B. The reduction-in-force plan and subsequent personnel transactions directly related to the reduction-in-force shall be in compliance with rules adopted by the Administrator. The appointing authority shall post in each office of executive branch agencies affected by the proposed reduction-in-force plan a copy of the plan five (5) days prior to the submission of the proposed plan to the Administrator and the Director of State Finance. The plan shall:

1. Provide for the appointing authority to determine the specific position or positions to be abolished within specified units, divisions, facilities, agency-wide or any parts thereof;

2. Provide for retention of affected employees based on classification and type of appointment. If an agency has both classified and unclassified positions in affected job family levels, the appointing authority shall not reduce a higher percentage of occupied classified positions than occupied unclassified positions;

3. Require the separation of probationary classified affected employees in affected job family levels, except those affected employees on probationary status after reinstatement from permanent classified status without a break in service, prior to the

separation or displacement of any permanent classified affected employee in an affected job family level;

4. Require the separation of limited term unclassified affected employees and regular unclassified affected employees with less than ~~six (6) months~~ one (1) year continuous service in affected classes or job family levels prior to the separation or displacement of regular unclassified affected employees with ~~six (6) months~~ one (1) year or more of continuous service in an affected class or job family level;

C. The appointing authority may limit displacement of affected employees at the time of a reduction-in-force. Displacement limits shall not be subject to the approval of the Administrator. Any limitation shall be based upon reasonable, written, articulated criteria as certified by the appointing authority. If displacement is limited, the appointing authority shall take action to avoid or

minimize any adverse impact on minorities or women. However, if an appointing authority does not limit displacement, the appointing authority shall explain in writing the reasons displacement was not limited.

The appointing authority must explain why affected employees are being protected, which explanation shall not be subject to the approval of the Administrator.

2. If the affected employee has not held within the last five (5) years a position in the job family level or predecessor class in which the affected employee is otherwise eligible for a displacement opportunity, the appointing authority may determine that the affected employee does not possess the recent relevant experience for the position and deny in writing the displacement opportunity.

- b. not have the right to exercise any subsequent right to receive severance benefits from the agency for which the affected employee performs services on the date that the employee exercises a displacement privilege. The provisions of this section shall not prohibit any person from exercising a displacement privilege in, or accepting severance benefits from, more than one agency during employment with the State of Oklahoma or from the agency which the affected employee exercised a displacement privilege in any future reduction-in-force.

D.
