B. On or before February 1 of each school year, a parent or guardian of a school child in this state may make application to a school district in which the child or ward is not a resident for permission to enroll the child or ward in that district's school as a transfer student for the next school year. The application shall be on a form promulgated by the State Board of Education and made available to parents through all public schools in this state.

C. Permission to enroll pursuant to the Parental School Choice Act may be denied by the school board of the school district of the subject child's residence when the school district of which the child is a resident is subject to a court-ordered desegregation plan unless the grade which the child is entitled to pursue is not offered in the child's resident school district.
