

STATE OF OKLAHOMA

1st Session of the 47th Legislature (1999)

SENATE JOINT  
RESOLUTION NO. 25

By: Capps of the Senate

and

Bonny of the House

AS INTRODUCED

A Joint Resolution directing the Secretary of State to refer to the people for their approval or rejection a proposed amendment to Section 15 of Article X of the Constitution of the State of Oklahoma; authorizing Oklahoma Space Industry Development Authority to have ownership of technology and equity interests in private businesses; providing ballot title; and directing filing.

BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE 1ST SESSION OF THE 47TH OKLAHOMA LEGISLATURE:

SECTION 1. The Secretary of State shall refer to the people for their approval or rejection, as and in the manner provided by law, the following proposed amendment to Section 15 of Article X of the Constitution of the State of Oklahoma to read as follows:

Section 15. A. Except as provided by this section, the credit of the State shall not be given, pledged, or loaned to any individual, company, corporation, or association, municipality, or political subdivision of the State, nor shall the State become an owner or stockholder in, nor make donation by gift, subscription to stock, by tax, or otherwise, to any company, association, or corporation.

B. Pursuant to authority of and subject to requirements of law and according to professional norms established nationally in similar activities, the Oklahoma Center for the Advancement of Science and Technology or its successor may be authorized to use

public funds not exceeding one percent (1%) of total state appropriations for the current fiscal year to promote economic development through grants or loans to individuals, companies, corporations or associations. Pursuant to authority of and subject to requirements of law and according to professional norms established nationally in similar activities, the Oklahoma Center for the Advancement of Science and Technology or its successor may be authorized to use public funds in order to promote economic development by purchase or ownership of stock or to make other investments in private enterprises and to receive income from such investments which are involved with research or patents from projects involving Oklahoma colleges or universities. The Oklahoma Center for the Advancement of Science and Technology or its successor may only use public funds for the purposes authorized in this subsection if a statute specifically authorizing such use is approved by an affirmative vote of at least two-thirds (2/3) of the members elected to the Senate and to the House of Representatives upon final passage of such measure in each of the respective houses and with the approval of the Governor.

C. The Legislature shall only authorize use of public funds by the Oklahoma Center for the Advancement of Science and Technology or its successor as permitted by this section for promotion of economic development by creation of new employment, enhancement of existing employment or by the addition of economic value to goods, services or resources within the State authorized by subsection B herein.

D. The Legislature shall establish procedures to review and evaluate the extent to which the purposes of any statute authorizing use of public funds by the Oklahoma Center for the Advancement of Science and Technology are achieved.

E. Bonds issued by the board of education of any school district or public institutions of higher education may be guaranteed by the corpus of the permanent school fund, provided:

1. As to bonds issued by the board of education such bonds must be approved by election of the school district upon the question of issuing such bonds;

2. As to bonds issued by an institution within The Oklahoma State System of Higher Education such bonds are issued in accordance with all applicable provisions of law; and

3. Provisions shall be made by the Legislature to guarantee prompt reimbursement to the corpus of the permanent school fund for any payment from the fund on behalf of a school district or on behalf of an institution within The Oklahoma State System of Higher Education. The reimbursement shall include a reasonable rate of interest. The provisions of this paragraph regarding use of the permanent school fund for guarantee of bonds issued by an institution within The Oklahoma State System of Higher Education shall not be self-executing and the Legislature shall provide by law the procedure pursuant to which such obligations may be guaranteed and the procedures for repayments, if any, required to be made to the permanent school fund.

F. Subject to requirements imposed by law, the governing boards of institutions within The Oklahoma State System of Higher Education and employees of those institutions may have an ownership interest in a technology, whether or not the technology is protected pursuant to federal or state law governing intellectual property, and may have an ownership interest in a business enterprise or private business entity, if the ownership interest is acquired as a result of research or development of a technology involving the authorized use of facilities, equipment, or services of such institutions.

G. The Oklahoma Space Industry Development Authority may have an ownership interest in space technology, whether or not the technology is protected pursuant to federal or state law governing intellectual property, and may have an ownership interest in a business enterprise or private business entity that is involved with

space technology, if the technology is a result of research or development involving the authorized use of facilities, equipment, or services of the Authority.

SECTION 2. The Ballot Title for the proposed Constitutional amendment as set forth in SECTION 1 of this resolution shall be in the following form:

BALLOT TITLE

Legislative Referendum No. \_\_\_\_\_ State Question No. \_\_\_\_\_

THE GIST OF THE PROPOSITION IS AS FOLLOWS:

This measure amends the Oklahoma Constitution. It amends Section 15 of Title 10. It allows the Oklahoma Space Industry Development Authority to own an interest in space technology. It allows the Authority to own an interest in a private business. This business must be involved with space technology. This technology must be the result of research using the help of the Authority. This help could be in the form of services. This help could be in the form of equipment. This help could be in the form of use of facilities.

SHALL THIS AMENDMENT BE APPROVED BY THE PEOPLE?

YES, FOR THE AMENDMENT

NO, AGAINST THE AMENDMENT

SECTION 3. The President Pro Tempore of the Senate shall, immediately after the passage of this resolution, prepare and file one copy thereof, including the Ballot Title set forth in SECTION 2 hereof, with the Secretary of State and one copy with the Attorney General.
