgment should be administered.

2. During the period of hospitalization the Superintendent shall submit an annual report on the status of the ~~said~~ person to the court, the district attorney and the ~~patient's advocate of the hospital in which the said person is hospitalized~~ patient advocate

general of the Department of Mental Health and Substance Abuse Services. Not less than twenty (20) days prior to the scheduled release of the ~~said~~ person the Superintendent ~~of the hospital for the mentally ill must~~ shall deliver a written notice of the proposed discharge to the court, the district attorney and the ~~patient's~~ patient advocate ~~of the said hospital~~ general of the Department of Mental Health and Substance Abuse Services.

G. Upon motion by the district attorney a ~~second~~ subsequent hearing shall be conducted by the court to ascertain if the ~~said~~ person is ~~mentally ill and~~ presently dangerous to the public peace ~~or~~ and safety because the person is a person requiring treatment as defined in Section 1-103 of Title 43A of the Oklahoma Statutes, or, if not, is in need of continued supervision as a result of unresolved symptoms of mental illness or a history of treatment noncompliance. This hearing shall be conducted under the same procedure as the first hearing and must occur not less than ten (10) days before the scheduled release. If the court determines that the ~~said~~ person continues to be ~~mentally ill and~~ presently dangerous to the public peace ~~or~~ and safety because the person is a person requiring treatment as defined in Section 1-103 of Title 43A of the Oklahoma Statutes, it shall order the return of the ~~said~~ person to the hospital for additional treatment.

H. 1. Conditional release may be ordered for persons adjudicated not guilty by reason of insanity who are not believed to be presently dangerous to the public peace or safety but who the court deems to be in need of continued supervision as a result of unresolved symptoms of mental illness or a history of treatment noncompliance.

2. Upon a qualified forensic examiner's recommendation for conditional release, a written plan for outpatient treatment, including recommendations from the examiner, shall be filed with the court, district attorney, the person's trial counsel, and the

person. In its order of conditional release, the court shall specify conditions of release and shall direct the appropriate agencies or persons to submit annual reports regarding the person's compliance with the conditions of release and progress in treatment.

3. To be eligible for conditional release, the person shall agree, in writing, that during the period the person is granted conditional release and is subject to the provisions thereof, there shall be free transmission of all pertinent information, including clinical information regarding the person, among the Department of Mental Health and Substance Abuse Services, the appropriate community mental health centers and the appropriate district attorneys, law enforcement and court personnel.

4. Copies of the reports shall also be submitted to the district attorney, trial counsel for the person, the hospital superintendent where the release plan was initiated, and the person.

5. The court's order placing the person on conditional release shall include notice that the person's conditional release may be revoked upon good cause. The person placed on conditional release shall remain under the supervision of the Department of Mental Health and Substance Abuse Services until the committing court enters a final discharge order.

6. a. Any agency or individual involved in providing treatment with regard to the person's conditional release plan may prepare and file an affidavit under oath if the agency or individual believes that the person has failed to comply with the conditions of release or that such person has progressed to the point that inpatient care is appropriate.

b. Any peace officer who receives such an affidavit shall take the person into protective custody and return the person to the forensic unit of the state hospital.

c. Hearing shall be conducted within three (3) days, excluding holidays and weekends, after the person is returned to the forensic unit of the state hospital to determine if the person has violated the conditions of release, or if full-time hospitalization is the least restrictive alternative consistent with the person's needs and the need for public safety. Notice of the hearing shall be issued, at least twenty-four (24) hours before the hearing, to the hospital superintendent, the person, trial counsel for the person, and the patient advocate general of the Department of Mental Health and Substance Abuse Services. If the person requires hospitalization because of a violation of the conditions of release or because of progression to the point that inpatient care is appropriate, the court may then modify the conditions of release.

I. Additional hearings may be conducted upon motion by the district attorney under the same provisions as described in this section.

SECTION 2. This act shall become effective November 1, 2000.
