“(Oklahoma Public Employees Retirement System -
retirement benefit - effective date -
emergency)

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. AMENDATORY 74 O.S. 2001, Section 918, is
amended to read as follows:

Section 918. (1) Except as otherwise provided for in this
section and Section 42 of this act, a member may elect to have the
retirement benefit paid under one of the options provided in this
section in lieu of having it paid in the form stated in Section 915
of this title. The election of an option must be made at any time
prior to retirement or prior to termination of service with a vested
benefit. A specific person must be designated as joint annuitant at
the time of election of Option A or B. Election of an option is
available with respect to the vested benefit. All retirement

benefits of a married member shall be paid pursuant to the Option A plan as provided for in this section unless the spouse of a member consents in writing for the benefits to be paid as provided for in Section 915 of this title or pursuant to Option B or Option C as provided for in this section.

(2) The amount of retirement benefit payable under an option shall be based on the age and sex of the member and the age and sex of the joint annuitant, and shall be such amount as to be the actuarial equivalent of the retirement benefit otherwise payable under Section 915 of this title.

(3) The retirement options are:

Option A. Joint and one-half to joint annuitant survivor. A reduced retirement benefit is payable to the retirant during his or her lifetime with one-half of that amount continued to the joint annuitant during such joint annuitant's remaining lifetime, if any, after the death of the retirant. If the named joint annuitant dies at any time after the member's retirement date, but before the death of the retirant, the retirant shall return to the retirement benefit, including any post retirement benefit increases the member would have received had the member not selected Option A. The benefit shall be determined at the date of death of the named joint annuitant or July 1, 1994, whichever is later. This increase shall become effective the first day of the month following the date of death of the named joint annuitant or July 1, 1994, whichever is later, and shall be payable for the retirant's remaining lifetime. The retirant shall notify the Oklahoma Public Employees Retirement System of the death of the named joint annuitant in writing. In the absence of the written notice being filed by the member notifying the Oklahoma Public Employees Retirement System of the death of the named joint annuitant within six (6) months of the date of death, nothing in this subsection shall require the Oklahoma Public Employees Retirement

System to pay more than six (6) months of retrospective benefits increase.

Option B. Joint and survivor. A reduced retirement benefit is payable to the retirant during his or her lifetime with that amount continued to the joint annuitant during the joint annuitant's remaining lifetime, if any, after the death of the retirant. If the named joint annuitant dies at any time after the member's retirement date, but before the death of the retirant, the retirant shall return to the retirement benefit, including any post retirement benefit increases the member would have received had the member not selected Option B. The benefit shall be determined at the date of death of the named joint annuitant or July 1, 1994, whichever is later. This increase shall become effective the first day of the month following the date of death of the named joint annuitant or July 1, 1994, whichever is later, and shall be payable for the retirant's remaining lifetime. The retirant shall notify the Oklahoma Public Employees Retirement System of the death of the named joint annuitant in writing. In the absence of such written notice being filed by the member notifying the Oklahoma Public Employees Retirement System of the death of the named joint annuitant within six (6) months of the date of death, nothing in this subsection shall require the Oklahoma Public Employees Retirement System to pay more than six (6) months of retrospective benefits increase.

Option C. Life with ten (10) years certain. A reduced retirement benefit is payable to the retirant during his or her lifetime and if the retirant dies within the ten-year certain period, measured from the commencement of retirement benefits payments, such payments will be continued to the beneficiary during the balance of the ten-year certain period.

(4) If the selection of a joint annuitant would violate the distribution requirements contained in Section 42 of this act, such selection will not be permitted.

(5) If a member who is eligible to retire in accordance with the provisions of Section 914 of this title but is not actually retired or is eligible to vest or has elected a vested benefit dies, the member's spouse, ~~if the spouse is beneficiary for the member's accumulated contributions,~~ may elect to receive benefits as a joint annuitant under Option B calculated as if the member retired on the date of death, in lieu of receiving the member's accumulated contributions. However, no benefits shall be payable before the date the deceased member would have met the requirements for a normal or early retirement. ~~Provided further, that if an active member has elected an option under this section prior to the member's death, the member's spouse, if the spouse is the member's beneficiary, may elect to receive benefits as a joint annuitant under the elected option.~~

The provisions of this paragraph shall be applicable to a surviving spouse of a deceased member who died prior to the effective date of this act, but only if no benefits or distributions have been previously paid.

(6) Benefits payable to a joint annuitant shall accrue from the first day of the month following the death of a member or retirant and, in the case of Option A and Option B, shall end on the last day of the month in which the joint annuitant dies.

SECTION 2. This act shall become effective July 1, 2002.

SECTION 3. It being immediately necessary for the preservation of the public peace, health and safety, an emergency is hereby declared to exist, by reason whereof this act shall take effect and be in full force from and after its passage and approval."
